	City of Coral Gables Planning Division Staff Recommendation
Applicant:	Benjamin Leon, Jr., as Trustee
Application:	Separation of a Building Site and Conditional Use Site Plan Review
Property:	20 Casuarina Concourse, Coral Gables, Florida
City Public Hearing Dates/Times:	Planning and Zoning Board January 14, 2015, 6:00 – 9:00 p.m. City Commission Chambers, City Hall, 405 Biltmore Way, Coral Gables, Florida, 33134

Application Request

Request for Separation of a Building Site and Conditional Use Site Plan Review for the property located at 20 Casuarina Concourse, as follows:

“An Ordinance of the City Commission of Coral Gables, Florida requesting Conditional Use Review for a Building Site Determination pursuant to Zoning Code Article 3, “Development Review”, Section 3-206, “Building Site Determination” to create two (2) separate single-family building sites on property zoned Single-Family Residential (SFR) District; one (1) building site on Lot 30 and one (1) building site consisting of Lot 31 on the property legally described as Lots 30 and 31, Block A, Gables Estates No. 2 (20 Casuarina Concourse), Coral Gables, Florida; including required conditions; providing for severability, repealer, codification, and an effective date.”

Summary of Application

Benjamin Leon, Jr., as Trustee (hereinafter referred to as “Applicant”), has submitted an application for the Separation of a Building Site and Conditional Use Site Plan Review (hereinafter referred to as the “Application”) for City of Coral Gables review and public hearing consideration.

The request is to separate an existing 2.59 acre (112,747 square feet) building site, with 376 feet of street frontage, into two (2) building sites. The proposed building sites would consist of a 1.2 acre (52,502 square feet) site with 200 feet of street frontage and a 1.39 acre (60,245 square feet) site with 176 feet of street frontage.

The property contains two (2) platted lots, which together constitute the existing building site. The Applicant is proposing to separate the existing building site into two (2) building sites, with each building

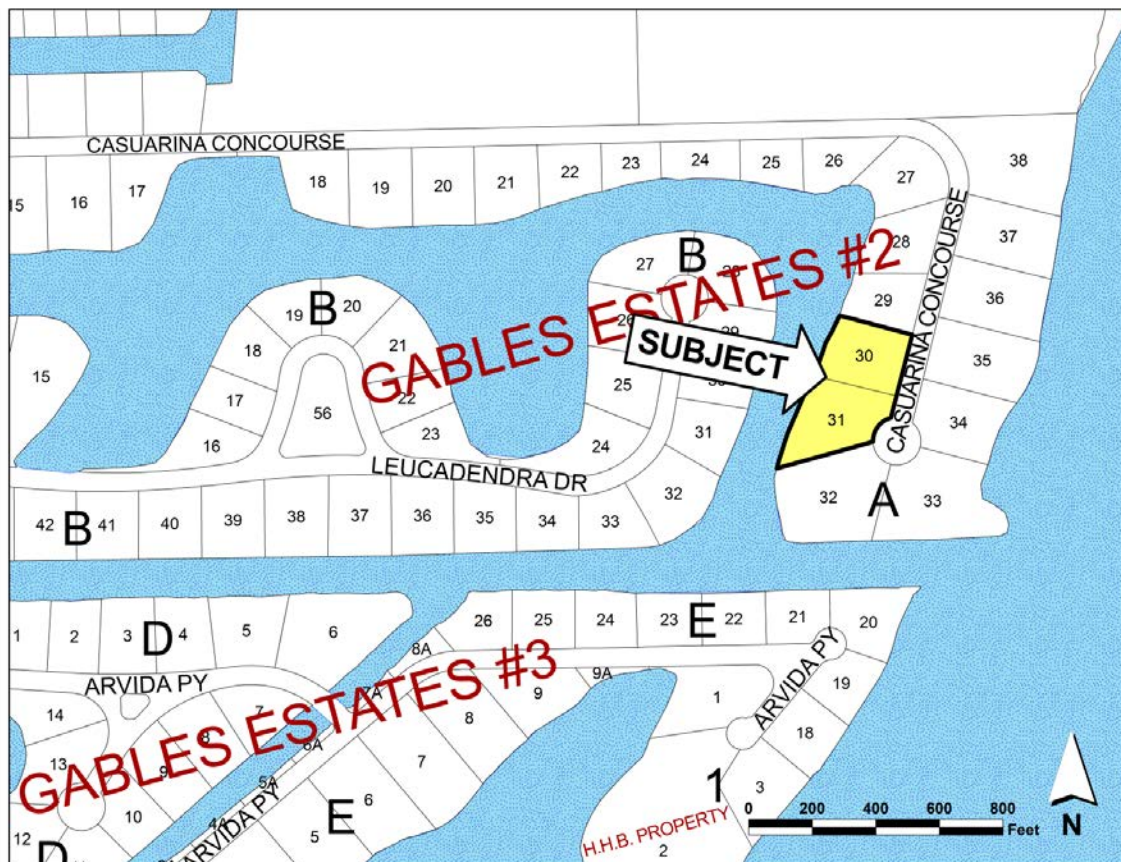

site containing one (1) fully platted lot. The Zoning Code requires that every building site have at least one (1) fully platted lot.

A three-story single-family residence, referred to as the “Wackenhut Castle,” previously located on the property was demolished in 2007. Prior to demolition, the Historical Resources Department determined that the structure had local historical significance. On June 25, 2007, after deliberation, the Historic Preservation Board passed a motion not to designate the property as a local historic landmark, thereby allowing for demolition of the structure. As a part of that demolition a significant number of trees deemed to be in poor condition were removed. There currently remain only a few trees on-site located along the seawall and several trees located off-site along the right-of-way fronting the property. A concrete dock and wood deck located along the seawall also remain on the property.

The Application went before the Development Review Committee on September 26, 2014 as required by the Zoning Code for all applications for properties requiring site plan review by the Planning and Zoning Board. All comments provided by City Staff to the Applicant resulting from the Development Review Committee meeting have been satisfactorily resolved as requested.

The property is located in the southern part of the City within the area referred to as “Gables Estates” at the end of Casuarina Concourse, and is legally described as Lots 30 and 31, Block A, Gables Estates Number 2 (20 Casuarina Concourse), Coral Gables, Florida, and is shown in the following location map:

Lot, Block and Section Location Map

Aerial

Site Data and Background

Site Data and Surrounding Uses

The following tables provide the subject property's designations and surrounding land uses:

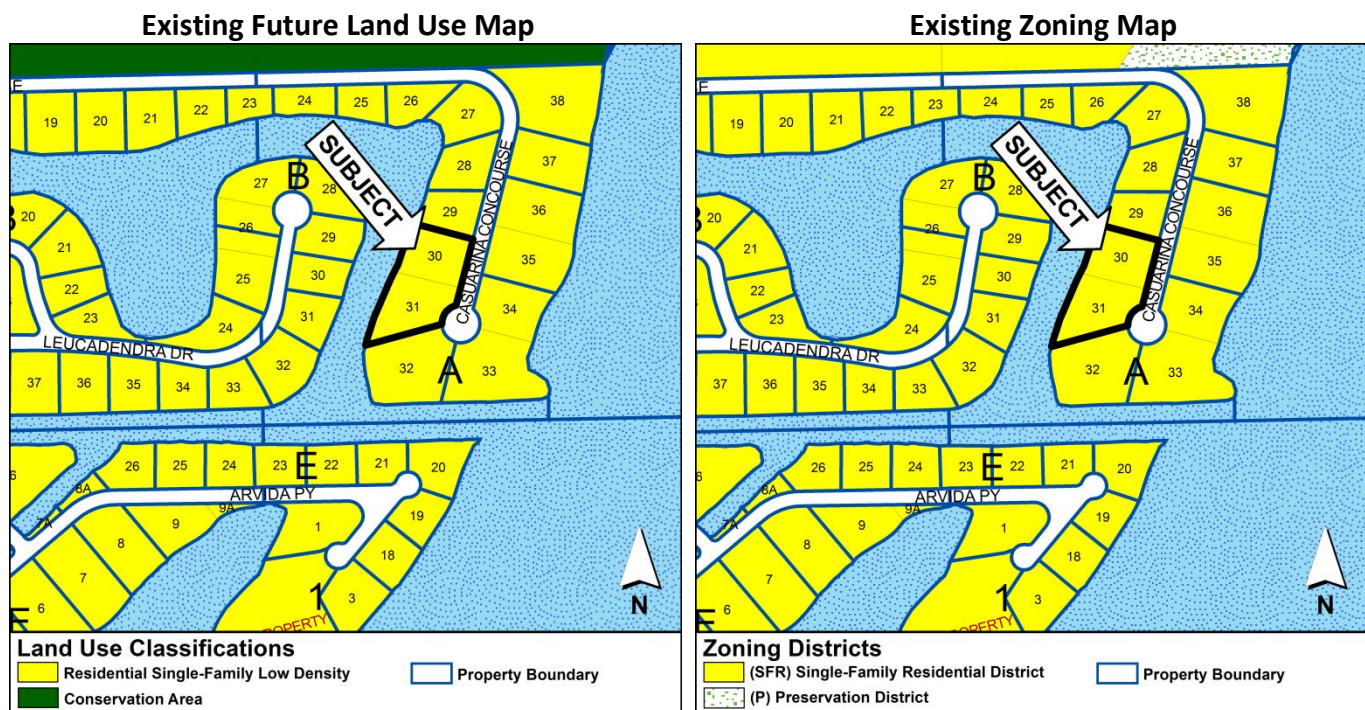

Existing Property Designations

Comprehensive Plan Future Land Use Map designation	"Residential Single-Family Low Density"
Zoning Map designation	Single Family Residential (SFR) District

