(B) The Commission may exercise any governmental, corporate, or proprietary power for a municipal purpose except when expressly prohibited by law, and the Commission may legislate on any subject matter on which the Legislature may act, except those subjects described in (a), (b), (c), and (d) of section 166.021(3), Florida Statutes. The subject matter of paragraphs (a), (b), (c) and (d) of section 166.021(3), Florida Statutes, are not relevant to imposition of the Assessments.

(C) The Commission enacted the Assessment Ordinance to authorize the imposition of Assessments to fund the Service Cost for the provision of Street Lighting services, facilities, and programs providing a special benefit to property located with the District.

(D) In accordance with the Miami-Dade County Home Rule Charter and Chapter 18 of the Code of Miami-Dade County, in 2020 Miami-Dade County (the

"County") enacted Ordinance No. 20-114 to create the Cocoplum Phase I Street Lighting Special Taxing District to provide Street Lighting services, facilities, and programs to properties within the District.

(E) Pursuant to Section 18-3.1 of the Code of Miami-Dade County, after approval by referendum and a joint resolution of the County and City, governance and control of the District was transferred from the County to the City to be effective on October 20, 2020.

(F) Pursuant to the interlocal agreement between the County and the City outlining the transfer of governance, the City shall be responsible for "establishing assessment rates and collecting assessments for the Special Taxing District."

(G) The Assessment Ordinance outlines the City's procedures for establishing and collecting assessments, which the Commission now desires to initiate with the adoption of this Initial Assessment Resolution for the Cocoplum Phase I Street Lighting Special Taxing District.

(H) The Street Lighting services, will provide a special benefit to all Tax Parcels/Folios located within the District by protecting and enhancing the value, use and enjoyment of such property. The provision of street lights, and the operation and maintenance of those lights will preserve or enhance the property and rental values and marketability, provide better property identification and recognition of property, and enhance the aesthetics, safety and access to property.

(I) The Street Lighting Assessments to be imposed in accordance with this Initial Assessment Resolution provide an equitable method of funding the provision of Street Lighting services, facilities, and programs by fairly and reasonably allocating the Street Lighting Service Cost to specially benefitted property, based upon the amount of

Front Footage attributable to each Tax Parcel/Folio of property in the manner hereinafter described.

(J) It is fair and reasonable and proportionate to the special benefit received to apportion the Street Lighting Service Cost among the Tax Parcel/Folios in the District based upon that property's Front Footage because the Street Lighting services, facilities, and programs will be installed, operated, and maintained along the abutting public rights-of-way.

(K) The Commission hereby finds that each Tax Parcel/Folio of Assessed Property within the District will be benefited by the City's provision of the Street Lighting services, facilities, and programs in an amount not less than the Assessment imposed against such property, computed in the manner set forth in this Initial Assessment Resolution.

SECTION 5. CONFIRMATION OF THE DISTRICT.

(A) In accordance with Section 2.01 of the Assessment Ordinance, the Commission acknowledges the District as created in Miami-Dade County Ordinance No. 20-114 and hereby confirms the District as an Assessment Area, which shall include all properties in portions of Section 32, Township 54 South, Range 41 East, of Miami-Dade County, Florida; more particularly described as follows: Lots 64 through 72 and SE ½ of Lot 73 in Block 4 of "CORAL GABLES BISCAYNE BAY SECTION I PL. beginning October 1, 2021 and future fiscal years within the boundaries of the Cocoplum Phase I Street Lighting Special Taxing District ("District"), which includes all lands shown on the map set forth above. The hearing will be held at 3:00 p.m., or as soon thereafter as the item can be heard, on September 14, 2021, in the Commission Chambers, 405 Biltmore Way, Coral Gables, Florida, for the purpose of receiving public comment on the proposed assessments and their collection on the ad valorem tax bill. All affected property owners have a right to appear at the hearing and to file written objections with the City within 20 days of this notice. If a person decides to appeal any decision made by the Commission with respect to any matter considered at the hearing, such person will need a record of the proceedings and may need to ensure that a verbatim record is made, including the testimony and evidence upon which the appeal is to be made.

As currently authorized, the assessment for each parcel of property will be based on the total front footage along the public rights-of-way that is attributed to that parcel; however, there is an ongoing petition process that may change the method of apportionment to a per Lot basis. For the Fiscal Year beginning on October 1, 2021, the City has elected to impose a \$0 assessment to await the results of the petition process. Accordingly, the maximum annual assessment is estimated to be \$0 per front foot. When imposed, the annual assessment will include each Tax Parcel's share of the service cost, plus administrative and collection costs. A more specific description is set forth in the Initial Assessment Resolution adopted by the Commission on June 8, 2021.

Copies of the Master Service Assessment Ordinance, the Initial Assessment Resolution, and the preliminary Assessment Roll are available for inspection at the Office of the City Clerk, 405 Biltmore Way, Coral Gables, Florida.

The assessments will be collected on the ad valorem tax bill to be mailed in November 2021, as authorized by section 197.3632, Florida Statutes. Failure to pay the assessments will cause a tax certificate to be issued against the property which may result in a loss of title.
