

CITY OF CORAL GABLES, FLORIDA

RESOLUTION NO. 2019-315

A RESOLUTION OF THE CITY COMMISSION APPROVING A PROFESSIONAL SERVICES WORK ORDER WITH MARTINEZ ALVAREZ URBAN DESIGN, ARCHITECTURE & INTERIOR DESIGN INC. FOR BASIC SERVICES FOR THE HISTORIC RESTORATION, REPAIRS AND TENANT IMPROVEMENTS FOR THE H. GEORGE FINK STUDIO AT 2506 PONCE DE LEON BOULEVARD, CORAL GABLES, FLORIDA.

WHEREAS, the H. George Fink Studio, located at 2506 Ponce de Leon Boulevard (the “Fink Studio”), was purchased by the City on February 10, 2016, to preserve, honor, and celebrate this iconic historic building that played a critical role in the City’s early development; and

WHEREAS, on April 3, 2017, the City entered into a Professional Services Agreement (“PSA”) with Martinez Alvarez Urban Design, Architecture & Interior Design, Inc. (“Martinez Alvarez”) to provide preservation architectural and engineering consultant services to the City, attached as **Exhibit A**, and the PSA was extended on May 20, 2019 pursuant to a letter from the City, attached as **Exhibit B**; and

WHEREAS, the City commissioned Martinez Alvarez to prepare a comprehensive Building Assessment and Recommendations Report dated March 2019 (the “Assessment Report”) that contains detailed information on the condition of the building as well as a preliminary cost estimate for repairs and restoration of the original building exterior and interiors; and

WHEREAS, the City Commission deems it appropriate that the future tenant should bear the cost of the interior build-out and the City shall be responsible for funding the exterior work and historic preservation aspects of the renovation; and

WHEREAS, staff has been in negotiations with the Centro Cultural Español (“Spanish Cultural Center”) to lease the Fink Studio and reimburse the City for the cost of the interior build-out of the space to meet its needs, but the specific lease terms have not yet been agreed upon; and

WHEREAS, pursuant to Resolution No. 2019-167, the City Commission directed staff to begin the design process for the restoration of the Fink Studio; and

WHEREAS, staff has negotiated the terms of a Professional Services Work Order (“Work Order”) with Martinez Alvarez to include the Restoration and Repairs of the original historic structure and interior rooms as identified in the Assessment Report and Tenant Improvements for the proposed future tenant, the Spanish Cultural Center; and

WHEREAS, the proposed Work Order, attached as **Exhibit C**, sets forth the Basic Services for a total basic compensation to Martinez Alvarez in the amount of \$200,000.00, of which \$152,000.00 is allocated for Restoration and Repairs and \$48,000.00 is allocated for Tenant Improvements; and

WHEREAS, additionally, the proposed Work Order includes \$32,349.00 to be paid for Conservator Fees; \$20,000.00 as a Contingency Allowance; and \$4,500.00 for Optional Additional Service of cost estimating of Tenant Improvements; and

WHEREAS, given that the City has not yet entered into a lease agreement with the Spanish Cultural Center, the proposed Work Order provides that the City reserves the right to remove or modify the Tenant Improvements from the Scope of Services as necessary and that in such case, the fees shall be adjusted accordingly;

NOW, THEREFORE, BE IT RESOLVED BY THE COMMISSION OF THE CITY OF CORAL GABLES:

SECTION 1. The foregoing “Whereas” clauses are hereby ratified and confirmed as being true and correct and are hereby made a specific part of this Resolution upon adoption hereof.

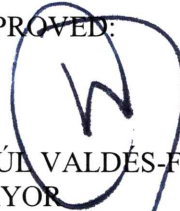

SECTION 2. That the City Commission approves the Professional Services Work Order in substantially the form attached, with such modifications as may be approved by the City Manager and the City Attorney, in order to carry out the Commission’s intent.

SECTION 3. That this Resolution shall become effective upon the date of its adoption herein.

1.3.3 Schematic Design Drawings shall include the first draft of: Site Plan, Floor Plans, Elevations and Building Sections reflecting Restoration/Repairs and Tenant Improvements. The Finalization of the Professional's services and the scope of work for the Project with City (City Representative) and Tenant shall include review of Construction Documents, overview of "Building Assessment Report March 2019" and any additional testing deemed necessary by City & Professional (including but not limited to waterproofing evaluation); and determination of required services of Engineers, Conservator and Specialty Consultants.

1.3.4 The Professional shall review the finalization of the Professional's services and the scope of work for the Project with City and Tenant to ascertain the requirements of the Project and shall arrive at a mutual understanding of such requirements with the City.

