Dear Mayor Lago and Coral Gables City Commissioners:

I understand that at the August 24<sup>th</sup> City of Coral Gables Commission meeting there will be discussion of the possible annexation of Little Gables (agenda item G-1322-4376). **My wife and I live in Little Gables and we are totally opposed to the annexation!** We prefer to remain in unincorporated Miami-Dade County where the property taxed are lower and we don't have to deal with the burdensome restrictions that the City of Coral Gables imposes on homeowners. Further, we are organizing our neighbors in opposition to the annexation of Little Gables, asking them to write to City and County Commissioners and to speak out at next Wednesday's Commission Meeting.

Sincerely, Doug Mayer

This is to express my opposition to the annexation of Little Gables to Coral Gables. I am a resident of Little Gables. I bought a house in the Little Gables, not Coral Gables. My biggest objection is Coral Gables' high density. I don't want that to happen to Little Gables. It creates more crime and traffic. I also don't want higher taxes and higher payment for services such as garbage pickup. I don't want to be held to Coral Gables standards and then be fined if I am not within Coral Gables standards. The garbage pit is not particularly attractive. We are serviced by MDPD and MDFD. I am very happy with the service we get from both. MDPD has kept our crime rate very low.
