CITY COMMISSION MEETING
August 26, 2025

ITEM TITLE:

A Resolution of the City Commission of Coral Gables, Florida authorizing the City Manager to engage with the Florida Department of Government Efficiency for support with financial auditing, long-term planning, and improving financial controls and operational efficiency.

(Sponsored by Commissioner Castro)

BRIEF HISTORY:

On February 24, 2025, Governor Ron Desantis issued Executive Order 25-44, creating a Department of Government Efficiency ("Florida DOGE") within the Office of Policy and Budget in the Executive Office of the Governor. Executive Order 25-44 charges Florida DOGE with recommending legislative reforms to promote efficiency, maximize productivity, and eliminate waste in state and local government. Engaging Florida DOGE as a part of any process relating to the creation of a comprehensive ten-year financial plan for the City, or a full audit of City expenditures, would be a strategic first step to ensure rigor, efficiency, and transparency in these processes. The City Commission desires to authorize the City Manager to proactively engage with Florida DOGE, as set forth in the Resolution.
