**Re: Notice of Unsafe Structure, Notice to Vacate, and Notice of Emergency Action to
secure the 3-story commercial structure ("Structure") located at 4800 Le Jeune
Road, Coral Gables, Florida ("Property")**

Dear Property Owner:

After an inspection of the Property, the undersigned has decided to hereby declare the Structure unsafe, as provided in Article III, Chapter 105 of the City of Coral Gables Code, entitled "Unsafe Structures". The Structure is declared unsafe because it is in violation of the following subsections of Section 105-89 of the City Code, entitled "Physical criteria for unsafe structures":

**(10) A structure shall be presumed to be unsafe if one or more of the following
criteria applies:**

- (i) The construction of the structure or the construction or installation of systems or components within the structure has been commenced or completed without a permit or all of the required inspections or where the permit has expired prior to the required final inspections**

and the issuance of a certificate of occupancy or certificate of completion.

Specifically, you have performed extensive interior demolition without a permit, the electrical box was removed without a permit, and you allowed the permit for the interior renovation (painting and flooring)(permit number BL16-05-6522) and windows (permit number BL-16-06-6488) of the Structure to expire on 10-14-16 and 2-21-16, respectively.

Pursuant to Section 105-94 of the City Code, entitled "Abatement required", all unsafe structures or systems are declared illegal and shall be vacated and the unsafe condition shall be abated by repair, rehabilitation, or demolition. Therefore, you must apply for, obtain, and pass final inspection on all required development approvals, including, but not limited to, building permits, to bring the structure into compliance with the applicable codes.

Please be advised that, due to the health and safety hazard in the Structure, the City is declaring the Structure unsafe and is taking emergency action, pursuant to Section 105-96 of the City Code, to immediately secure the Structure by installing a fence around the perimeter of the Property ("Emergency Action"). Additionally, **the City is requesting that Florida Power & Light, without any further notice, immediately disconnect the power to the Structure.** The City may impose a special assessment lien on the Property for the costs of the corrective Emergency Action, pursuant to Section 105-98 of the City Code.

Please note that it shall be unlawful for any person, firm, or corporation or their agents to remove this notice without written permission from the Building Official, or for any person to enter the Structure, except for the purpose of correcting the violations.

You may also immediately contact me to make arrangements to undertake the Emergency Action yourself. Otherwise, you have the right to appeal this decision to the City's Construction Regulation Board ("Board"). Filing an appeal will not prevent the City from taking the Emergency Action, but the Board shall decide whether you can be held responsible for the costs of the Emergency Action.

Your cooperation in this matter is greatly appreciated.

Sincerely,

Suramy Cabrera, P.E.

Please see Manny about posting unsafe. The electrical work was never completed and, according to the owner's testimony at CEB, people have been trespassing and someone stole the electrical panel. The owner does not have any security on this property, there are continued issues with people trespassing, the expired permits have been expired for years, the owner has not made any progress to get the expired work and permits reactivated and completed, therefore, please post property.

Cristina, should we include Alex on this case?

Thank you,

Dear Suramy:

Please find attached the recorded lien for the 2018 case. The owners also entered into the attached agreed order on 5-18-22. The property is already in foreclosure. The mortgagee filed the foreclosure in February 2022. The City filed its answer asserting its lien and the pending code enforcement action on 4-13-22. At that time the fines were \$194,250. Fines are still accruing at \$250 per day.

The deadline to obtain the roof permit, pursuant to the agreed order in the new code enforcement case, was 6-20-22 and the owner submitted an extension request (for all of the pending violations) that was being processed when the officer found that there was work being conducted without a permit. I attached the NOV, which I understand is being converted to a citation.

The owner did apply for a roof permit on 4-21-22 and had to re-submit on 5-4-22. Manny approved it today and it is awaiting review by the City architect. (See comments below).

On 7-1-22, the owner asked a question that I forwarded to the City on 7-5-22 regarding the permit application for the other work they would like to do on the structure to correct the violations in the old order. (Please see the email below.) Please let me know what to tell the owner.

