ITEM TITLE:

Ordinance on First Reading. Consideration of Application No. 05-10-105-P for City owned properties requesting the following:

An Ordinance of the City Commission of Coral Gables, Florida amending the Future Land Use Map of the Coral Gables Comprehensive Plan pursuant to small scale amendment procedures subject to ss. 163.3187, Florida Statutes, from "Commercial Use, Mid-Rise Intensity" to "Commercial Use, High-Rise Intensity" for the following City owned properties:

1. Lots 1-4 & 38-48, Block 20, Section "K" (2100 Block of Salzedo St.), Coral Gables, Florida;
2. Lots 22-43, Block 1, Crafts Section (300 Block of Andalusia Ave.), Coral Gables, Florida;
3. Lots 29-42, Block 2, Crafts Section (200 Block of Andalusia Ave.), Coral Gables, Florida; and, providing for severability, repealer, codification and an effective date. (see Exhibit A)

DEPARTMENT HEAD RECOMMENDATION:

Approval.

PLANNING DEPARTMENT RECOMMENDATION:

The Department recommends approval of the amendment to the Future Land Use Map of the Coral Gables Comprehensive Plan as referenced herein.

PLANNING AND ZONING BOARD RECOMMENDATION:

The Planning and Zoning Board acting as the Local Planning Agency at their 06.09.2010 meeting recommended unanimous approval (vote: 6-0) of the application. (See Exhibit B)

BRIEF HISTORY:

The proposed change of land use map designation from "Commercial Use, Mid-Rise Intensity" to "Commercial Use, High-Rise Intensity" for three (3) City owned properties will allow for future development of the properties at their highest and best use. These properties are currently used as City parking lot and garages referenced as follows:

Property #1 - City Parking Lot No. 6 (2100 block Salzedo Street)

Property #2 - City Parking Garage No. 4 (300 block Andalusia Avenue)

Property #3 - City Parking Garage No. 1 (200 block Andalusia Avenue)

The change will allow the City the flexibility to develop the property for future use as a "mixed use development" that could allow for retail, office, public parking, multi-family residential, public open space and/or other public uses.

No change in zoning is proposed from the current "C – Commercial" zoning designation. Any future development of the property would undergo public hearing review (i.e. site plan review, etc) before the Planning and Zoning Board and City Commission. Mapping of the requests and Staff analysis is provided in Exhibit C. Upon passage on First Reading this application will be considered for Final reading on August 24, 2010. Updated public comments are provided as Exhibit D.
