

City of Coral Gables  
CITY COMMISSION MEETING  
November 10, 2015

**ITEM TITLE:**

A Resolution authorizing the execution of an Off-System Construction and Maintenance Agreement with the Florida Department of Transportation (FDOT) to construct safety and capacity improvements on Alhambra Circle, a road not on the State Highway System.

**DEPARTMENT HEAD RECOMMENDATION:**

Approval.

**BRIEF HISTORY:**

The Florida Department of Transportation (FDOT) will be constructing safety improvements along LeJeune from Majorca Avenue to Almeria Avenue. This agreement allows the construction of improvements on Alhambra Circle, a road not on the State Highway System, extending approximately 205ft into Alhambra Circle west of SR953/LeJeune Road edge of pavement and 300ft into Alhambra Circle east of SR 953/LeJeune Road edge of pavement. The improvements on Alhambra Circle include the addition of a left turn lane which should significantly improve traffic safety and flow in the area. The project includes the following components: Pavement widening; drainage improvements; sidewalk and driveway reconstruction; signing and pavement marking; landscape, lighting and irrigation modifications to existing raised median and existing/proposed bulb-outs. The city will perpetually maintain all improvements on Alhambra Circle, once completed.