Also, please let me know if you would like me to ask Virginia to put this case on the next CRB agenda or if the foregoing is sufficient for now.

Thanks!

Thank you for your email. During a recent follow up with the City, I was informed that my request on revisions were not going to be accepted and that a "new" permit would be required. I was informed that they would be canceling the old permit and we needed to start over- start the application all over again. Frankly this did not make sense to me. However, this is certainly causing delay and more expense to me. Perhaps you can assist or clarify

All your efforts are appreciated

Very truly yours,

This property has been a major issue for a few years. We took them to CEB before Covid and they had an order, which they ignored. Running fines should have started and the property should have already been liened. Please advise on the status of the lien. I want to proceed with taking them to CRB and move forward with foreclosure.

Doug, please work on this with relevant staff and provide an update by Wednesday.

Subject: Re: 4800 S. Le Jeune Rd

Good afternoon,

Upon inspection today, there are several contractors working up stairs. And roofing trucks outside. Their interior build out permit BL-16-05-6522 is expired and I issued a RED tag.

The roof worker I spoke to said they were doing a repair and the Lead contractor I spoke to, said they were only measuring for an estimate. No roof permit applied for.

Moreover, construction workers, including roofers, were present and were working on July 7, 2022, even though there were no active permits on the Property.

You have the right to be represented by an attorney and may present and question witnesses and evidence; however, formal rules of evidence shall not apply. Failure to appear at the hearing will result in the matter being heard in your absence. Requests for continuance must be made in writing to , Secretary to Virginia Goizueta the Board, at City of Coral Gables, Development Services Department, 405 Biltmore Way, 3rd Floor, Coral Gables, FL 33134, vgoizueta@coralgables.com, tel: (305) 460-5250. The Development Services Department's hours are Monday through Friday, 7:30 a.m. to 2:30 p.m.

If the Required Action is not completed before the above hearing date, the Building Official may order that the structure be vacated, boarded, secured, and posted (including but not limited to, requesting the electric utility to terminate service to the Structure) to prevent further occupancy until the Required Action is completed. The Building Official may also order demolition of the Structure and the City may recover the costs incurred against the Property and the Owner of record.

If the Property owner or other interested party does not take all Required Action or prevail at the hearing, the Construction Regulation Board may impose fines not to exceed \$1000 for each day the violation continues past the date set for compliance and may also enter an order of demolition and assess all costs of the proceedings, in an amount not less than \$600, and the costs of demolition and other required action, for which the City shall have a lien against the Property owner and the Property.

On interior permit (BL-16-05-6522), originally the permit was extended to February, 2022. However, as you know, that permit was canceled in December, 2021 by the City. In January, 2022, unaware of the cancelation, we submitted revisions. Then in February, 2022, we were advised of the cancelation of the permit and we were given a new permit number (BLDB-22-06-0795). That is running its course. The architect advised me that the revisions are currently being addressed with the mechanical engineer. I hope to have the revision ready for submittal soon.

Petitioner,

Return receipt number:

NOTICE OF ORDER DECLARING STRUCTURE UNSAFE

This cause was brought before the Construction Regulation Board ("Board") of the City of Coral Gables ("City"), on August 8, 2022 on the Notice of Unsafe Structure Violation and Notice of Hearing ("Notice"). The Board, having heard the arguments of the parties and having considered any evidence presented, hereby enters this Order Declaring Structure Unsafe ("Order") and finds, concludes, and orders as follows:

