**WALK-THROUGH OF SITE AT 1256 CASTILE AVENUE (RELATED TO CASE
FILE COA (SP) 2008-10)**

Historic Preservation Board Members Joyce Meyers and Dorothy Thomson were led on a site tour by Herbert Brito, project architect. The discussion included: original finishes, existing conditions, room layout, proposed plans and elevations, ownership and site improvements.

Ms. Meyers suggested that the driveway be shown on the site plan drawings. Mr. Brito indicated his agreement with the suggestion.

Ms. Thomson stated that she would most likely be on vacation at the regular August 21, 2008 Historic Preservation Board meeting, but that were she there, she would look favorably on the proposed project.

The site visit concluded at 6:45 P.M.

Respectfully submitted,

Kara N. Kautz
Historic Preservation Officer