Surrounding Land Uses

Location	Existing Land Uses	CP Designations	Zoning Designations
North	Single-family residences	“Residential Single-Family Low Density”	Single Family Residential (SFR) District
South	Single-family residences	“Residential Single-Family Low Density”	Single Family Residential (SFR) District
East	Single-family residences	“Residential Single-Family Low Density”	Single Family Residential (SFR) District
West	Single-family residences	“Residential Single-Family Low Density”	Single Family Residential (SFR) District

The surrounding properties have the same single-family residential land use and zoning designations as the subject property, illustrated as follows:

City Review Timeline

The submitted application has undergone the following City reviews:

Type of Review	Date
Development Review Committee	09.26.14
Board of Architects	N/A
Historic Preservation Board	06.21.07
Planning and Zoning Board	01.14.15
City Commission (1 st reading)	TBD
City Commission (2 nd reading)	TBD

Proposed Separation of a Building Site and Site Plan

Proposal – Separation of a Building Site and Site Plan

Proposed Separation of a Building Site Application

The application package includes the following (see Attachment A):

- 1) Cover letter;
- 2) Application;
- 3) Survey;
- 4) Plat;
- 5) Property Microfilm Records;
- 6) Building site frontage analysis;
- 7) Building site water frontage analysis;
- 8) Aerial photographs;
- 9) Overall site plan;
- 10) Zoning information for proposed building sites;
- 11) Neighborhood Photos;
- 12) Building Site Determination Letter from City's Zoning Official; and
- 13) Gables Estates Letter of Support.

Conceptual Site Plan

A conceptual site plan was submitted with the application depicting the development potential of the proposed building sites. The site plans are only intended to indicate how the proposed building sites could be developed according to the Single-Family Residential (SFR) District provisions and applicable Zoning Code site specific regulations. The conceptual site plans are not tied to the request for building site separation.

Permitted Development

Currently, the subject property has 376 feet of frontage along Casuarina Concourse and approximately 510 feet of waterway frontage. If developed as permitted by the Zoning Code as a single building site, a single residence with approximately 34,974 sq. ft. of building floor area could be constructed on the property. The proposed building sites would have street frontages of 200 feet on Lot 30 and 176 feet on Lot 31, with water frontages of 200 feet and 310 feet, respectively. The proposed building sites would have site areas of 52,502 sq. ft. on Lot 30, and 60,245 sq. ft. on Lot 31. This would allow residences with a maximum building floor area of 16,901 sq. ft. and 19,224 sq. ft., respectively. Together, the proposed building sites would be permitted a total of 36,124 sq. ft. of building floor area, compared to the currently permitted 34,974 sq. ft. of building floor area.

The following table compares the proposed building sites with the applicable Zoning Code and site specific requirements. This analysis shows that the property can be developed as proposed and meet the requirements of the Zoning Code:

Site plan information:

Type	Existing Building Site	Proposed Lot 30 Building Site	Proposed Lot 31 Building Site
Building site frontage	376' (existing)	200'	176'
Waterway frontage	510' (existing)	200'	310'
Building site depth	Approx. 275' (existing)	Approx. 275'	Approx. 275'
Total site area	112,747 sq. ft. (existing)	52,502 sq. ft.	60,245 sq. ft.
Building floor area (FAR)	34,974 sq. ft. (maximum permitted)	Max. 16,901 sq. ft.	Max. 19,224 sq. ft.
Building height	2 stories/39'-0" above established grade (maximum permitted)	Max. 2 stories/39'-0" above established grade	Max. 2 stories/39'-0" above established grade
Setbacks*: Front Side interior Rear	Min. 50'-0" Min. 30'-0" Min. 50'-0"	Min. 50'-0" Min. 30'-0" Min. 50'-0"	Min. 50'-0" Min. 30'-0" Min. 50'-0"
Ground area coverage: Principal building Total (including auxiliary structures)	Max. 35% Max. 45%	Max. 35% Max. 45%	Max. 35% Max. 45%

*Zoning Code Appendix A - Site Specific Regulations, Section A-49 Gables Estates No. 2, requires a minimum 50' front setback, minimum 30' side setbacks, and minimum 50' setback from canal, waterway, lake or bay.

Site Specific Provisions

Zoning Code Appendix A – “Site Specific Zoning Regulations” requires additional setbacks on the subject property above what is typically required:

Section A-49 – Gables Estates No. 2.

- A. Setbacks-Minimum front.
 2. Lots 1 through 16, inclusive; Lots 18 through 21, inclusive; and Lots 27 through 38, inclusive, all in Block A and Lots 1 through 6, inclusive; Lots 8 through 15, inclusive; Lots 17 through 22, inclusive; Lots 25 through 53, inclusive; and Lot 56, all in Block B and Lots 1 and 2, Block C-Fifty (50) feet.
- B. Setbacks-Minimum side.
 3. Lots 2, 3, 4 and 6 through 16, inclusive; Lots 18 through 21, inclusive; Lots 27 through 38, inclusive, all in Block A, Lots 1 through 6, inclusive; Lots 8 through 15, inclusive; Lots 17 through 22, inclusive; Lots 25 through 53, inclusive; and Lot 56, all in Block B, and Lot 1, Block C-Thirty (30) feet.
- D. Setback from canal, waterway, lake or bay.
 1. The minimum setback from a waterway line, canal line or bay shore line, as platted, for Lots 1 through 16, inclusive; Lots 18 through 21, inclusive; and Lots 27 through 38, inclusive, all in Block A and Lots 1 through 6, inclusive; Lots 8 through 15, inclusive; Lots 17 through 22, inclusive; and Lots 25 through 53, inclusive, all in Block B, and Lots 1 and 2 in Block C shall be fifty (50) feet.

Findings of Fact

This section of the report presents City Staff's evaluation of the Application and Findings of Facts. The City's responsibility is to review the Application for consistency with the City's Comprehensive Plan (CP) Goals, Objectives and Policies, compliance with the Zoning Code and compliance with other applicable portions of the City Code.

Findings of Fact - Separation and Establishment of Building Sites

Review of Zoning Code Criteria

Zoning Code Section 3-206(F) provides the criteria for the separation and establishment of building sites, as follows:

"F. When reviewing and providing a recommendation on an application for conditional use for a building site determination, the Planning Department, Planning and Zoning Board and the City Commission shall consider and evaluate the request together with a proposed site plan and provide findings that the application satisfies at least four (4) of the following six (6) criteria:"

Staff has reviewed the Application based upon the six (6) criteria and finds that the Application satisfies one (1) of the six (6) criteria, as follows:

"1. That exceptional or unusual circumstances exist, that are site specific such as unusual site configuration or partially platted lots, or are code specific such as properties having two (2) or more zoning and/or land use designations, multiple facings or through-block sites, which would warrant the separation or establishment of a building site(s)."

Staff Comment: This entire property is zoned Single-Family Residential (SFR) District and consists of two (2) fully platted lots that face onto one (1) street, Casuarina Concourse. Staff found no unusual circumstances within the Zoning Code or site specific regulations that meet the criteria warranting a separation of the building site.

The Application does not satisfy this criterion.

"2. That the building site(s) created would be equal to or larger than the majority of the existing building site frontages of the same zoning designation within a minimum of one thousand (1,000) foot radius of the perimeter of the subject property or extending no farther than the immediate vicinity, whichever is less. "Immediate vicinity" shall be defined as an area in which a parcel of land is located, that is physically, functionally or geographically identifiable as a distinct realm, place or neighborhood, or an area within a radius of not more than one-half (1/2) mile from the subject property, whichever is smaller."

Staff's building site street and water frontage analyses are as follows:

Building Site Street Frontage Analysis:

Frontage	0' to 176'	177' to 200'	+200'	Total
No. of Sites	12	14	14	40
Percentage	30%	35%	35%	100%

Staff Comment: The proposed single-family building site on Lot 30 would have a 200' street frontage that would be equal to or larger than 65% of the surrounding building site street frontages. The proposed single-family building site on Lot 31 would have a 176' street frontage and would be equal to or larger than 30% of the surrounding building site street frontages. In order to meet the requirements of the Zoning Code both proposed single-family building site street frontages must be equal to or larger than the majority of the existing building site street frontages identified in the analysis.

The Application does not satisfy this criterion.

Building Site Water Frontage Analysis:

Frontage	0' to 200'	201' to 310'	+310'	Total
No. of Sites	15	13	12	40
Percentage	37.5%	32.5%	30%	100%

Staff Comment: The proposed single-family building site on Lot 30 would have a 200' water frontage that would be equal to or larger than 37.5% of the surrounding building site water frontages. The proposed single-family building site on Lot 31 would have a 310' water frontage and would be equal to or larger than 70% of the surrounding building site water frontages. In order to meet the requirements of the Zoning Code both proposed single-family building site water frontages must be equal to or larger than the majority of the existing building site water frontages identified in the analysis.

Building site water frontage is currently not criterion that must be satisfied per the Zoning Code. This analysis is being provided based on previous requests by the City Commission to review this criterion.

