Exhibit C

	- 00		5 01
	Page 89		Page 91
1	really asking for is some visual examples	1	5-1409, "Amount of Required Parking," to
2	MR. TRIAS: Sure.	2	establish provisions for charging stations of
3	CHAIRMAN AIZENSTAT: to give us an idea.	3	electric vehicles; providing for a repealer
4	MR. TRIAS: I understand. I understand.	4	provision, providing for a severability clause,
5	We'll get back to this.	5	codification and providing for an effective
6	CHAIRMAN AIZENSTAT: Okay. Thank you.	6	date.
7	MR. COLLER: So were going to defer to a	7	Item 7, public hearing.
8	date certain.	8	MR. TRIAS: Thank you, Mr. Chairman.
9	CHAIRMAN AIZENSTAT: We're going to defer.	9	This items requires electrical vehicle
10	Do you need a motion to defer?	10	charging stations. We gave you some background
11	MR. COLLER: Yes.	11	information on this, and basically some cities
12	MR. TRIAS: Just defer to some time.	12	have done this. It seems to be a trend. We
13	CHAIRMAN AIZENSTAT: Do you need a	13	are requiring a percentage of off-street
14	motion	14	parking to be equipped with charging stations.
15	MR. TRIAS: We'll readvertise.	15	And, basically, all of the large projects will
16	MR. BEHAR: Motion to indefinite.	16	also have certain technical requirements for
17	MR. COLLER: Well, do we want a date	17	the charging capability, and we have some
18	certain to avoid readvertising?	18	standards and definitions.
19	MR. TRIAS: Frankly, I'd prefer not to do	19	Basically what we're talking about is when
20	that, because I can't	20	a project has twenty or more off-street parking
21	MR. COLLER: Okay. So then motion to a	21	spaces, require a minimum of two percent of
22	date uncertain. That's fine.	22	the required off-street parking shall be
23	CHAIRMAN AIZENSTAT: Robert, did you make	1	reserved for electrical vehicles. That's
24	that motion?	24	basically the main idea.
25	MR. BEHAR: I'll make the motion.	25	So two percent of the parking is going to
			so two percent of the parking is going to
		1

MS. BALIDO-HART: Yes. THE SECRETARY: Robert Behar? MR. BEHAR: Yes. THE SECRETARY: Marshall Bellin? MR. BELLIN: Yes. THE SECRETARY: Eibi Aizenstat? CHAIRMAN AIZENSTAT: Yes. Item Number 7, Craig. MR. COLLER: Item Number 7, an Ordinance of the City Commission of Coral Gables, Florida providing for text amendments to the City of	2 3 4 5 6 7 8 9 10 11 12 13 14 15 16 17 18 19 20 21 22 23	be electrical, and then there are some definitions that deal with the technical expectations of different charging stations. This is fairly typical language in this industry, and I suppose it's the current language. I don't know what the future will be, but this will be acceptable as of today. We also have some definition for electric vehicle charging station. Staff has reviewed the amendment and recommends approval. Thank you very much. CHAIRMAN AIZENSTAT: Thank you. Are there any MS. MENENDEZ: I have a question. Do we allow these charging, not stations so much, but do we allow it for residential, like these charging apparatuses for electrical vehicles, that you know of? MR. TRIAS: They're allowed. They're not required. MS. MENENDEZ: No, right. I know that. MR. TRIAS: But they're allowed, yes.

