Mr. Behar: Good morning Mr. Mayor, Commissioners, Bobby Behar, 600 Brickell Avenue, representing Belmont Village and Baptist Health of South Florida, the owners and developers of the property located at 4111 Salzedo Street. Just a little background. The project, Belmont Village, was approved in May of 2022, sorry, May of 2020, and was well received by the community. We are here today simply to consolidate several platted lots into one platted lot.

Mayor Lago: Mr. Clerk.

Public Works Director Diaz: This is the final plat for the Belmont Residence Project. As Mr. Behar mentioned, on May 26, 2020, the City Commission approved an assisted living facility, probably known as Bellmont Village, which is a ten-story building with 232 assisted living units and ground floor, commercial uses. The project is located south of Bird Road at 4111 Salzedo. The Planning and Zoning Board approved the tentative plat on a vote of 6-0 on February 12, 2020. The final plat has been reviewed by the Public Works Department and Development Services and...of approval. We will have to go to Miami-Dade County for final plat approval and recordation.