- "3. *That the building site(s) separated or established would not result in any existing structures becoming non-conforming as it relates to setbacks, lot area, lot width and depth, ground coverage and other applicable provisions of the Zoning Code, CP and City Code. The voluntary demolition of a building which eliminates any of the conditions identified in this criterion shall not constitute or result in compliance with this criterion.*"

Staff Comment: The previous residence that was demolished in 2007 was located approximately in the center of the property. A site plan of the previous residence is included within the Applicant's submittal package (see Attachment A). In prior applications for building site separation the demolition of a building that would have resulted in a non-conforming structure constitutes non-compliance with this criterion. If this building site was separated then the existing concrete dock

and wood deck located along the property's rear water front would both become existing non-conforming structures.

The Application does not satisfy this criterion.

- "4. That no restrictive covenants, encroachments, easements, or the like exist which would prevent the separation of the site. The voluntary demolition of a building which eliminates any of the conditions identified in this criterion shall not constitute or result in compliance with this criterion."*

Staff Comment: The residence that was previously located approximately in the center of the property was demolished in 2007. As indicated in the 06.24.13 Letter of Determination issued by the Development Services Department, provided within the Applicant's submittal package (see Attachment A), the building permit history identifies Lots 30 and 31 together as one (1) building site. A Declaration of Restrictive Covenant from 10.22.07, included in the Applicant's submittal package (see Attachment A), requires Lots 30 and 31 to be held together as one (1) tract. Also, a wood deck lies along the water frontage in the middle of the property tying together Lots 30 and 31 as a single building site.

The Application does not satisfy this criterion.

- "5. That the proposed building site(s) maintains and preserves open space, promotes neighborhood compatibility, preserves historic character, maintains property values and enhances visual attractiveness of the area."*

Staff Comments: The conceptual plans submitted by the applicant show that both building sites can be developed in compliance with the requirements of the Zoning Code. The average lot area is 56,565 sq. ft. for building sites located within a 1,000 foot radius of the property. This is comparable to the lot area of the proposed buildings sites which are 52,502 sq. ft. and 60,245 sq. ft. The average lot area for building sites located on cul-de-sacs within the study area is 78,430 sq. ft. The building site proposed on Lot 31 partially fronts onto a cul-de-sac and would have a lot area of 60,245 sq. ft. These comparisons indicate that the proposed building sites would be compatible with the surrounding neighborhood.

The Application satisfies this criterion.

- "6. That the building site(s) created was purchased as a separate building(s) by the current owner prior to September 17, 1977."*

Staff Comment: The property was purchased in 2010; therefore, the application does not meet this criterion.

The Application does not satisfy this criterion.

Pursuant to Zoning Code, Article 3, Development Review, Section 3-206., Building Site Determination, Subsection F, Planning Staff finds the Application satisfies one (1) of the six (6) criteria.

Consistency Evaluation of the Comprehensive Plan (CP) Goals, Objectives and Policies

This section provides a detailed analysis of the CP providing a basis of consistency, and finds the following CP Goals, Objectives and Policies are applicable.

Consistent CP Goals, Objectives and Policies are as follows:

Ref. No.	Comprehensive Plan Goals, Objectives and Policies	Staff Review
1.	Policy FLU-1.3.2. All development applications in residential neighborhoods shall continue to be reviewed by applicable boards and committees to ensure the protection from intrusion by incompatible uses that would disrupt or degrade the health, safety, tranquility, aesthetics and welfare of the neighborhood by noise, light, glare, odor, vibration, dust, hazardous materials or traffic. The City will continue to enforce the adopted restrictive design standards; historic preservation policies and the applicable performance standards of the Commercial Limited designation in the Zoning Code.	Does not comply or satisfy the review criteria specified in the Zoning Code
2.	Objective FLU-1.11. Maintain a pattern of overall low density residential use with limited medium and high density residential uses in appropriate areas to preserve the low intensity and high quality character of the residential neighborhoods.	Complies
3.	Objective FLU-1.13. The City shall enforce the recently adopted Zoning Code which creates, preserves and maintains scenic vistas in keeping with the classic traditions as embodied in the original city plan.	Complies
4.	Objective FLU-1.14. The City shall enforce Zoning Code provisions which continue to preserve and improve the character of neighborhoods.	Complies
5.	Goal FLU-3. The City as a part of its development review process shall engage public/community participation and collaboration to provide for a transparent development review process.	Complies
6.	Objective FLU-3.1. The City shall continue its efforts to notify stakeholders, residents, property owners and neighborhood associations of pending development reviews to provide transparency within the development process.	Complies
7.	Policy DES-1.1.5. Promote the development of property that achieves unified civic design and proper relationship between the uses of land both within zoning districts and surrounding districts, by regulating, limiting and determining the location, height, density, bulk and massing, access to light and air, area of yards, open space, vegetation and use of buildings, signs and other structures.	Complies

Ref. No.	Comprehensive Plan Goals, Objectives and Policies	Staff Review
8.	Policy DES-1.1.6. Maintain the character of the residential and nonresidential districts, and their peculiar suitability for particular uses.	Complies
9.	Policy DES-1.1.7. Preserve residential properties to assure that future development will be in conformity with the foregoing distinctive character, with respect to type, intensity, design and appearance.	Does not comply or satisfy the review criteria specified in the Zoning Code

Staff Comments: Staff's determination is that this Application is "generally consistent" with the CP, except for the goals, objectives and policies related to Zoning Code requirements for site plan review. The proposed building site separation does not comply with or satisfy the following review criteria as specified by the Zoning Code:

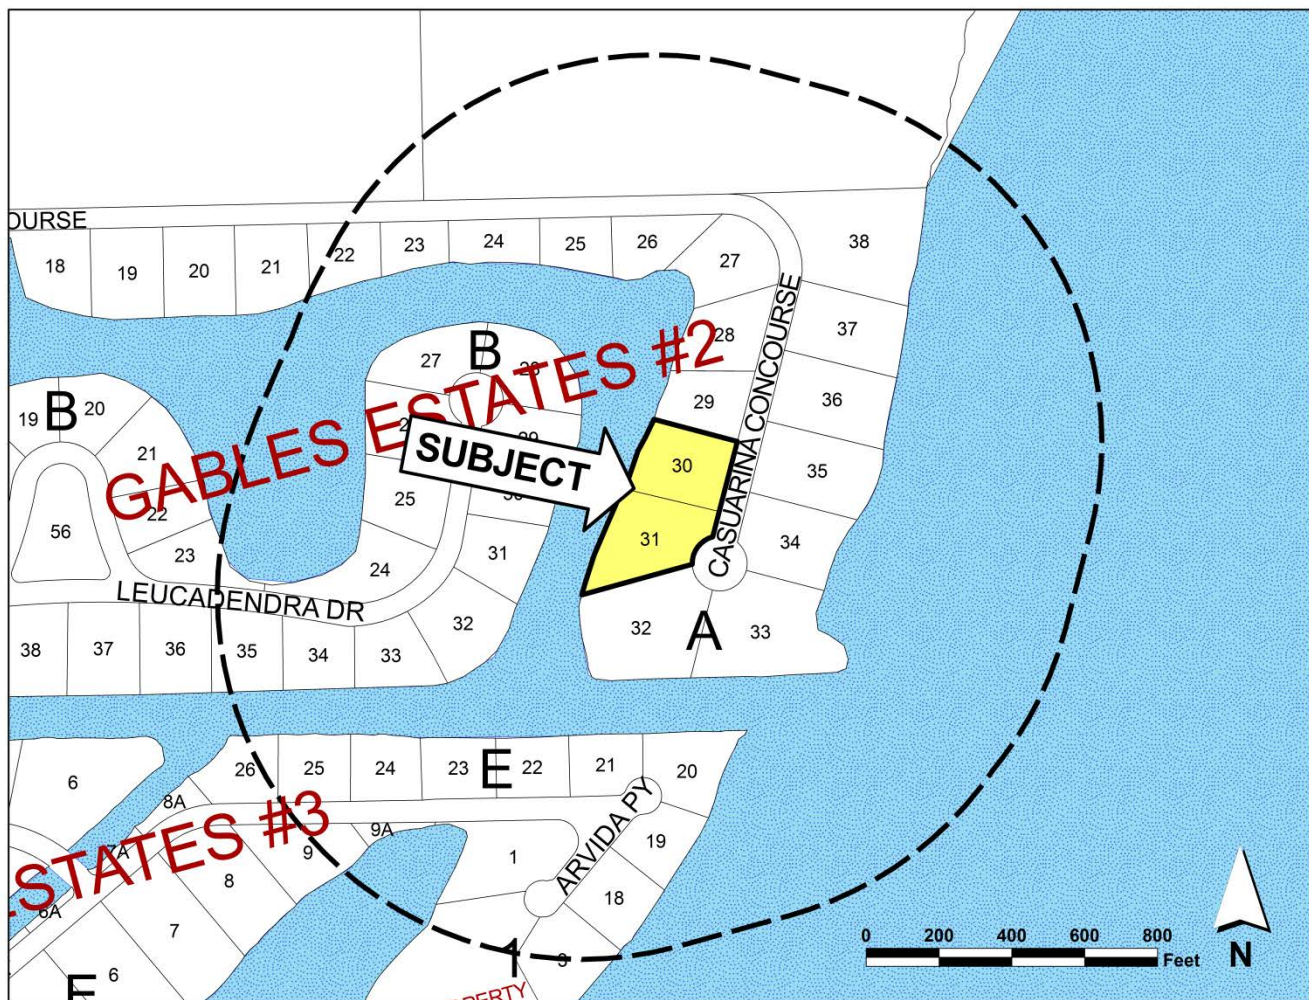

1. That exceptional or unusual circumstances exist, that are site specific such as unusual site configuration or partially platted lots, or are code specific such as properties having two (2) or more zoning and/or land use designations, multiple facings or through-block sites, which would warrant the separation or establishment of a building site(s).
2. That the building site(s) created would be equal to or larger than the majority of the existing building site frontages of the same zoning designation within a minimum of one thousand (1,000) foot radius of the perimeter of the subject property or extending no farther than the immediate vicinity, whichever is less. "Immediate vicinity" shall be defined as an area in which a parcel of land is located, that is physically, functionally or geographically identifiable as a distinct realm, place or neighborhood, or an area within a radius of not more than one-half (1/2) mile from the subject property, whichever is smaller.
3. That the building site(s) separated or established would not result in any existing structures becoming non-conforming as it relates to setbacks, lot area, lot width and depth, ground coverage and other applicable provisions of the Zoning Code, CP and City Code. The voluntary demolition of a building which eliminates any of the conditions identified in this criterion shall not constitute or result in compliance with this criterion.
4. That no restrictive covenants, encroachments, easements, or the like exist which would prevent the separation of the site. The voluntary demolition of a building which eliminates any of the conditions identified in this criterion shall not constitute or result in compliance with this criterion.
5. That the building site(s) created was purchased as a separate building(s) by the current owner prior to September 17, 1977.