Findings of Fact

1. The City properly served all required notices on the owner, Properties 4 US, Inc. ("Owner"), and any lienholders of record for the property located at **4800 S. Le Jeune Rd**, legally described as set forth in the attached Exhibit "A" and bearing Property Appraiser's folio number 03-4120-022-4000 ("Property"), and the three-story commercial building on the Property, built in 1985 ("Structure").
2. On July 26, 2022, the Building Official declared the Structure unsafe because the Owner had performed extensive interior demolition and renovations without a permit when it allowed the permits for the interior renovation (painting and flooring)(permit number BL16-05-6522) and replacement of the windows (permit number BL-16-06-6488) of the Structure to expire on October 14, 2016 and February 21, 2016, respectively. As of the date of the hearing, the Owner had not applied to extend the expired development approvals, including, but not limited to, building permits, to renovate the Structure ("Permits"). These permits have not been re-opened, even though the Owner was provided notice of the violations on October 26, 2018 and again on June 23, 2021.
3. Therefore, **the Structure is hereby declared unsafe** pursuant to §§ 105-89 (3) and (10)(i) and (10)(l) of the City Code.

Order

4. It is, therefore, **ORDERED** that the Owner shall obtain and pass final inspection on the Permits to repair the Structure or, instead, to demolish the Structure ("Required Action") as follows: **A.** Obtain and

pass final inspection on the Permits within thirty (30) days of the date of this Order; **B.** Provide a construction schedule as requested by the Building Official.

5. *Request for compliance inspection.* It is the responsibility of the Owner to request an inspection of City records and of the Property, as applicable, to determine compliance with this Order and to notify the City of any compliance action taken.

6. *Payment of costs, fines, and demolition by City.* The Owner shall pay, within 7 days of the date of this Order, the City's administrative costs to date of \$600, in addition to the costs of recording this Order. If the Owner does not comply with any of the applicable deadlines above, the Building Official may immediately and without further order from this Board, order that the structure be vacated, boarded, secured, and posted (including, but not limited to, requesting the electric utility to terminate service to the Structure) to prevent further occupancy and the City may demolish the Structure. The City may sell as salvage or require the demolition contractor to dispose of the contents of the Structure. In addition, the Owner shall pay a fine of \$250 for each day the violation continues past the date set for compliance, for which the City shall have a lien against the Owner and the Property. The Board may also enter an order of demolition and assess all costs of the proceedings and demolition and other required action for which the City shall have a lien against the Owner and the Property. Until the Structure is recertified in compliance the terms of this Order, the City shall not issue any further development approvals for the Property, including, but not limited to, building permits, unless the development approval is required to comply with the terms of this Order.

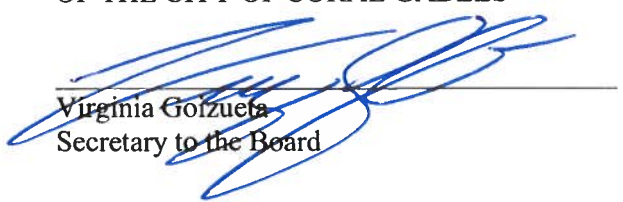

7. *Lien for costs and notice to subsequent purchasers.* The City shall have a special assessment lien for its administrative costs, the costs of corrective action, and any fines imposed by the Board, including but not limited to, securing the Structure and demolition ("Costs"), against the real and personal property of the Owner, including the Property. The lien for Costs shall have equal dignity with a lien for taxes. In order to have this lien, the City shall record this Order and an affidavit for any additional Costs, as applicable. Once recorded in the Public Records of Miami-Dade County, Florida, a copy of this Order shall constitute notice to any subsequent purchasers, successors in interest, or assigns, and the findings herein shall be binding upon the Owner and any subsequent purchasers, successors in interest or assigns.

8. *City's remedies are cumulative.* This Order notwithstanding, the City may enforce its code by any other lawful means.

