BUILDING OFFICIAL'S RECOMMENDATION:

- A.** The property owner has failed to comply with the original order; therefore, all provisions of the original order, including fines or deadlines, remain in full force and effect and the fines shall run retroactive to the deadline in the original order, and until the original order is fully complied with.
- B.** That the Property Owner submit current structural and electrical recertification reports and cover letters, as applicable, appropriately signed and sealed by a Florida-licensed professional engineer or architect, within thirty (30) days of the Board's meeting.
- C.** That the Property Owner submit appropriately signed and sealed safe-to-occupy letters for both the Structural and Electrical Recertification, as applicable, within thirty(30) days of the Board's meeting attesting that the building's structural and electrical systems are safe for occupancy while repairs are undertaken, and that updated safe-to-occupy letters be submitted every six (6) months thereafter while recertification is pending.
- D.** Immediately obtain and close all necessary permits as applicable to perform repairs needed to recertify the structure.
- E.** That the Building Official shall thereafter take any measures within his authority, as set forth in City or County Code and Florida law, to ensure the safety of the building, its occupants, and the surrounding areas, including but not limited to evacuating the structure, disconnecting utilities, and demolition of the structure.
- F.** That a \$500 daily fine be imposed if **a)** any of the above deadlines are not met, or **b)** if the building is not recertified within 45 days of the board's meeting, in addition to fines previously imposed, until the building is fully recertified.
