

City of Coral Gables  
CITY COMMISSION MEETING  
October 26, 2021

**ITEM TITLE:**

**Ordinance on Second Reading.** An Ordinance of the City Commission of Coral Gables, Florida, providing for text amendments to the City of Coral Gables Official Zoning Code, Article 9, “Art In Public Spaces”, Section 9-106 to redefine “Extraordinary Maintenance”

**BRIEF HISTORY:**

Coral Gables has a proud history of incorporating public art in the landscape of the City to create both function and beauty. The City established an Ordinance in 2007 that took into consideration the maintenance of this City’s Art in Public Places.

The City has been administering the Art in Public Places program and finds that certain amendments to the Zoning Code would be beneficial to allow for the continued maintenance and repairs of the Art in Public Places-through the existing Art in Public Places fund.

This item was presented to the Commission on first reading on July 13, 2021. At the request of the Commission, it was then taken to the Cultural and Arts Advisory Panel and the Cultural Development Board for review and comments. The attached draft incorporates the recommended changes from both boards.