9. **NOTICE:** If the Respondent does not comply with the terms of this Order, the City may issue a Notice of Non-Compliance ("Notice"). The Respondent may request an administrative hearing that shall be strictly limited to determining whether the Respondent complied with the terms of this Order. Requests for a hearing must be made in writing to Virginia Goizueta, Secretary to the Board, at City of Coral Gables, Development Services Department, 405 Biltmore Way, 3rd Floor, Coral Gables, FL 33134-5717, vgoizueta@coralgables.com, tel: (305) 460-5250. The Development Services Department's hours are Monday through Friday, 7:30 a.m. to 2:30 p.m. Failure to request an administrative hearing within twenty (20) days after service of the Notice shall constitute a waiver of the Respondent's right to the hearing. The Respondent shall be liable for the reasonable costs of the administrative hearing if the Respondent does not prevail at the hearing.

DONE AND ORDERED at the City of Coral Gables, Miami-Dade County, Florida, on this 23 day of August, 2022.

NOTICE OF NON-COMPLIANCE AND INTENT TO LIEN

Date: September 30, 2022

Re: **4800 S. Le Jeune Rd**, legally described as set forth in the attached Exhibit "A" and bearing Property Appraiser's folio number 03-4120-022-4000 ("Property"), and the three-story commercial building on the Property, built in 1985 ("Structure")

On August 23, 2022, the City's Construction Regulation Board entered an order in this matter imposing a deadline for compliance and providing for the accrual of fines for each day that the non-compliance continues and for payment of administrative and investigative costs, as applicable ("Order"). According to our records, you did not comply with the deadline in the Order or pay the costs. Moreover, fines have accrued that also have not been paid. Therefore, the City intends to record a certified copy of the Order in the Public Records of Miami-Dade County, Florida, which will constitute a lien.

The amount currently due is \$2,380, which may be accruing additional fines on a daily basis and may include administrative and investigative costs.

You may request an administrative hearing which shall be strictly limited to determining whether and when you corrected the code violations and paid the civil penalties and costs, if any, as required by the Order. You may file a written request for hearing within twenty (20) days of the date of this notice. Failure to timely request an administrative hearing shall constitute a waiver of your right to the administrative hearing and the City shall record a certified copy of the Order, which shall create a lien on all of your non-exempt real and personal property. Any applicable fines shall continue to accrue while the hearing is pending and, if you are not successful at the hearing, fines will have accrued retroactive to the deadline in the Order. You shall also be liable for the reasonable costs of the administrative hearing, if you are unsuccessful at the hearing. Your immediate attention to this matter would be appreciated. Please call me at 305-460-5250 to discuss your options regarding fines associated with this case.

Estimado infractor(es):

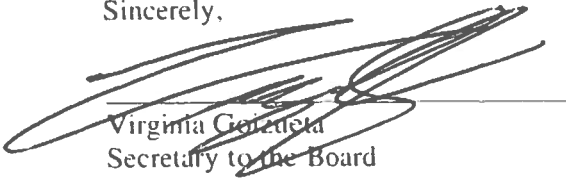

El 23 de agosto de 2022, la Junta de Regulación de Construcción de la Ciudad sometió una orden en este asunto fijando un plazo para el cumplimiento de esta orden y aceptando la acumulación de multas por cada día en que el incumplimiento continúe y para el pago de los gastos administrativos y costos de investigación, según corresponda ("Orden"). De acuerdo con nuestros registros, usted no cumplió con la fecha límite en la orden ni pagó los costos. Además, se han acumulado multas que tampoco se han pagado. Por lo tanto, la Ciudad tiene la intención de registrar una copia certificada de la Orden en los Registros Públicos del

Condado de Miami-Dade, Florida, que constituirá un gravamen.

El monto debido hasta la fecha es \$2,130, el cual puede estar acumulando multas adicionales sobre una base diaria y puede incluir costos administrativos e investigativos.