Public Notification and Comments

The Zoning Code requires that a courtesy notification be provided to all property owners within 1,000 feet of the subject property. The notice lists the type of applications filed, proposed public hearing dates/time and location where the application files can be reviewed. The notice also provides for an opportunity to submit comments on pending applications. 44 notices were mailed to surrounding property owners. A Copy of the legal advertisement and courtesy notice are provided as Attachments B and C. Copies of public comments received shall be provided to the Board at the public hearing.

A map of the notice radius is as follows:

Courtesy Notification Radius Map

The following has been completed to solicit input and provide notice of the Application:

Staff Recommendation

The Planning and Zoning Division based upon the complete Findings of Fact contained within this Report recommends **denial** of the following:

“An Ordinance of the City Commission of Coral Gables, Florida requesting Conditional Use Review for a Building Site Determination pursuant to Zoning Code Article 3, “Development Review”, Section 3-206, “Building Site Determination” to create two (2) separate single-family building sites on property zoned Single-Family Residential (SFR) District; one (1) building site on Lot 30 and one (1) building site consisting of Lot 31 on the property legally described as Lots 30 and 31, Block A, Gables Estates No. 2 (20 Casuarina Concourse), Coral Gables, Florida; including required conditions; providing for severability, repealer, codification, and an effective date.”

Summary of the Basis for Denial

Planning and Zoning Staff, based upon the Findings of Fact contained herein, does not support the Application because the Application does not satisfy at least four (4) of the six (6) criteria as required per Zoning Code, Article 3, Development Review, Section 3-206, Building Site Determination, Subsection F. Staff has determined that the application satisfies one (1) of six (6) of the Zoning Code’s criteria for review.

Alternative Recommendation - Conditions of Approval

If the Planning and Zoning Board and the City Commission determine based upon the additional information submitted by the applicant and the facts of the application, testimony, and evidence received that the application satisfies the criteria, and desires to recommend **approval** of the proposed building site separation, then Planning and Zoning Division Staff recommends the application be recommended for approval by the Board subject to the following conditions of approval:

1. The new single-family residences constructed on the two (2) building sites shall meet all applicable requirements of the Zoning Code, and no variances shall be required or requested.

2. A detailed tree disposition plan and landscape plan shall be prepared and provided by the Applicant, subject to review and approval of the Directors of the Public Service Division and the Planning and Zoning Division prior to the submittal to the Board of Architects for either building site.
3. Restrictive covenant. Prior to submittal to the Board of Architects the property owner, its successors or assigns shall file for a release of the restrictive covenant currently running with the land.

Re: Conditional Use for Separation/Establishment of Two Building Sites and Release of
Unity of Title for 20 Casuarina Concourse, Coral Gables

Dear Mr. Trias:

This law firm represents the owner of the property ("Applicant") located at 20 Casuarina Concourse in the City of Coral Gables ("City"), legally described as Lots 30 and 31, Block A of Gables Estates No. 2, according to the plat thereof, as recorded in Plat Book 60 at Page 37 of Public Records of Miami-Dade County, Florida ("Property"). See Plat. The purpose of this letter is to respectfully request conditional use approval to permit the re-establishment of two separate building sites and the release of the Declaration of Restrictive Covenant recorded at Official Record Book 26001 at Page 1248 of the Public Records of Miami-Dade County. See Declaration of Restrictions.

Property. The Property was the site of the "Wackenhut Castle", a German-style 5-story castle, and consists of approximately 2.59 acres of vacant land located on Casuarina Concourse, adjacent to the cul-de-sac and private waterway, in the Gables Estates Club. While the Property was originally master-planned and subdivided as two platted lots, the Property was developed with one 18,364 square foot residence with recreational amenities. See Building Site Determination. In 2007, the then-property owner demolished the residence and proffered the Declaration of Restrictive Covenant consistent with Section 3-206(E)(3) of the City's Zoning Code. When the Property was built in the 1960's, a Declaration of Restrictions tying the Property as a single building site was not required by the City's Zoning Code or effectuated by the original owner. Today, the Property is vacant and unimproved, but well-maintained and sodded. No trees exist on the Property.

Project. Applicant seeks to develop the Property as originally intended, with one single-family residence in full compliance with the City's Single Family Residential (SFR) zoning district and the Gables Estates Club Charter and Bylaws on each of the two platted lots, Lot 30 and Lot 31, that together make up the Property. In consideration of this application, we have enclosed conceptual plans for each of the two proposed building sites. Lot 30 will consist of 1.2 acres of land and Lot 31 will consist of 1.6 acres of land.

The resulting lots are comparable and consistent with the surrounding homesteads. The Applicant has received approval from the Gables Estates Club Architectural Review Board, and Rene Guerra, President of the Gables Estates Club, Inc., has also submitted a letter to the City, dated October 14, 2013, supporting Applicant's request for the separation and establishment of two building sites and the release of the Declaration of Restrictive Covenant. See Gables Estates Letter of Support. The Gables Estates Club has opined that approval of this application will have beneficial effects and will serve important public interests, while not having adverse effects on the environment, overburdening public services, or changing the desired character of the Gables Estates community.

Site Separation. Consideration of the Applicant's request for site separation requires an initial showing that the Property and its intended use satisfy four (4) of the six (6) criteria set forth in Section 3-206(F) of the City's Zoning Code. The criteria for satisfaction are as follows.

- 1. That exceptional or unusual circumstances exist, that are site specific such as unusual site configuration or partially platted lots, or are code specific such as properties having two (2) or more zoning and/or land use designations, multiple facings or through-block sites, which would warrant the separation or establishment of a building site(s).*

The Property and Applicant's request for separation building sites are unique because the requested separation is ultimately a request to restore the Property to its original condition as two (2) respective building sites, as the Property was originally master-planned in Gables Estates Club and subdivided as two platted lots. This request for site separation would restore the Property to its original intended subdivision plan, prior to the construction of the Wackenhut Castle, and allow for the development of one single-family residence on each of the two platted lots, Lot 30 and Lot 31. Approval of this request would also bring the Property into conformity with the majority of the properties within Gables Estates, as there are only six properties in the Gables Estates community which encompass two or more lots. See Gables Estates Map. Separating the Property into two (2) parcels will also make the Property more environmentally efficient in regard to land resources, water use, maintenance, and upkeep.

2. *That the building site(s) created would be equal to or larger than the majority of the existing building site frontages of the same zoning designation within a minimum of one thousand (1,000) foot radius of the perimeter of the subject property or extending no farther than the immediate vicinity, whichever is less. "Immediate vicinity" shall be defined as an area in which a parcel of land is located, that is physically, functionally or geographically identifiable as a distinct realm, place or neighborhood, or an area within a radius of not more than one-half (1/2) mile from the subject property, whichever is smaller.*

Within the 1,000 foot radius of the perimeter of the Property there are twenty-eight (28) properties that have a frontage equal to or smaller than the proposed building sites (176 feet and 200 feet respectively). There are only twelve (12) properties that have frontages greater than the proposed building site (201 feet or greater). Lot 30 has a proposed building frontage of approximately 200 feet and Lot 31 has a proposed building frontage of 176 feet. See Survey Composite. Therefore, the proposed frontage of these building sites would be equal to or larger than the majority (69%) of the existing building site frontages of the same zoning designation within a 1,000 foot radius. While Lot 31 has a building frontage equal to or larger than the majority of the existing residential building site frontages within a 1,000 foot radius, it is also located on a cul-de sac which significantly impacts site frontage. This is a unique circumstance which is applicable to other properties located on cul-de-sacs within a 1,000 foot radius of the Property, including: 2 Casuarina Concourse, 2 Leucadendra Drive, 41 Arvida Parkway, and 33 Arvida Parkway. Additionally, Lot 31 has a total lot area of 60,245 square feet (1.39 acres), which is larger than Lot 30, which has a total lot area of 55,502.3 square feet (1.2 acres). Lot 31 also has a larger total lot area than most of the properties within the immediate neighborhood.

