**Synopsis:**

Vehicle Burglaries 1200-Blk Cortez Street. Case# 16005677

During the morning hours of July 30<sup>th</sup>, 2016 Officer Raul Sheran was on routine patrol when he saw three males riding their bicycles without appropriate lighting. Officer Sheran was intrigued and approached to investigate. He made contact with the three males and began an investigation. During his interaction with the three males it was found that they were engaged in car hopping. There were various pieces of property that were impounded for safekeeping to be identified at a later time in furtherance of the investigation.

It is this kind of initiative and a desire to be proactive that allowed officer Sheran to be in the right place at the right time. At this point it is unknown if the three male subjects were engaged in previous criminal activity throughout the city. During the interview, officer Sheran used all resources at his disposal to gather appropriate evidence for a successful prosecution. CID investigators were also called in to assist in the investigation. In addition to his initiative, officer Sheran used his intuition and experience to discover necessary information and further the investigation. The three males were arrested for loitering and prowling.

Therefore, I respectfully nominate Officer Raul Sheran for the Officer of the Month award for July 2016.