1.4 Design Development

1.4.1 Based on the mutually agreed-upon program, approval of Schematic Design Drawings and schedule requirements, upon written approval from the City, the Professional shall prepare for approval by the City, architectural drawings and other documents illustrating the scale and relationship of Project components which describe the size and character of the Project as to architectural systems, materials and such other elements as may be appropriate.

1.4.2 Design Development Drawings shall be prepared and submitted to the Board of Architects Preliminary Review, Historic Preservation Board and Historic Resources Department for Certificate of Appropriateness (per drawing and submittal requirements for the respective Boards.)

1.4.3 The Professional shall present the drawings at BOA and the Historic Preservation Board.

1.4.4 Comments from Review Boards shall be addressed in a prompt manner.

1.5 Construction Documents

1.5.1 Based on the approved BOA and Historic Preservation Board Drawings and any adjustments authorized by the City and with the City's written approval, the Professional shall proceed with the Construction Documents consisting of Drawings and Specifications setting forth in detail the requirements for the construction of the Project.

1.5.2 The Construction Documents shall consist of Basic Architectural, MEP and Structural Drawings required for Permitting.

1.5.3 The Professional shall assist the City in connection with the City's responsibility for filing documents required for the approval of governmental authorities having jurisdiction over the Project. Construction Documents shall constitute a Permit Set and shall be submitted to the City of Coral Gables, Board of Architects Final Review and required final submittals to the Historic Resources Department.

1.5.4 The Professional shall address comments from the City of Coral Gables and other governmental authorities in a prompt manner.

1.5.5 As part of Basic Services, Professional shall make all revisions to the Instruments of Service required to meet the requirements of applicable laws and the permitting requirements of governmental authorities. The term "Work" shall mean the labor, services and materials for the construction of the Project.

1.6 Cost Estimating (additional service):

1.6.1 If deemed necessary by the City or Tenant, Professional shall assist in obtaining detailed estimates of Construction Cost in Part I or Part II of the Construction Documents Phases in coordination with a Contractor as an Additional Service.

1.7 Bidding or Negotiation Phase

The Professional, following the City's approval of the Construction Documents and of the latest preliminary estimate of Construction Cost, shall assist the City in obtaining bids or negotiated proposals and assist in awarding contract. Basic Services shall include assisting City obtain bids from max. 3 bidders working concurrently. Professional shall respond to all requests for information from potential bidders within three (3) business days of receipt and shall issue addenda as appropriate.

1.8 Construction Phase

1.8.1 The Professional's responsibility to provide Additional Services for the Construction Phase under this Agreement commences with the award of the initial Contract for Construction and approval from City for such Additional Services.

1.8.2 The Professional, as a representative of the City, shall visit the site at intervals appropriate to the stage of the Contractor's operations, or as otherwise agreed by the City and the Professional: (1) to become generally familiar with and to keep the City informed about the progress and quality of the portion of the Work completed, (2) to endeavor to guard the City against defects and deficiencies in the Work, and (3) to determine in general if the Work is being performed in a manner

indicating that the Work, when fully completed, will be in accordance with the Contract Documents. However, the Professional shall not be required to make exhaustive or continuous on-site observations to check the quality or quantity of the Work. The Professional shall neither have control over or charge of, nor be responsible for, the construction means, methods, techniques, sequences or procedures, or for safety precautions and programs in connection with the Work. The Professional is not responsible for supervision of the Contractor's Work. The Professional further owes no duty of care to the Contractor and offers its observation services strictly to the City for its own use. Included in basic services are the following services of the Professional, Structural Engineer and MEP Engineer: Bi-Weekly Site Visit/Meeting (maximum 1.5 hours) and Miscellaneous Construction Phase Services to include responding to Contractor's RFI's, Reviewing Contractor's Submittals, Visiting the Site, Reviewing and Certifying Payments and rejecting non-conforming work (approx. Construction Phase of 14 months). Any site visits and meetings requested by the City exceeding such time parameters shall be deemed Additional Services. Structural Engineering services include all engineering services needed for spalling repair details. If additional services and representation beyond the services listed above are deemed necessary for the execution of the project, City and Professional shall agree, in writing, upon additional services. Special Inspection Services required of the Structural Engineer shall be per separate agreement.

1.8.3 The Professional shall keep the City reasonably informed about the progress and quality of the portion of the Work completed, and promptly report to the City (1) known deviations from the Contract Documents, (2) known deviations from the most recent construction schedule submitted by the Contractor, and (3) defects and deficiencies observed in the Work. The Professional shall be responsible for the Professional's and its Consultants' acts or omissions, but shall not have control over or charge of and shall not be responsible for acts or omissions of the Contractor, Subcontractors, or their agents or employees, or of any other persons or entities performing portions of the Work.