In connection with the water frontage widths of the respective properties within a 1,000 foot radius of the perimeter of the Property, there are 26 properties that have a water frontage width smaller than the proposed building sites (313 feet and 201 feet respectively). There are only twelve (12) properties that have water frontage widths equal to or larger than the proposed building site (201 feet or greater). Lot 30 has a proposed water frontage width of 201 feet and Lot 31 has a proposed water frontage width of 313 feet. See Building Site Water Frontage Analysis. Therefore, the proposed water frontage widths of these building sites would be larger than the majority (65%) of the existing water frontage widths of the properties of the same zoning designation within a 1,000 foot radius.

3. *That the building site(s) separated or established would not result in any existing structures becoming non-conforming as it relates to setbacks, lot area, lot width and depth, ground coverage and other applicable provisions of the Zoning Code, CP and City Code. The voluntary demolition of a building which eliminates any of the conditions identified in this criterion shall not constitute or result in compliance with this criterion.*

Although the Building Site Determination and Property microfilm records delineate and illustrate that the Property was developed with one 18,364 square foot residence encroaching on the lot liens, the Wackenhut Castle is an exceptional circumstance. See Property Microfilm Records. The 5-story residence was developed with a German-style castle theme, and was an eyesore that negatively impacted the privacy and visual appeal of the Gables Estates community.

The abovementioned provision provides that “[t]he voluntary demolition of a building which eliminates any of the conditions identified in this criterion shall not constitute or result in compliance with this criterion.” In 2007, the then-property owner demolished the 18,634 square foot residence encroaching on lot lines that were developed on the Property. As part of this demolition process the then-owner was required to proffer a Declaration of Restrictions. The demolition was necessary as the Wackenhut Castle was detrimental to the aesthetic character of the surrounding community, due to lack of maintenance and lack of privacy from curious spectators. Unlike other homes in the immediate vicinity, the Wackenhut Castle was not deemed architecturally significant nor was it designated historic by the City.

The Applicant purchased the home in 2010 as a vacant and unimproved site, and was not responsible for any voluntary demolition of the building. Unlike the building site separations recently approved by the Coral Gables City Commission for 6801 Granada Boulevard and 1248 Coral Way, where there were existing historic structures on the respective properties, the Property remains vacant and unimproved. The Applicant has paid Gables Estates Club membership fees for each of the respective lots. None of the conditions or alterations were created by the Applicant, and as such, in light of the circumstances and the original subdivision plan of the Property, the Applicant should be exempt from the requirements of this provision.

Applicant seeks to develop the Property as originally intended, with one single-family residence in full compliance with the City’s Single Family Residential

(SFR) zoning district and the Gables Estates Club Charter and Bylaws on each of the two platted lots, Lot 30 and Lot 31, that together make up the Property. Approval of this request would also bring the Property into conformity with the majority of the properties within Gables Estates, as there are only six properties in the Gables Estates community which encompass two or more lots. Additionally, the two (2) proposed building sites would not result in any existing structures becoming nonconforming as it relates to setbacks, lot area, lot width and depth, ground coverage and other applicable provisions of the City's Zoning Code, Comprehensive Land Use Plan, and City Code.

4. *That no restrictive covenants, encroachments, easements, or the like exist which would prevent the separation of the site. The voluntary demolition of a building which eliminates any of the conditions identified in this criterion shall not constitute or result in compliance with this criterion.*

The Wackenhut Castle was developed in the 1960's, before this City Zoning Code provision came into effect requiring that no restrictive covenants, encroachments, easements, or the like exist on which would prevent the separation of the site. A Declaration of Restrictions was not required, as per the City Zoning Code, nor did the original Property owners effectuate a restrictive covenant when the Property was originally developed. As such, the Property was not tied as a single building site. Additionally, the Property was originally master-planned in Gables Estates Club and subdivided as two platted lots.

In 2007, the then-property owner demolished the 18,634 square foot Wackenhut Castle residence that was developed on the Property. The demolition was necessary as the home was detrimental to the aesthetic character of the surrounding community, due to lack of maintenance and lack of privacy from peering spectators. As part of this demolition process the then-owner was required to proffer a Declaration of Restrictions. The restrictive covenant does not contain provisions related to modification and is silent as to the required procedure for release and whether such an option requires a public hearing. This creates an onerous requirement tying the property as one building site, without offering proper instruction for modification or release. This is an unintended consequence that was likely not considered when the Declaration of Restrictions was originally executed. The restrictive covenant is invalid as it is an incomplete document with an unreasonable binding effect. When the previous owner agreed to the Declaration of Restrictions, there was not full or proper notice as to the extent of the restrictive covenant's binding and limiting effect on the Property.

The Applicant purchased the home in 2010 as a vacant and unimproved site, without existing encroachments, and was not responsible for any voluntary demolition of the building. As such, the Applicant should be exempt from fulfilling the criteria of this requirement due to the broad recitals and vague effective language of the Declaration of Restrictions. Additionally, the Applicant seeks to develop the Property as originally master-planned and subdivided long before this City Zoning Code provision went into effect.

5. *That the proposed building site(s) maintains and preserves open space, promotes neighborhood compatibility, preserves historic character, maintains property values and enhances visual attractiveness of the area.*

The proposed site separation will restore the Property to its original state as two (2) separate building sites, to allow for the development of one single-family residence on each of the two platted lots, Lot 30 and Lot 31. The proposed building sites will improve the appearance of the neighborhood by making the Property consistent with the building sites in the area and the neighboring properties. Both proposed single-family residences will maintain and preserve open space, will be of the appropriate style and size as the neighboring homes, and will only serve to enhance the property values and the visual attractiveness of the area.

6. *That the building site(s) created was purchased as a separate building(s) by the current owner prior to September 17, 1977.*

Although the Property was purchased by the Applicant in 2010, the previous owner developed a single-family residence in the 1960s, before the enactment of this condition in 1989, requiring that the building site be purchased as separate buildings by the current owner prior to September 17, 1977. See Section 13-2.1 City Zoning Code 1989. This provision is inapplicable to the Property, which was developed before the criterion was set forth in 1989. Furthermore, the requirement was satisfied in spirit by the original owner who purchased the Property when it was originally master-planned and subdivided as two platted lots. As such, Applicant should be exempt from this condition. Approval of this request will allow the Applicant to develop the Property as originally intended.

Conclusion. Approval of this application will have beneficial effects and serve important public interests, while not having adverse effects on the environment, overburdening public services, or changing the desired character of the Gables Estates community. Accordingly, we respectfully request approval of this application pursuant to Article 3, Division 4 of the City Code.

Mr. Ramon Trias
November 10, 2014

Application submittal requirements

1. Hard copies. The number of application binders to be submitted shall be determined by Staff at the preapplication meeting. The application shall include all the items identified in the preapplication meeting.
2. Digital media copies. Two (2) compact discs (CD ROMs) of the entire application including all the items identified in the Preapplication Conference. Each document shall be separated into PDF files (i.e., application; site plan, landscape plan; etc.). Please include a "Table of Contents" identifying all PDF file name(s). Each PDF file size shall not exceed 10 Mb. All discs shall be labeled with the applicant(s) name, project name and date of submittal.

Applicant/agent/property owner affirmation and consent

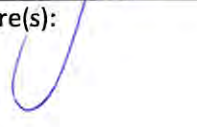

(I) (We) affirm and certify to all of the following:

1. Submission of the following:
 - a. Warranty deed/tax record as proof of ownership for all properties considered as a part of the application request; or
 - b. Authorized as the applicant(s)/agent(s) identified herein to file this application and act on behalf of all current property owner(s) and modify any valid City of Coral Gables entitlements in effect during the entire review process.
2. This request, application, application supporting materials and all future supporting materials complies with all provisions and regulations of the Zoning Code, Comprehensive Land Use Plan and Code of Ordinances of the City of Coral Gables unless identified and approved as a part of this application request or other previously approved applications. Applicant understands that any violation of these provisions renders the application invalid.
3. That all the information contained in this application and all documentation submitted herewith is true to the best of (my) (our) knowledge and belief.
4. Understand that the application, all attachments and fees become a part of the official records of the City of Coral Gables and are not returnable.

City of Coral Gables Planning Division Application

5. Failure to provide the information necessary pursuant to the established time frames included but not limited to application submittal, submission of revised documents, etc. for review by City Staff and the designated reviewing entity may cause application to be deferred without further review until such time the requested information is submitted.
6. All representatives of the application have registered with and completed lobbyist forms for the City of Coral Gables City Clerk's office.
7. Understand that under Florida Law, all the information submitted as part of the application are public records.
8. Additional costs in addition to the application fees may be assessed associated with the review of applications by the City. These are costs that may be incurred by the applicant due to consultant fees paid by City to review the application. The types of reviews that could be conducted may include but are not limited to the following: property appraisals; traffic impact analyses; vegetation/environmental assessments; archeological/historic assessments; market studies; engineering studies or reports; and legal fees. Such fees will be assessed upon finalization of the City application review.

WARRANTY DEED

THIS WARRANTY DEED made and executed this 20 day of October, 2003, by GEORGE R. WACKENHUT and RUTH J. WACKENHUT, his wife, whose post office address is 270 Bermuda Bay Lane, Vero Beach, Florida 32963, hereinafter called the Grantor, to CASUARINA 20 LLC, a Florida limited liability company, whose post office address is c/o Carlos E. Loumiet, Hunton & Williams LLP, 1111 Brickell Avenue, Suite 2500, Miami, FL 33131, hereinafter called the Grantee.

