The City of Coral Gables
Education Compact Established March 2006

Increase and Enhance Academic Programs with the City	Status	Comments
Pledge that by school opening, 2008, all schools in Coral Gables would be a B or higher.	G. W. Carver Middle School has recently received the very rigorous Blue Ribbon Schools designation from the United States Department of Education.	School invited city officials to attend the awards ceremony.
	Coral Gables Senior High School was among thirteen Miami-Dade County Public Schools earning their way onto Newsweek Magazine's List of America's Top High Schools. Public schools were ranked according to a ratio devised by Jay Mathews of Newsweek Magazine: the number of Advanced Placement, International Baccalaureate and/or Cambridge tests taken by all students at a school in 2006 divided by the number of graduating seniors. All of the schools on the list have an index of at least 1.000; they are in the top five percent of public schools measured this way.	News Release available as needed. Sent to the City for release.

Jointly support the creation of an internship initiative with Coral Gables businesses and Coral Gables Senior High.	On-going. Eight internships through the Honors and Executive Internship Program were provided through City support in 2006-2007.	This is on-going and will expand through the Gables Chamber. Goal of Chamber.
Support the development of an International Studies High School to be sited in the Coral Gables High School Relief Area	On-going. At the September 5, 2007, meeting of the School Board, eminent domain proceedings were approved to acquire a building at 1570 Madruga Avenue to place an International Studies High School in Coral Gables . The Order of Hearing is taking place January 25, 2007, at which time it is anticipated that title would transfer. The District's five-year capital plan also includes funding this year for design of the building's retrofit and construction funding for 2008/09. At this point, the school is projected to open for 2009, pending all approvals. The International Studies Program (IS) provides students with an International Curriculum which emphasizes study in a second language (French, Italian or Spanish). Expectations are high: students will utilize their language mastery as they study literature, mathematics, history, and geography in their second language, working at a level commensurate with that of schools in