Usted puede solicitar una audiencia administrativa que se limitará estrictamente a determinar si y cuando usted corrigió las violaciones del código y pagó las sanciones civiles y los costos, si los hubiera, según lo requiera la Orden. Usted puede presentar una solicitud por escrito para la audiencia dentro de los veinte (20) días de la fecha de este aviso. Al no solicitar una audiencia administrativa esto constituirá una renuncia a su derecho a la audiencia administrativa y la Ciudad registrará una copia certificada de la Orden, la cual creará un gravamen sobre todas sus propiedades reales y personales que no estén exentas. Todas las multas aplicables seguirán acumulando mientras la audiencia esté pendiente y, si no tiene éxito en la audiencia, las multas se acumularán retroactivamente hasta la fecha plazo de la Orden. Si usted no tiene éxito en la audiencia, también será responsable de los costos razonables de la audiencia administrativa. Se necesita su atención inmediata a este asunto. Por favor, llámeme al 305-460-5250 para discutir sus opciones en relación con las multas asociadas por este caso.

Sincerely,

Virginia Goetz
Secretary to the Board

Yes of course I request a hearing. I thought we were set to bring up the timing of compliance before the board in the upcoming weeks and that the since time in the agreement and the time to bring before the board is a product of holiday and the board not otherwise in session that it would not be counted against me. If that is the case, why then the notice of intent to lien

6. To permit, commit or suffer no waste, impairment or deterioration of said property or any part thereof, and upon the failure of the Mortgagor to keep the buildings on said property in good condition or repair and maintenance, the Bank may demand proper maintenance and the immediate repair of said buildings, or an increase in the amount of security, or the immediate repayment of the debt hereby secured, and the failure of the Mortgagor to comply with said demand of the Bank for a period of thirty (30) days shall constitute a breach of this mortgage, and, at the option of the Bank, immediately mature the entire principal and interest hereby secured, and entitle the Bank to immediately apply for the appointment of a receiver, as hereinafter provided; and in case of the refusal, neglect or inability of the Mortgagor to repair and maintain said property, the Bank may, at its option, make such repairs or cause the same to be made, and advance moneys in that behalf.

7. To perform, comply with and abide by each and every one of the stipulations, agreements, conditions and covenants in said Promissory Note and in this mortgage set forth.
8. To comply with the subdivision restrictions and the municipal zoning ordinances applicable to the mortgaged property; not to erect or permit to be erected any new buildings on the premises herein mortgaged or to add to or permit to be added to, make or permit to be made, any structural alteration to any of the existing improvements thereon without the written consent of the Bank; and in the event of any violation or attempt to violate these stipulations, or any of them, this mortgage and all sums secured hereby shall immediately become due and payable at the option of the Bank.
9. That in case of a default in any of the terms of this mortgage and in the filing of a suit to foreclose this or any other mortgage encumbering the within described property, the Bank shall be entitled to apply at the time, without notice pending such foreclosure suit, to the court having jurisdiction thereof for the appointment of a receiver of all and singular the mortgaged property, and of all rents, incomes, profits, issues and revenues thereof, from whatsoever sources derived; and thereupon it is hereby expressly covenanted and agreed that the court shall forthwith appoint a receiver of said mortgaged property, all and singular, and of such rents, incomes, profits, issues and revenues thereof, from whatsoever source derived, with the usual powers and duties of receivers in like cases, and such appointment shall be made by the court as a matter of strict right to the Bank, and without reference to the adequacy or inadequacy of the value of the property hereby mortgaged or to the solvency or insolvency of the Mortgagor, and such rents, profits, incomes, issues, and revenues shall be applied by such receiver to the payment of the mortgage indebtedness, costs and charges, according to the order of such court.
10. In the event the ownership of the mortgaged premises, or any part thereof, becomes vested in a person other than the Mortgagor, the Bank may, without notice to the Mortgagor, deal with such successor or successors in interest with reference to this mortgage and the debt hereby secured in the same manner as with the Mortgagor without in any way vitiating or discharging the Mortgagor's liability hereunder or upon the debt herein secured. No sale of the premises hereby mortgaged and no forbearance on the part of the Bank, and no extension of the time for the payment of the debt hereby secured given by the Bank shall operate to release, discharge, modify, change or affect the original liability of the Mortgagor herein either in whole or in part.
11.