WITNESSETH: That the Grantor, for and in consideration of the sum of Ten Dollars (\$10.00) and other valuable consideration, the receipt and sufficiency whereof are hereby acknowledged, by these presents does grant, bargain, sell, alien, remise, release, convey and confirm unto the Grantee, all that certain land situate in Miami-Dade County, Florida, viz:

Lots 30 and 31, Block A of GABLES ESTATES NUMBER 2,
according to the Plat thereof, recorded in Plat Book 60 at Page 37 of
the Public Records of Miami-Dade County, Florida.

TOGETHER with all the improvements thereon and tenements, hereditaments and appurtenances thereto belonging or in anywise appertaining.

TO HAVE AND TO HOLD, the same in fee simple forever; SUBJECT, HOWEVER to the following:

1. Conditions, reservations, restrictions, limitations and easements of record, none of which are hereby reimposed.
2. Applicable zoning ordinances.
3. Taxes for the year 2003 and subsequent years.

AND the Grantor hereby covenants with said Grantee that it is lawfully seized of said land in fee simple; that it has good right and lawful authority to sell and convey said land; and that said land is free of all encumbrances except the matters herein-above mentioned to which the deed is made subject. The Grantor does hereby fully warrant the title to said land and will defend the same against the lawful claims of all persons whomsoever.

SURVEYOR'S NOTES:

1. MAP OF BOUNDARY SURVEY:

Field Survey was completed on: August 12th, 2014.

2. LEGAL DESCRIPTION:

Lots 30 and 31, Block A of GABLES ESTATES NUMBER 2, according to the plot thereof, as recorded in Plat Book 60, at Page 37, of the Public Records of Miami-Dade County, Florida.

Containing 112,747 Square Feet or 2.59 Acres more or less, by calculations.

The above captioned property was surveyed based on the above Legal Description furnished by the client.

3. SOURCES OF DATA:

AS TO VERTICAL CONTROL:

By scaled determination the subject property lies in Flood Zone AE, Base Flood Elev. 11 feet as per Federal Emergency Management Agency (FEMA) Community-Panel Number 120639, Map No. 12086C0459, Suffix L, Revised Date: 09-11-2009.

An accurate Zone determination should be made by the preparer of the map, the Federal Emergency Management Agency, or the Local Government Agency having jurisdiction over such matters prior to any judgments being made from the Zone as noted. The referenced Federal Emergency Management Agency Map states in the notes to the user that "this map is for insurance purposes only".

AS TO HORIZONTAL CONTROL:

North arrow and Bearings directions is based on assumed value of S15°30'00"W along the C/L of Casuarina Concourse, as per Plat of "GABLES ESTATES NUMBER 2", Plat Book 60, Page 37, Miami-Dade County, Florida.

4. ACCURACY:

The accuracy obtained by measurement and calculation of closed geometric figures was found to exceed this requirement.

5. LIMITATIONS:

Since no other information other than what is cited in the Sources of Data was furnished, the Client is hereby advised that there may be legal restrictions on the Subject Property that are not shown on the Survey Map or contained within this Report that may be found in the Public Records of Miami-Dade County, or the records of any other public and private entities as their jurisdictions may appear. The Surveyor makes no representation as to ownership or possession of the Subject Property by any entity or individual who may appear in public records. No excavation or determination was made as to how the Subject Property is served by utilities. No improvements were located, other than those shown. No underground foundations, improvements and/or utilities were located or shown hereon. This notice is required by the "Minimum Technical Standards for Land Surveying in the State of Florida," pursuant to Rule 5J-17 of the Florida Administrative Code.

Notice is hereby given that Sunshine State One Call of Florida, Inc., must be contacted at 1-800-432-4770 at least 48 hours in advance of any construction, excavation or demolition activity within, upon, abutting or adjacent to the Subject Property. This Notice is given in compliance with the "Underground Facility Damage Prevention and Safety Act," pursuant to Chapter 556.101-111 of the Florida Statutes.

CERTIFY TO:

SURVEYOR'S CERTIFICATE:

I HEREBY CERTIFY: That the Boundary Survey of the above described property is true and correct to the best of my knowledge and belief as recently surveyed under my direction. Further, there are no above ground encroachments unless shown. This survey meets the minimum technical standards set forth by the Florida Board of Professional Surveyors and Mappers, in Chapter 50-17, Florida Administrative Code, pursuant to section 472.027 Florida Statutes. Examination of the abstract of title will have to be made to determine recorded instruments, if any, affecting the property. Location and identification of utilities adjacent to the property were not secured as such information was not requested. Ownership is subject to opinion of title.

THIS SURVEY IS NOT INTENDED FOR CONSTRUCTION PURPOSES. FOR THOSE PURPOSES A TOPOGRAPHIC SURVEY IS REQUIRED.

KNOW ALL MEN BY THESE PRESENTS:

That Three Bays Properties #2, Inc., a Florida Corporation, is owner of the South 400 feet of Tract No. 2 and all of Tract No. 1 of Cocoplum Beach Property, EXCEPT the South 375 feet thereof, according to plat thereof recorded in plat book 53 at page 2 of the public records of Dade County, Florida, and Three Bays Properties #3, Inc., a Florida Corporation is owner of a portion of Tract 1 of the amended plat of Journey's End as recorded in plat book 34 at page 89 of the public records of Dade County, Florida.

Section 5 of the N.W. 1/4 of Section 5, Township 55 South, Range 41 East, Tallahassee Meridian in Florida, thence North 69 degrees 00 minutes 00 seconds East along the North line of said Fractional Section 5 for a distance of 300.0 feet to a point, thence South 36 degrees 21 minutes 12 seconds West for a distance of 101.62 feet to a point, on a circular curve having a radius of 1520 feet, thence North 46 degrees 56 minutes 30 seconds East from the center of said curve, thence Northwesterly along said circular curve having a radius of 1520 feet, through a central angle of 13 degrees 34 minutes 34 seconds for an arc distance of 360 feet to a point of tangency, thence Northwesterly and Westerly along a tangential circular curve having a radius of 354.97 feet through a central angle of 35 degrees 34 minutes 34 seconds for an arc distance of 220.20 feet to the N.W. corner of said Fractional Section 5 and the point of beginning of the parcel of land herein described.

AND begin at the N.E. corner of the N.E. 1/4 of Section 6, Township 55 South, Range 41 East and the N.W. corner of Fractional Section 5, Township 55 South, Range 41 East, thence North 69 degrees 00 minutes 00 seconds East along the North line of said Fractional Section 5 for a distance of 1058.35 feet to a point, thence North 1 degree 00 minutes 00 seconds West for a distance of 375 feet to a point, thence South 69 degrees 00 minutes 00 seconds West along a line parallel to and 375 feet North of the North line of said Fractional Section 5 for a distance of 1058.35 feet to a point, thence South 67 degrees 49 minutes 40 seconds West along a line parallel with and 375 feet North of the North line of the N.E. 1/4 of said Section 6 for a distance of 358.35 feet to a point on the Easterly right-of-way line of Old Cutler Road, thence South 76 degrees 35 minutes 17 seconds West along the Easterly right-of-way line of Old Cutler Road for a distance of 42.775 feet to a point on the North line of the N.E. 1/4 of said Section 6, thence North 67 degrees 49 minutes 40 seconds East along the North line of the N.E. 1/4 of said Section 6 for a distance of 379.85 feet to the N.E. corner of said Section 6 and the point of beginning of the parcel of land herein described.

AND the South 375 feet of Tract 1 of Cocoplum Beach Property as recorded in Plat Book 53 at page 2 of the public records of Dade County, Florida, shall be divided into the South 375 feet of said Tract 1, thence North 69 degrees 00 minutes 00 seconds East along the North line of said Fractional Section 5 for a distance of 300.0 feet to the point of beginning of the parcel of land herein described, thence continue North 69 degrees 00 minutes 00 seconds East along the North line of said Fractional Section 5 for a distance of 788.35 feet to a point, thence South 1 degree 00 minutes 00 seconds East for a distance of 300.0 feet along a radial line to a point and the point of tangency of a circular curve, thence Westerly and Northwesterly along said tangential circular curve having a radius of 1491.67 feet through a central angle of 25 degrees 57 minutes 54 seconds for an arc distance of 676.06 feet to a point, said point bearing South 24 degrees 57 minutes 54 seconds West from the center of said curve, thence North 67 degrees 34 minutes 36 seconds West for a distance of 195.81 feet to a point, thence North 36 degrees 21 minutes 12 seconds East for a distance of 101.62 feet to the point of beginning of the parcel of land herein described.

That the property of Three Bays Properties #3, Inc., as hereinabove described has been platted into Lots 1 and 2 and Tract 'K' of Block 'C' as shown on the attached plat.

That the property of Three Bays Properties #2, Inc., as hereinabove described has been platted into Lots 1 and 2 and Tract 'K' of Block 'C' as shown on said attached plat.

That the owners of the above described properties have caused to be made the attached plat of 'GABLES ESTATES NUMBER 2'.

That the Park, Road, Highway Drive, Parkway and Terrace as shown on the attached plat, together with all existing and future planting, trees and shrubbery thereon are hereby dedicated to the perpetual use of the public for proper purposes, reserving to Three Bays Properties #2, Inc., and Three Bays Properties #3, Inc., and their respective successors and assigns, the reversion of 'reversions thereof' whenever discontinued by law.

The lawful zoning regulations, now in effect, or as the same may from time to time be lawfully changed or amended, applicable to the area covered by this plat will be observed.

