CITY COMMISSION MEETING
August 22, 2023**

ITEM TITLE:

Ordinance on Second Reading.

An Ordinance of the City Commission of the City of Coral Gables, Florida, amending the City of Coral Gables Code by creating Chapter 2 “Administration,” Article III “Boards and Committees,” Division 11 “South Waterways Homeowners’ Associations Advisory Board,” providing for a repealer provision, severability clause, codification, and providing for an effective date. (Sponsored by Mayor Lago)

BRIEF HISTORY:

There are various communities located in the southern areas of the City of Coral Gables located along the waterways that are represented by homeowners’ associations. These communities often share common concerns and experiences unique to properties located along the waterways.

The proposed Ordinance would establish a City advisory board comprised of representatives from the various homeowners’ associations for communities located along the waterways in the southern areas of the City so that board members may provide City staff and the City Commission with their unique perspective regarding concerns common to such communities that include security, waterway use, and traffic and road issues. As proposed, each member would be designated by each of the named homeowners’ associations, subject to Commission approval.

There have been no changes since first reading. As required by Section 2-57 of the City Code for creation of new city boards, between first and second reading, the City Manager has submitted to the Commission a report setting forth the information concerning the proposed new board.
