

Section 3-315. Open-air dining on public property, as accessory to a restaurant:

No awning, canopy or covering of any kind, except individual table umbrellas, shall be allowed over any portion of the open-air dining area located on public property except as allowed under separate covenant process.

Umbrellas shall be fire-retardant, pressure-treated or manufactured of fire-resistant material. No portion of an umbrella shall be less than six (6) feet eight (8) inches above the right-of-way. Two (2) or more umbrellas may not be clipped, zipped or otherwise fastened together in order to form a tent like structure. Clear plastics or other materials may not be fastened, rolled or otherwise be attached to umbrella edges in order to create an enclosure.