1.8.4 The Professional shall at all times have access to the Work wherever it is in preparation or progress. However, Professional has no responsibility to observe and report on portions of the Work performed and covered or concealed prior to Professional's observation.

1.8.5 Certificates for Payment

1.8.5.1 The Professional shall review and certify the amounts due the Contractor and shall issue certificates in such amounts. The Professional's certification for payment shall constitute a representation to the City, based on the Professional's evaluation of the Work and on the data comprising the Contractor's Application for Payment, that, to the best of the Professional's knowledge, information and belief, the Work has progressed to the point indicated, the quality of the Work is in accordance with the Contract Documents, and that the Contractor is entitled to payment in the amount certified. The foregoing representations are subject to (1) an evaluation of the Work for conformance with the Contract Documents upon Substantial Completion, (2) results of subsequent tests and inspections, (3) correction of minor deviations from the Contract Documents prior to completion, and (4) specific qualifications expressed by the Professional.

1.8.5.2 The issuance of a Certificate for Payment shall not be a representation that the Professional has (1) made exhaustive or continuous on-site inspections to check the quality or quantity of the Work, (2) reviewed construction means, methods, techniques, sequences or procedures, (3) reviewed copies of requisitions received from Subcontractors and suppliers and other data requested by the City to substantiate the Contractor's right to payment, or (4) ascertained how or for what purpose the Contractor has used money previously paid on account of the Contract Sum.

1.8.5.3 The Professional shall maintain a record of the Applications and Certificates for Payment.

1.8.6 The Professional shall have authority to recommend that the City reject Work that does not conform to the Contract Documents. Whenever the Professional considers it necessary or advisable, the Professional shall have authority to require inspection or testing of the Work in accordance with the provisions of the Contract Documents, whether or not such Work is fabricated, installed or completed. However, neither this authority of the Professional nor a decision made in good faith either to exercise or not to exercise such authority shall give rise to a duty or responsibility of the Professional to the Contractor, Subcontractors, material and equipment suppliers, their agents or employees or other persons or entities performing portions of the Work.

1.8.7 Within seven (7) days of receipt, the Professional shall review and approve or take other appropriate action upon the Contractor's submittals such as Shop Drawings, Product Data and Samples, but only for the limited purpose of checking for conformance with information given and the design concept expressed in the Contract Documents. Review of such submittals is not conducted for the purpose of determining the accuracy and completeness of other details such as dimensions and quantities, or for substantiating instructions for installation or performance of equipment or systems, all of which remain the responsibility of the Contractor. The Professional's review shall not constitute approval of safety precautions or, unless otherwise specifically stated by the Professional, of any construction means, methods, techniques, sequences or procedures. The Professional's approval of a specific item shall not indicate approval of an assembly of which the item is a component.

1.8.8 If professional design services or certifications by a design professional related to systems, materials or equipment are specifically required of the Contractor by the Contract Documents, Shop Drawings and other submittals related to Work designed or certified by the design professional retained by the Contractor shall bear such professional's written approval when submitted to the Professional. The Professional shall be entitled to rely upon the adequacy, accuracy and completeness of the services, certifications or approvals performed by such design professionals.

1.8.9 The Professional shall determine the date or dates of Substantial Completion and the date of final completion, and shall issue a final Certificate for Payment based upon a final observation indicating the Work complies with the requirements of the Contract Documents. Professional's certification shall be issued based upon Professional's actual knowledge, site observations and review of documents provided to it and shall be made in good faith.

1.8.10 The Professional shall review and respond to requests for information about the Contract Documents within three (3) business days of receipt. If appropriate, the Professional shall prepare and issue supplemental Drawings and Specifications in response to the requests for information.

1.8.11 Interpretations and decisions of the Professional shall be consistent with the intent of and reasonably inferable from the Contract Documents and shall be in writing or in the form of drawings. When making such interpretations and initial decisions, the Professional shall endeavor to secure faithful performance by both City and Contractor, shall not show partiality to either, and shall not be liable for results of interpretations or decisions so rendered in good faith.

2. Additional Services. Any services outside of the Scope of Services set forth in Section 1 require the prior written approval of the City. All Additional Services shall be broken down between Additional Services for the Restoration and Repair portion of the Project and the Tenant Improvement portion of the Project.

2.1 The Basic Services plans and specifications include all finishes based on performance standards. Special Interior Design Selections and Specifications are not included in the Basic Services and if requested or required shall be performed as Additional Services or under separate agreement.
