**DEPARTMENT HEAD RECOMMENDATION:**

Approval.

**PLANNING AND ZONING BOARD RECOMMENDATION:**

At the April 10, 2024 meeting, the Planning and Zoning Board recommended approval (vote: 6-0).

**BRIEF HISTORY:**

No changes have been made since First Reading.

The City of Coral Gables Public Works Department submitted an Application for consideration to vacate the remaining portion of Biltmore Drive that is north of the Blue Road traffic circle. Biltmore Drive is platted to dead-end into the canal and is not serving a purpose as an unimproved right-of-way. The right-of-way, together with the abutting lots, are only being used to provide access for canal maintenance. Additionally, the remaining portion of Biltmore Drive does not have any hardscape elements nor has any roadway development plans. The purpose of the vacation is to execute the park improvement project known as the "Blue Road Open Space" at 757 Blue Road with quality landscape design and pedestrian amenities.

**Planning & Zoning Board**

At the April 10, 2024 meeting, the Planning and Zoning Board briefly asked how the unimproved portion of Biltmore Drive will be divided to execute the park improvement project at 757 Blue Road. Staff clarified the park will cover  $\frac{3}{4}$  of the right-of-way, while the abutting neighbor will deed the  $\frac{1}{4}$  of their portion to the City.
