

City of Coral Gables  
CITY COMMISSION MEETING  
September 28, 2022

**ITEM TITLE:**

**RESOLUTION.** A RESOLUTION OF THE CITY COMMISSION OF THE CITY OF CORAL GABLES, FLORIDA, PROVIDING DIRECTION TO THE CITY MANAGER REGARDING DOGS AT CATALONIA PARK (Sponsored by Commissioner Anderson)

**BRIEF HISTORY:**

The City has previously installed informational signage at Catalonia Park to address issues with dog owners who allow their pets to run off-leash throughout the park creating a concern over the safety of children playing in the park.

The City Commission had asked staff to explore the ability and cost to install temporary dog fencing within Catalonia Park to create two safe spaces for children and animals alike and after studying the issue the City Commission determined that alternatives to the fencing option within Catalonia Park would be the best use of the City's resources the City Commission would like to encourage the use of nearby dog parks.

The City Commission would like to inform residents of other dog friendly parks, such as Barker Park, and of new off-leash dog parks that will be operational in coming months.
