FOLIO # 03-4130-002-0992
Recertification of Building 40 Years or Older

Gentlemen:

Miami-Dade County has notified this Department that the above referenced property address is forty (40) years old, or older, having been built in 1956.

In accordance with the Miami-Dade County Code, Chapter 8, Section 8-11(f), a Florida Registered Architect or Professional Engineer must inspect said building and a completed Recertification Report ("Report") must be submitted to this Department within ninety (90) calendar days from the date of this letter. In addition to the Report, a cover letter must state the property meets the requirement for the building recertification; no additional documents or photographs are necessary. Submittal of the Report does not constitute recertification; it must be approved.

In the event repairs or modifications are found to be necessary resulting from the recertification inspection, the Building Official is able to grant an extension of one hundred fifty (150) calendar days from the date of this letter for the owner to obtain the necessary permits and perform the repairs. Recertification will take place once a revised Report is submitted and all required permits are closed.

The Architect or Engineer chosen to perform the inspection may obtain the required Form, "Minimum Inspection Procedural Guidelines for Building Recertification," from the following link: http://www.miamidade.gov/pa/property_recertification.asp The Recertification Report fee of \$380.63 and the Filing fee of \$2.45 per document page shall be submitted to the Development Services Department, 405 Biltmore Way, 3rd Floor, Coral Gables, Florida, 33134.

Failure to submit the required Report within the allowed time will result in the referral of this matter to the City's Construction Regulation Board without further notice. The Board may impose fines of \$250.00 per day for each day the violation continues. Note an Administrative fee of \$600.00 is incurred when the case is referred to the Board.

Any questions may be directed to the Building Services Coordinator at (305) 460-5250. Thank you for your prompt consideration.

Sincerely,

Peter J. Iglesias, P.E.

RE: RECERTIFICATION – ZETA BETA TAU FRATERNITY HOUSE-1530 LIGURIA AVE, CORAL GABLES, FL 33146

Dear Mr. Lopez:

My name is Brian Kushner, and I am a Trustee and Housing Corporation President for the Zeta Beta Tau Fraternity at the University of Miami. I have received notification that our House located at 1530 Liguria Ave, Coral Gables, FL 33146 is due for recertification. Unfortunately, our receipt of this notice was somewhat delayed. The notice was sent directly to our fraternity house and seems to have been shuffled aside and was possibly unintentionally discarded by our undergraduate membership who didn't realize the importance of the notice. I became aware of the issue this morning via email received from University officials who had been contacted by Belkys Garcia of the City's Development Services Department.

It seems that our deadline for recertification is September 22nd. Upon receiving notification this morning, I immediately reached out to an Engineering Firm to get the process moving. That said, it is unlikely that the process will be completed by the deadline, and I would like to formally request an extension of time by which to complete the inspection and recertification process to ensure compliance. Please let me know if this is acceptable, and what my timeframe will be for completion.

Thank you for your understanding and assistance in this matter. Should you need to contact me, I can be reached via my cell phone at (786) 546-4598, or via email at brian.kushner@gmail.com.

Sincerely,

Brian Kushner
