Good Morning,

As you know by now, the great majority of residents oppose ANY further up-zoning in our City. We DO NOT want to be another Brickell.

Therefore, all we ask is for South of Biltmore Way to be corrected, as was discussed in your last meeting AND that you accept the recommendation of the City's Planning & Zoning Board to consider taking a hard look at the properties North of Biltmore Way; reducing the height to 150ft, regardless of what it was prior to the 2021 code update.

It was changed at some point and it can be rolled back as well.

Sincerely,

Alfredo & Lourdes Wongden
