

City of Coral Gables  
CITY COMMISSION MEETING  
May 21, 2024

**ITEM TITLE:**

A RESOLUTION OF THE SOUTH WATERWAYS HOMEOWNERS' ASSOCIATIONS ADVISORY BOARD RECOMMENDING THAT THE CITY COMMISSION AMEND SECTION 38-11 OF THE CITY CODE.

**BRIEF HISTORY:**

Section 38-11 of the City Code requires drivers wishing to enter an area of the City serviced by a guardhouse to roll down their windows between 11 p.m. and 6 a.m. upon the request of guardhouse personnel. The South Waterways HOA Advisory Board believes this policy is inadequate to prevent crime in their neighborhoods; thus, they would like the City Commission to amend this Section of the Code to require drivers to roll down their windows at any time of day upon the request of guardhouse personnel.
