BRIEF HISTORY:

On September 10, 2017, at 2021 hours, as the strong winds from Hurricane Irma subsided the Coral Gables Police Department received a call of a business that had been burglarized. At the time the call was received units were still not able to leave the station due to the storm conditions. Once units were clear to go out, Officer Dickinson was assigned to handle a burglary to a business, Crema, a coffee shop on Miracle Mile.
