Mr. Ramon Trias
Planning and Zoning Director
City of Coral Gables
427 Biltmore Way, 2nd Floor
Coral Gables, FL 33134

Re: Henry S. West Laboratory School Addition

Dear Mr. Trias:

On behalf of the Miami-Dade County School Board (the "Applicant"), and pursuant to Section 6.2 of the Amended and Restated Interlocal Agreement for Public School Facility Planning in Miami-Dade County, we respectfully submit this Letter of Intent/Statement of Use in connection with the attached Development Review Committee application for Courtesy Site Plan review for the proposed Addition at Henry S. West Laboratory School, located at 5300 Carillo Street Coral Gables, FL 33146.

The property, deeded to the School Board in 1954, is designated as "UCD - University Campus District – Frontage A" in the City of Coral Gables Zoning Atlas. The property is 422,532 SF in lot area and has frontage on Carillo Street to the east, Pisano Avenue to the north, and the University Waterway on the northwest. The property is currently the site of the existing Henry S. West Laboratory School, built in 1955.

The Applicant will be constructing a new one-story addition of approximately 8,006 square feet to be used as Classroom space for the school as it converts to a K-8 facility. The proposed Addition includes five (5) General Purpose Classrooms and one (1) Science Classroom with associated restrooms. Also included in the scope of work is the construction of a new Elementary School Hardcourt and a new Middle School Hardcourt. Two existing Storage buildings are proposed to be demolished (Buildings 08 and 09) and replaced with a new Storage addition attached to the rear of the existing PE Shelter. We believe the proposed work complies with applicable zoning and land use regulations. Additionally, we have designed the addition to fully comport with and preserve the overall campus aesthetic.

We look forward to coordinating with the City as we move the project forward. Kindly provide your comments at your earliest convenience.

Please feel free to call me at 305-444-8262 should you need additional information or have questions in the interim.

Sincerely yours.

Alejandro Silva, AIA AS/ab