IN WITNESS WHEREOF the Three Bays Properties #2, Inc., and Three Bays Properties #3, Inc., have caused these presents to be signed in their corporate names by their respective Presidents and their corporate seals, to be hereunto attested and attested by their respective Secretaries this 20th day of March, A.D. 1956.

Witnesses
Three Bays Properties #2, Inc.

Re: 20 Casuarina Concourse
GABLES ESTATES No 2, LOTS 30 & 31, BLK A, PB/PG 60/37.
Folio No: 03-4132-019-0300

Dear Ms. Tapanes:

Please be advised that after careful research and study of our records and the information presented, the Zoning Division made the following determination 20 Casuarina Concourse, Gables Estates No 2 Section, Lots 30 & 31, Blk A, PB/PG 26/37, cannot be considered two separate building sites due the following reasons; the analysis of the permit history identifies lots 30 & 31 together as one building site. In addition a Declaration of Restrictive Covenant recorded in the Clerk of Court Miami-Dade County on October 22, 2007 indicates that said lots 30 & 31 shall be held together as one tract.

Also, please refer to Zoning Code Section 3-206 (E) (3) "If a single-family residence or duplex building is demolished or removed, whether voluntarily or involuntarily or by an act of God or casualty, no permit shall be issued for the construction of more than one (1) building on the building site.

Section 3-206 (D) of the "Zoning Code" states: "In the event that an applicant for a building site determination is denied by the Development Review Official or any change is proposed for the purpose of creating a new building site, the application shall submit an application for conditional use approval, together with a proposed site plan, and such application shall be reviewed in accordance with the procedures established in Article 3, Division 4 of these regulations and the applicable standards in subsection F".

Any change from the foregoing may only be made upon a demonstration of a change in the materials facts upon which this determination is made by the City Commission after the matter has first been heard at a public hearing for an establishment of a building site before the Planning and Zoning Board.

Please be advised that this determination does not constitute a development order. If you have any further questions in this matter, please do not hesitate to contact this office.

Sincerely,

A handwritten signature in black ink, appearing to read "MSB", with a long horizontal flourish extending to the right.

Re: Separation/Establishment of a Building Site and Release of Unity of Title
for 20 Casuarina Concourse, Coral Gables

Dear Members:

On behalf of Gables Estates Club, Inc. ("HOA"), I am hereby asking you to approve this request to support the release the Declaration of Restrictive Covenant, dated October 19, 2007, recorded at Official Record Book 26001 at Page 1248 of the Public Records of Miami-Dade County, Florida, in order to permit the separation of the building site located at 20 Casuarina Concourse and allow the establishment of two separate lots sites. Furthermore the request has been reviewed by our Architectural Review Board and it was approved unanimously.

We understand that the establishment of two separate building sites will allow the development of one single-family residence in full compliance with the City's Single Family Residential (SFR) zoning district and the HOA's Charter and Bylaws on each of the two platted parcels, legally described as Lot 30 and Lot 31 of Block A of Gables Estates No. 2, according to the plat thereof, as recorded in Plat Book 60 at Page 37 of the Public Records of Miami-Dade County, Florida.

We are confident that approval of this application will have beneficial effects and serve important public interests, while not having adverse effects on the environment, overburdening public services, or changing the desired character of the Gables Estates community. We urge the Planning and Zoning Division and Planning and Zoning Board to recommend in favor of the application, and implore the City Commission to approve the application.

Sincerely yours,

A handwritten signature in blue ink, which appears to read "Rene Guerra".

ARTICLE XIII - BUILDING SITES

SECTION 13-1 BUILDING SITES - GENERAL.

Every building or structure hereafter erected, constructed, reconstructed or structurally altered shall be located on a building site as herein defined, and in no case shall there be more than one building or structure on a building site, except as may be provided for herein concerning permitted accessory or subordinate buildings for auxiliary or accessory uses. No building site shall be so reduced or diminished that the yards or other open spaces hereby required shall be smaller than prescribed by this code, nor shall the density of population be increased in any manner except in conformity with the building and building site area regulations herein established.

SECTION 13-2 BUILDING SITES FOR "R", "D" AND "A" USES - GENERAL (2661)

- (a) Except as may be provided hereinafter to the contrary, in connection with replats, subdivisions and specifically described lots or parcels of land, all buildings or structures designed for an "R", "D" and "A" Use shall be constructed or erected upon a building site containing at least one (1) platted lot, and such building site shall have a street frontage of not less than fifty (50) feet.

Only one (1) single family residence, duplex or apartment building shall be constructed or erected upon any one building site having not less than the minimum street frontage required by this code.

- (b) In order to maintain open space, neighborhood character, property values and visual attractiveness of residential areas, wherever there may exist a single family residence, duplex building or any auxiliary building or structure including, but not limited to, swimming pools, tennis courts, walls, fences or any other improvement which was heretofore constructed on property containing one or more platted lots or portions thereof, such lots shall thereafter constitute only one building site and no permit shall be issued for the construction of more than one residence or duplex building on the site.
- (c) If a single family residence or duplex building is demolished or removed therefrom whether voluntarily or involuntarily or by destruction or disaster, no permit shall be issued for the construction of more than one such building on such building site.

SECTION 13-2.1 SEPARATION OR ESTABLISHMENT OF BUILDING SITES (2661)

- (a) Any change from the foregoing provisions for the purpose of establishing building sites, or separation of building sites shall require special approval by ordinance duly passed and adopted by the City Commission after first having been heard before the Planning and Zoning Board at a public hearing, at which all interested persons shall be afforded an opportunity to be heard. In making its recommendation the Planning and Zoning Board shall be guided by whether the application for establishment or separation of building

sites is compatible with the neighborhood, and they may recommend and the City Commission may prescribe appropriate conditions, restrictions or safeguards it deems necessary to provide for neighborhood compatibility and to be in the best interest of the general public.

- (b) In reviewing an application for the establishment or separation of building sites the Planning and Zoning Board and the City Commission shall consider, but not be limited to, the following criteria:

1. Whether the building site(s) created would be equal to or larger than the majority of the existing building sites of the same character within the surrounding area.
2. Whether the building site(s) created would result in existing structures becoming non-conforming as it relates to setbacks, ground coverage and other applicable provisions of the Zoning Code.
3. Whether the building site(s) created is free of encroachments from abutting buildable sites.
4. Whether the building site(s) created was purchased as a separate building site(s) by the current owner prior to September 17, 1977.

SECTION 13-3 "R", "D" AND "A" USES AT DESIGNATED LOCATIONS.

- (a) The following regulations governing building sites shall apply in connection with any building or structure erected, constructed or designed for R, D or A Use at or upon the specific locations and properties within the City as herein described.

1. Section "A"

- a. No building site facing upon Anderson Road, DeSoto Boulevard, Granada Boulevard, Coral Way or Plaza Columbus shall contain less than two platted lots, where such lots are less than fifty-five (55) feet in width.

2. Section "B"

- a. No building site facing upon Granada Boulevard, North Greenway Drive, South Greenway Drive, Coral Way or LeJeune Road shall contain less than two platted lots where such lots are less than fifty-five (55) feet in width.
- b. Lots 1, 2, 3 and 24, Block 20 shall be considered as three building sites as follows: (2530)

1. One building site to consist of Lot 24;
2. One building site to consist of Lot 1 and the western one-half of Lot 2;

CITY OF CORAL GABLES, FLORIDA NOTICE OF PUBLIC HEARING

City Public Hearing Dates/Times	Local Planning Agency (LPA) Planning and Zoning Board Wednesday, January 14, 2015, 6:00 — 9:00 p.m.
Location	City Commission Chambers, City Hall, 405 Blithmore Way, Coral Gables, Florida, 33134

PUBLIC NOTICE is hereby given that the City of Coral Gables, Florida, Local Planning Agency (LPA)/Planning and Zoning Board (PZB) will conduct Public Hearings on the following:

Items 1 through 3 are related (these items were continued from the December 10, 2014 Board meeting).

1. An Ordinance of the City Commission of Coral Gables, Florida requesting an amendment to the Future Land Use Map of the City of Coral Gables Comprehensive Plan pursuant to Zoning Code Article 3, "Development Review," Division 15, "Comprehensive Plan Text and Map Amendments," and Small Scale Amendment procedures (S.163.3187, Florida Statutes), changing the boundaries between Commercial Low-Rise Intensity, Commercial Mid-Rise Intensity and Commercial High-Rise Intensity Land Use designations on property generally bounded by Sevilla Avenue on the north, Malaga Avenue on the south, Ponce de Leon Boulevard on the west and Galiano Street on the east, and generally known as 2801, 2901, and 3001 Ponce de Leon Boulevard, Coral Gables, Florida as shown on Exhibit "A" and legally described on Exhibit "B;" providing for severability, repealer and an effective date. (LPA review)
2. An Ordinance of the City Commission of Coral Gables, Florida requesting an amendment to the text of the City of Coral Gables Comprehensive Plan, Future Land Use Element, Policy FLU-1.1.3, "Table FLU-2. Commercial Land Uses," pursuant to expedited State review procedures (S.163.3184, Florida Statutes) and Zoning Code Article 3, "Development Review," Division 15, "Comprehensive Plan Text and Map Amendments;" amending the "Commercial High-Rise Intensity," "Commercial Mid-Rise Intensity," and "Commercial Low-Rise Intensity" Land Use Classifications to provide that (A) residential use shall be permitted and (B) intensity shall be controlled by a Planned Area Development plan instead of by Floor Area Ratio, in a project developed in accordance with the Mediterranean Village Form-Based Code; and further amending the "Commercial High-Rise Intensity" and "Commercial Mid-Rise Intensity" Land Use Classifications to provide that, in such a Mediterranean Village project, additional height may be granted for specified uses or architectural embellishment; providing for severability, repealer and an effective date.
3. An Ordinance of the City Commission of Coral Gables, Florida providing for text amendments to the City of Coral Gables Official Zoning Code, by amending Article 3, "Development Review," Division 5, "Planned Area Development," to create Section 3-510, "Mediterranean Village Form-Based Code," with

CITY OF CORAL GABLES
PLANNING DEPARTMENT
2015 JAN -7 AM 11:56

form-based development standards that modify and supplement the existing Planned Area Development standards and criteria to allow appropriate infill and redevelopment in urbanized areas if certain minimum requirements are met; and amending Appendix A, "Site Specific Zoning Regulations," Section A-36 "Crafts Section," by removing Section A-36.B.5. regarding the use, design and number of stories for development in Block 20; providing for severability, repealer, codification and an effective date.

