

CITY OF CORAL GABLES

- MEMORANDUM -

TO: MICHAEL C. MILLER
AWARDS SELECTION COMMITTEE

DATE: APRIL 3, 2017

FROM: A/MAJOR BRIAN LAWRENCE *BA*
SPECIALIZED ENFORCEMENT DIVISION

SUBJECT: OFFICER OF THE MONTH
NOMINATION

Please accept this memorandum on behalf of **OFFICER JOEL RIOS** as I believe he should be recognized as the **OFFICER OF THE MONTH** for **MARCH 2017**. The particulars for the basis of the nomination are stated below.

On Saturday, March 25, 2017, Officer Joel Rios was assigned to zone patrol to assist the Uniform Patrol Division with personnel shortages. He was actively patrolling his assigned area when he received a dispatch call that a vehicle burglary had just occurred in the swale area of 1711 Segovia Street. Officer Joel Rios immediately responded and made contact with the victim. Officer Joel Rios began the initial investigation and learned that the victim had suffered the loss of electronics, a briefcase, and files that are used for his business. Upon further questioning, Officer Joel Rios learned that one electronic item (an Apple IPAD) had a locator mechanism installed.

Officer Joel Rios had the victim activate the locator mechanism for the IPAD. The parties on scene subsequently learned that the device was at a location in the City of Miami (i.e. GPS). Officer Joel Rios organized backup officers and responded to the location in Miami. Upon arrival, the victim activated an alarm signal for the device and the officers subsequently heard the device sounding from inside a bedroom at the subject's house. The City of Miami Police Department was notified and all officers on scene surrounded the home. A short time later, the juvenile subject and his mother responded outside and spoke to officers. Officer Joel Rios informed the juvenile subject of his Miranda Rights and continued the investigative process. Officer Joel Rios was able to recover the IPAD thus making the victim feel satisfied and whole. Officer Joel Rios utilized all resources necessary for this case including the call in of Crime Scene personnel and notification of the Crimes Against Property Unit. The juvenile subject was transported to the Coral Gables Police Department for further questioning and processing before being delivered to the Juvenile Assessment Center (JAC).

Officer Joel Rios displayed dedication in going "above and beyond" in recovering the victim's property and I humbly request that he be considered as the Officer of the Month. Thank you for your time and consideration. Please see the attached paperwork including Arrest Report and Incident/Investigation Report.
