Application Request

Request is for tentative plat review for the property located at 444 Valencia Avenue, as follows:

“Resolution of the City Commission of Coral Gables approving the Final Plat entitled “Townhouse on Valencia Phase II” pursuant to Zoning Code Article 3, Division 9, “Platting/Subdivision”, being a re-plat of an approximately 0.27 acre property into four (4) platted lots for four (4) residential townhouses on property assigned Multi-Family Special Area District (MFSA) zoning, on the property legally described as Lots 1-4, Block 15, Biltmore Section (444 Valencia Avenue), Coral Gables, Florida; providing for an effective date.”

The proposed tentative plat requires public hearing review by the Planning and Zoning Board, prior to the preparation of the Final Plat which requires City Commission review at one (1) public hearing (Resolution format).

Summary of Application

444 Valencia Avenue, Inc. (hereinafter referred to as “Applicant”), has submitted an application for Subdivision Review for a Tentative Plat (hereinafter referred to as the “Application”) for City of Coral Gables review and public hearing consideration. The application package submitted by the Applicant is provided as Attachment A.

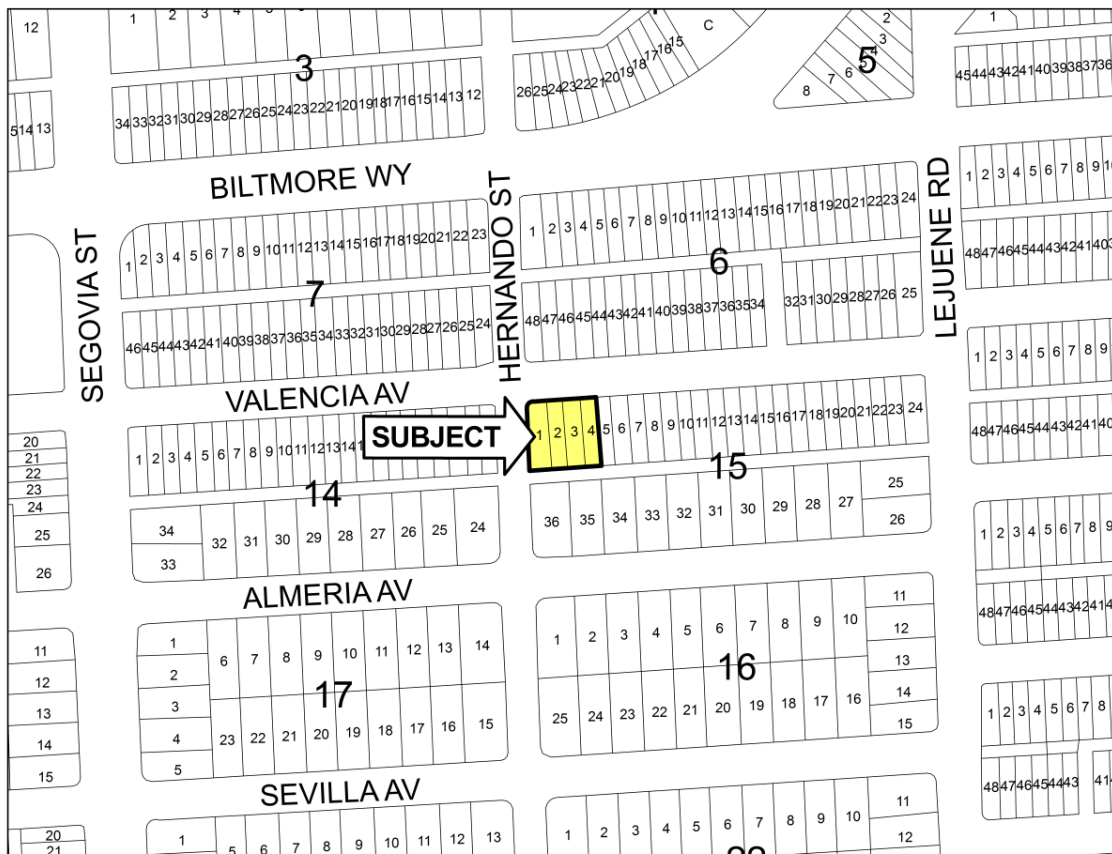

The request is to re-plat an existing 108’ x 110’ property consisting of four (4) platted lots into four (4) platted lots that are of equal width of the townhouses proposed to be constructed on the site. The purpose of the replat would be to allow the developer to sell the townhouses as fee simple rather than requiring the formation of a condominium for the townhouses. The configuration of the platted lots

would remain essentially the same. There are currently three (3) existing interior plated lots each with a width of 25'-0", and the existing corner plated lot has an approximate width of 33'-0". The tentative plat proposes three (3) interior plated lots each with a width of 24'-4" and a corner plated lot with an approximate width of 35'-5".

Proposed plans for the four (4) townhouses are not required to be submitted for review with the replat application. They have, however, been provided by the Applicant for reference purposes. The townhouses proposed for construction on this site is the second phase of a larger planned development. The first phase of the development was the construction of the existing three (3) townhouses adjoining this property to the east. Those townhouses were constructed in 2013. An existing two story apartment building with eight (8) residential units and a garage structure are currently located on the property, and would be demolished to allow for the construction of the townhouses.

The property is located on the southeast corner at the intersection of Valencia Avenue and Hernando Street, and is legally described as Lots 1-4, Block 15, Biltmore Section (444 Valencia Avenue), Coral Gables, Florida, as shown in the following location map:

Proposed Tentative Plat

Findings of Fact

This section of the report presents City Staff’s evaluation of the Application and Findings of Facts. The City’s responsibility is to review the Application for consistency with the City’s Comprehensive Plan (CP) Goals, Objectives and Policies, compliance with the Zoning Code and compliance with other applicable portions of the City Code.

