Staff has prepared Zoning Code text amendments to establish provisions for Driveways in Multi-Family 1 Duplex (MF-1) District and clarifying provision regarding convex mirror.

**Garages and Driveways** - Per Section 2-102 of the Zoning Code, the full width of a garage shall not exceed one-third (1/3) of the width of the duplex façade, and that building site less than one-hundred (100) feet of street frontage shall be limited to one (1) curb-cut.
