BRIEF HISTORY:

The City of Coral Gables is often approached by not-for-profits requesting in-kind contributions. All requests of this nature must be approved by the City Commission. To expedite the requests, City staff requests in-kind contributions to Coral Gables-based non-profit organizations, with a value not to exceed \$2,000 (annually per organization) be approved administratively by the City Manager or his/her designee at his/her discretion so long as the contribution serves a public purpose.

Not-for-profit organizations depend on the number of funders and the volume of donations to effectively carry out the mission of the organization. The City Commission understands the value of not-for-profit organizations and their role in creating equitable and thriving communities.
