 CITY COMMISSION MEETING
 September 24, 2024

ITEM TITLE:

Ordinance on First Reading:

An Ordinance of the City of Coral Gables, Florida, amending the Code of the City of Coral Gables, Florida, Chapter 2, Entitled “Administration,” Article III “Boards, Commissions, Committees,” Division 1 “Generally” by amending Section 2-52 “Qualification and Appointment of Members” in order to expand the benefits offered to members of City boards; providing for a repealer provision, severability clause, codification, and an effective date.

(Sponsored by Mayor Lago)

BRIEF HISTORY:

The City regularly seeks the input, engagement, and expertise of its residents, visitors, businessowners, stakeholders, and other interested parties through appointments to its various boards and committees. Members of City boards and committees freely volunteer their time, efforts, and knowledge for the benefit of the City, its residents, businesses, and stakeholders. In recognition of their contributions, the City currently provides board members with access to certain City recreation facilities for free or at a reduced cost during their appointed term through its codified pass policy. The City’s Community Recreation and Parks Department has confirmed that it is able to register a board member’s household to provide them access to those benefits at certain City recreation facilities, regardless of whether the board member is also present.

In further recognition of the contributions of City board members, the Commission desires to expand its pass policy to extend access to certain City recreation facilities free of charge for a board member’s spouse or domestic partner and immediate family members who are seventeen years of age or younger and registered as part of the board member’s household.

No changes have been made since this item was first heard on Sept. 10, 2024.