4. An Ordinance of the City Commission of Coral Gables, Florida requesting Conditional Use Review for a Building Site Determination pursuant to Zoning Code Article 3, "Development Review", Section 3-206, "Building Site Determination" to create two (2) separate single-family building sites on property zoned Single-Family Residential (SFR) District; one (1) building site on Lot 30 and one (1) building site consisting of Lot 31 on the property legally described as Lots 30 and 31, Block A, Gables Estates No. 2 (20 Casuarina Concourse), Coral Gables, Florida; including required conditions; providing for severability, repealer, codification, and an effective date.

All interested parties are invited to attend and participate. Upon recommendation by the Board, the applications will be scheduled for City Commission consideration. Please visit the City webpage at www.coralgables.com to view information concerning the applications. The complete applications are on file and available for examination during business hours at the Planning and Zoning Division, 427 Biltmore Way, Suite 201, Coral Gables, Florida, 33134. Questions and written comments can be directed to the Planning Division at planning@coralgables.com (FAX: 305.460.5327) or 305.460.5211.

Ramon Trias
Director of Planning and Zoning
Planning & Zoning Division
City of Coral Gables, Florida

Any person, who acts as a lobbyist pursuant to the City of Coral Gables Ordinance No. 2008-11, as amended, must register with the City Clerk prior to engaging in lobbying activities before City Staff, Boards, Committees or City Commission. A copy of the Ordinance is available in the Office of the City Clerk, City Hall. If a person decides to appeal any decision made by a Board, Committee or City Commission with respect to any matter considered at a meeting or hearing, that person will need to ensure that a verbatim record of the proceedings is made, which record includes the testimony and evidence upon which the appeal is to be based (F.S. 288.0105). Any meeting may be opened and continued and, under certain circumstances, additional legal notice will not be provided. Any person requiring special accommodations for participation in the proceedings or the materials in accessible format should contact Walter Carlson, Assistant City Planner at 305.460.5211, no less than three working days prior to the meeting. All meetings are telecast live on Coral Gables TV Channel 77.

City of Coral Gables Courtesy Public Hearing Notice

January 2, 2015

Applicant:	Benjamin Leon, Jr., as Trustee
Application:	Separation of a Building Site and Conditional Use Site Plan Review
Property:	20 Casuarina Concourse, Coral Gables, Florida
Public Hearing - Date/Time/ Location:	Planning and Zoning Board January 14, 2015, 6:00 – 9:00 p.m. City Commission Chambers, City Hall, 405 Biltmore Way, Coral Gables, Florida, 33134

PUBLIC NOTICE is hereby given that the City of Coral Gables, Florida, Planning and Zoning Board (PZB) will conduct a Public Hearing on January 14, 2015 on the following application at the Coral Gables City Commission Chambers, City Hall, 405 Biltmore Way, Coral Gables, Florida:

"An Ordinance of the City Commission of Coral Gables, Florida requesting Conditional Use Review for a Building Site Determination pursuant to Zoning Code Article 3, "Development Review", Section 3-206, "Building Site Determination" to create two (2) separate single-family building sites on property zoned Single-Family Residential (SFR) District; one (1) building site on Lot 30 and one (1) building site consisting of Lot 31 on the property legally described as Lots 30 and 31, Block A, Gables Estates No. 2 (20 Casuarina Concourse), Coral Gables, Florida; including required conditions; providing for severability, repealer, codification, and an effective date."

Separation of a Building Site and
Conditional Use Site Plan Review

January 14, 2014

Request: Separation of a Building Site and Conditional Use Site Plan Review

- ❖ Separate an existing 2.59 acre building site with 376' of street frontage into two (2) building sites
- ❖ Proposed building sites:
 1. Lot 30: 1.2 acre building site with 200' of street frontage
 2. Lot 31: 1.39 acre building site with 176' of street frontage

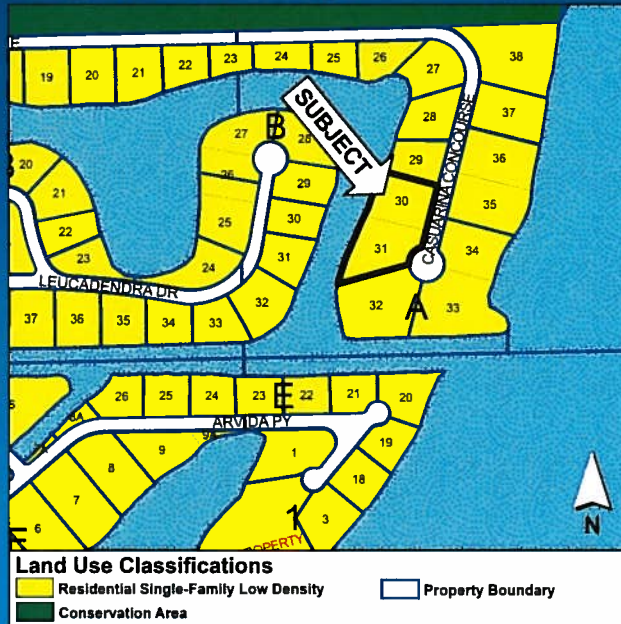

Application History

- ❖ 06.25.2007: Historic Preservation Board passed a motion not to designate property as historic allowing for demolition of the previously existing 3-story residence referred to as the “Wackenhut Castle”
- ❖ 09.26.2014: Application presented to Development Review Committee (DRC)
 - ❖ Applicant has satisfactorily resolved all DRC comments

Site Plan Information

Type	Existing Building Site	Proposed Lot 30 Building Site	Proposed Lot 31 Building Site
Building site frontage	376'	200'	176'
Waterway frontage	510'	200'	310'
Building site depth	Approx. 275'	Approx. 275'	Approx. 275'
Total site area	112,747 sq. ft.	52,502 sq. ft.	60,245 sq. ft.
Building floor area (FAR)	Max. 34,974 sq. ft.	Max. 16,901 sq. ft.	Max. 19,224 sq. ft.
Building height (max. permitted)	2 stories/39'-0" above est. grade	2 stories/39'-0" above est. grade	2 stories/39'-0" above est. grade
Setbacks*:			
Front	Min. 50'-0"	Min. 50'-0"	Min. 50'-0"
Side interior	Min. 30'-0"	Min. 30'-0"	Min. 30'-0"
Rear	Min. 50'-0"	Min. 50'-0"	Min. 50'-0"

*Zoning Code Appendix A - Site Specific Regulations, Section A-49 Gables Estates No. 2, requires a minimum 50' front setback, minimum 30' side setbacks, and minimum 50' setback from canal, waterway, lake or bay.

Review of Zoning Code Criteria

Zoning Code Section 3-206(F) provides the criteria for the separation and establishment of building sites, as follows:

“F. When reviewing and providing a recommendation on an application for conditional use for a building site determination, the Planning Department, Planning and Zoning Board and the City Commission shall consider and evaluate the request together with a proposed site plan and provide findings that the application satisfies at least four (4) of the following six (6) criteria:

Staff reviewed the Application based upon the six (6) criteria and determined the following:

Review of Zoning Code Criteria

- ❖ Staff found that the proposal did satisfy one (1) of the six (6) criteria: 1) neighborhood compatibility.
- ❖ Staff found that the proposal did not satisfy five (5) of the six (6) criteria: 1) has unusual site configuration; 2) has equal or larger building frontage than surrounding properties; 3) would not result in demolished or existing structures becoming non-conforming; 4) no restrictive covenants or encroachments exist, including demolished buildings, that would prevent site separation; and, 5) the property was purchased by the current owner prior to September 17, 1977.

Staff Recommendation

- ❖ Staff recommends **denial** of the request since the Application satisfies only one (1) of the six (6) criteria.

Alternative Recommendation Conditions

- ❖ If the Planning and Zoning Board determines based upon additional information presented by the applicant that the application satisfies the criteria and desires to recommend **approval** then Staff recommends the following conditions:
 1. The new single-family residences constructed on the two (2) building sites shall meet all applicable requirements of the Zoning Code, and no variances shall be required or requested.

Alternative Recommendation Conditions

2. A detailed tree disposition plan and landscape plan shall be prepared and provided by the Applicant, subject to review and approval of the Directors of the Public Service Division and the Planning and Zoning Division prior to the submittal to the Board of Architects for either building site.
3. Prior to submittal to the Board of Architects the property owner, its successors or assigns shall file for a release of the restrictive covenant currently running with the land.
