CITY COMMISSION MEETING

ITEM TITLE:

Congratulations to Reinaldo "Rey" Munoz, recipient of the Katherine McClary MV Operator of the Year Award.

BRIEF HISTORY:

MV Transportation is a large Transit Provider that employs approximately 15,000 Operators in North America. Annually they recognize one of their Operators as the Operator of the Year based on safety and customer service considerations. This year the Katherine McClary MV Operator of the Year is Reinaldo "Rey" Munoz. Rey has worked in transit for seven years and as a member of the MV family since 2017. He is currently an operator for the Coral Gables Trolley fixed-route service and has a perfect driving record with no preventable accidents or passenger complaints during his entire seven-year transit career.

Rey takes his profession very seriously and works hard to improve himself each day. His passengers absolutely adore him, and he treats them and his co-workers like family.

The award was established to honor the memory of Katie McClary, who was tragically killed in a bus accident in 2004 and meant to keep an everlasting light on the importance and commitment to safety.