Findings of Fact- Tentative Plat Review

The procedure for reviewing and recommending a tentative plat is contained in Sections 3-901 through 3-904 of the Zoning Code. The Planning and Zoning Board provides a recommendation on tentative plats to the City Commission. The final plat is prepared from the tentative plat, with a final review and approval in resolution form by the City Commission. Administrative review and approval of the final plat is required by the Miami-Dade County Subdivision Department prior to the City Commission hearing. The tentative plat is provided in the submitted Application (see Attachment A).

Proposed Zoning Plan

The tentative plat entitled “Townhouse on Valencia Phase II” proposes re-platting the four (4) platted lots into four (4) platted lots that are of equal width of the townhouses proposed to be constructed on the site. The property’s zoning designation would not change as a result of this re-plat and all platted lots would remain zoned as Multi-Family Special Area District (MFSA). All four (4) platted lots would be deemed to face onto Valencia Avenue. The townhomes proposed to be constructed on the property would be required to meet all requirements and provisions specified in the Zoning.

Other Reviews

As required by Code, comments were solicited from affected utility companies regarding the tentative plat. No objections were received from Florida Power and Light Company, Miami-Dade Water and Sewer Department, AT&T, Florida City Gas or Comcast concerning this re-plat. Copies of each of the utility companies’ review letters are included in the application package provided as Attachment A.

City Staff Review

This tentative plat was submitted for review to the Development Review Committee (DRC) and distributed to City Departments as required in Zoning Code Section 3-902. The Zoning Code requires review and comments be provided by the Public Works Department with Staff’s report and recommendation. In a memorandum dated 06.22.15 the Public Works Department stated the Department does not object to the proposed tentative plat and provides comments stating required letters have been received from utility companies and that review is required by the Public Works Department and Miami-Dade County prior to final plat consideration by the City Commission (see Attachment B).

Consistency Evaluation of the Comprehensive Plan (CP) Goals, Objectives and Policies

This section provides a detailed analysis of the CP providing a basis of consistency, and finds the following CP Goals, Objectives and Policies are applicable.

Consistent CP Goals & Objectives and Policies are as follows:

Ref. No.	CP Goal, Objective and Policy	Staff Review
1.	Goal FLU-1. Protect, strengthen, and enhance the City of Coral Gables as a vibrant community ensuring that its neighborhoods, business opportunities, shopping, employment centers, cultural activities, historic value, desirable housing, open spaces, and natural resources make the City a very desirable place to work, live and play.	Complies
2.	Objective FLU-1.2. Efforts shall continue to be made to control blighting influences, and redevelopment shall continue to be encouraged in areas experiencing deterioration.	Complies
3.	Policy FLU-1.3.2. All development applications in residential neighborhoods shall continue to be reviewed by applicable boards and committees to ensure the protection from intrusion by incompatible uses that would disrupt or degrade the health, safety, tranquility, aesthetics and welfare of the neighborhood by noise, light, glare, odor, vibration, dust, hazardous materials or traffic. The City will continue to enforce the adopted restrictive design standards; historic preservation policies and the applicable performance standards of the Commercial Limited designation in the Zoning Code.	Complies
4.	Objective FLU-1.11. Maintain a pattern of overall low density residential use with limited medium and high density residential uses in appropriate areas to preserve the low intensity and high quality character of the residential neighborhoods.	Complies
5.	Policy FLU-1.11.1. Maintain and enforce effective development and maintenance regulations through site plan review, code enforcement, and design review boards and committees.	Complies
6.	Objective FLU-1.13. The City shall enforce the recently adopted Zoning Code which creates, preserves and maintains scenic vistas in keeping with the classic traditions as embodied in the original city plan.	Complies
7.	Objective FLU-1.14. The City shall enforce Zoning Code provisions which continue to preserve and improve the character of neighborhoods.	Complies
8.	Goal FLU-3. The City as a part of its development review process shall engage public/community participation and collaboration to provide for a transparent development review process.	Complies
9.	Objective FLU-3.1. The City shall continue its efforts to notify stakeholders, residents, property owners and neighborhood associations of pending development reviews to provide transparency within the development process.	Complies
10.	Objective DES-1.1. Preserve and promote high quality, creative design and site	Complies

11.	Policy DES-1.1.1. Promote and support George Merrick’s vision consistent with the established historic and cultural fabric of the City.	Complies
12.	Policy DES-1.1.5. Promote the development of property that achieves unified civic design and proper relationship between the uses of land both within zoning districts and surrounding districts, by regulating, limiting and determining the location, height, density, bulk and massing, access to light and air, area of yards, open space, vegetation and use of buildings, signs and other structures.	Complies
13.	Policy DES-1.1.6. Maintain the character of the residential and nonresidential districts, and their peculiar suitability for particular uses.	Complies
14.	Policy DES-1.1.7. Preserve residential properties to assure that future development will be in conformity with the foregoing distinctive character, with respect to type, intensity, design and appearance.	Complies

Staff Comments: The above evaluation indicates that this Application is “consistent” with the CP’s goals, objectives and policies.

Public Notification and Comments

The Zoning Code requires that a courtesy notification be provided to all property owners within 1,000 feet of the subject property. The notice lists the type of applications filed, proposed public hearing dates/time and location where the application files can be reviewed.