	Page 93		Page 95
1	that?	1	CHAIRMAN AIZENSTAT: So you would lose two
2	MR. TRIAS: I don't know of any City	2	spaces.
3	incentives, but we could think about that.	3	MS. MENENDEZ: Unless you have an
4	MS. MENENDEZ: No. No. I just was	4	electrical vehicle.
5	wondering.	5	MS. BALIDO-HART: You lose them. That's
6	MS. BALIDO-HART: Can you clarify	6	the point, you're losing the two spaces.
7	something? So how will this affect the	7	MR. TRIAS: Well, they're not lost, in the
8	number and I'm all for this, this is	8	sense that they're still there and they're
9	beautiful, but how would this affect the number	9	still being used for parking.
10	of available parking spaces for regular cars?	10	MR. BEHAR: You need an electric car to
11	How does that work? And will you be ticketed	11	park there.
12	if a non-electrical car parks in that space?	12	MS. BALIDO-HART: Yes. And what happens if
13	How does that address that issue? And where	13	you park there and your car is not electric?
14	did we get these percentages from and how	14	MR TRIAS: Well, that's up to the property
15	accurate and reasonable do we think that	15	owner. Again, we're talking about private
16	percentage is compared to usage?	16	property parking garages.
17	MR. TRIAS: Yeah. This is for private	17	MS. BALIDO-HART: Okay.
18	parking, so ticketing is not an issue. If you	18	MS. MENENDEZ: They might have a sign
19	do a parking garage, two percent of the	19	saying that they're going to tow it or they
20	required parking needs to be with charging	20	might have some
21	stations.	21	CHAIRMAN AIZENSTAT: So there's no
22	Now, in terms of numbers, in terms of	22	enforcement from
23	percentages, these are the best practices that	23	MS. MENENDEZ: But we're not outlining
24	we have researched in other places.	24	enforcement in the Ordinance.
25	MS. BALIDO-HART: Okay.	25	MR. TRIAS: I'm not going that far with the
	Page 94		Page 96
1	MR. TRIAS: We added some of that	1	Page 96 Zoning Code, so
2	MR. TRIAS: We added some of that information in this Staff Report. So this	2	Zoning Code, so MR. BEHAR: Ramon, this is not over and
	MR. TRIAS: We added some of that information in this Staff Report. So this seems to be the state of the art in terms of	l	Zoning Code, so MR. BEHAR: Ramon, this is not over and beyond what is required by LEED, right, because
2 3 4	MR. TRIAS: We added some of that information in this Staff Report. So this seems to be the state of the art in terms of best practices.	2 3 4	Zoning Code, so MR. BEHAR: Ramon, this is not over and beyond what is required by LEED, right, because if you're going to do a LEED building, you
2 3 4 5	MR. TRIAS: We added some of that information in this Staff Report. So this seems to be the state of the art in terms of best practices. CHAIRMAN AIZENSTAT: Before we continue, is	2 3 4 5	Zoning Code, so MR. BEHAR: Ramon, this is not over and beyond what is required by LEED, right, because if you're going to do a LEED building, you know, chances are you would incorporate this.
2 3 4 5 6	MR. TRIAS: We added some of that information in this Staff Report. So this seems to be the state of the art in terms of best practices. CHAIRMAN AIZENSTAT: Before we continue, is there anybody from the public, Jill, for this?	2 3 4 5 6	Zoning Code, so MR. BEHAR: Ramon, this is not over and beyond what is required by LEED, right, because if you're going to do a LEED building, you know, chances are you would incorporate this. This is not over and beyond those?
2 3 4 5 6 7	MR. TRIAS: We added some of that information in this Staff Report. So this seems to be the state of the art in terms of best practices. CHAIRMAN AIZENSTAT: Before we continue, is there anybody from the public, Jill, for this? THE SECRETARY: No, there's not.	2 3 4 5 6 7	Zoning Code, so MR. BEHAR: Ramon, this is not over and beyond what is required by LEED, right, because if you're going to do a LEED building, you know, chances are you would incorporate this. This is not over and beyond those? MR. TRIAS: No.
2 3 4 5 6 7 8	MR. TRIAS: We added some of that information in this Staff Report. So this seems to be the state of the art in terms of best practices. CHAIRMAN AIZENSTAT: Before we continue, is there anybody from the public, Jill, for this? THE SECRETARY: No, there's not. CHAIRMAN AIZENSTAT: Okay. I just want to	2 3 4 5 6 7 8	Zoning Code, so MR. BEHAR: Ramon, this is not over and beyond what is required by LEED, right, because if you're going to do a LEED building, you know, chances are you would incorporate this. This is not over and beyond those? MR. TRIAS: No. MS. MENENDEZ: No, it's not.
2 3 4 5 6 7 8 9	MR. TRIAS: We added some of that information in this Staff Report. So this seems to be the state of the art in terms of best practices. CHAIRMAN AIZENSTAT: Before we continue, is there anybody from the public, Jill, for this? THE SECRETARY: No, there's not. CHAIRMAN AIZENSTAT: Okay. I just want to make sure.	2 3 4 5 6 7 8	Zoning Code, so MR. BEHAR: Ramon, this is not over and beyond what is required by LEED, right, because if you're going to do a LEED building, you know, chances are you would incorporate this. This is not over and beyond those? MR. TRIAS: No. MS. MENENDEZ: No, it's not. MR. BEHAR: Okay. And I think, if you're
2 3 4 5 6 7 8 9	MR. TRIAS: We added some of that information in this Staff Report. So this seems to be the state of the art in terms of best practices. CHAIRMAN AIZENSTAT: Before we continue, is there anybody from the public, Jill, for this? THE SECRETARY: No, there's not. CHAIRMAN AIZENSTAT: Okay. I just want to make sure. MS. BALIDO-HART: Sorry.	2 3 4 5 6 7 8 9	Zoning Code, so MR. BEHAR: Ramon, this is not over and beyond what is required by LEED, right, because if you're going to do a LEED building, you know, chances are you would incorporate this. This is not over and beyond those? MR. TRIAS: No. MS. MENENDEZ: No, it's not. MR. BEHAR: Okay. And I think, if you're going to do this, two percent, for example, of
2 3 4 5 6 7 8 9 10	MR. TRIAS: We added some of that information in this Staff Report. So this seems to be the state of the art in terms of best practices. CHAIRMAN AIZENSTAT: Before we continue, is there anybody from the public, Jill, for this? THE SECRETARY: No, there's not. CHAIRMAN AIZENSTAT: Okay. I just want to make sure. MS. BALIDO-HART: Sorry. CHAIRMAN AIZENSTAT: No, that's okay. Not	2 3 4 5 6 7 8 9 10	Zoning Code, so MR. BEHAR: Ramon, this is not over and beyond what is required by LEED, right, because if you're going to do a LEED building, you know, chances are you would incorporate this. This is not over and beyond those? MR. TRIAS: No. MS. MENENDEZ: No, it's not. MR. BEHAR: Okay. And I think, if you're going to do this, two percent, for example, of twenty spaces, you're not providing any space.
2 3 4 5 6 7 8 9 10 11	MR. TRIAS: We added some of that information in this Staff Report. So this seems to be the state of the art in terms of best practices. CHAIRMAN AIZENSTAT: Before we continue, is there anybody from the public, Jill, for this? THE SECRETARY: No, there's not. CHAIRMAN AIZENSTAT: Okay. I just want to make sure. MS. BALIDO-HART: Sorry. CHAIRMAN AIZENSTAT: No, that's okay. Not a problem at all. Go ahead, Jolie.	2 3 4 5 6 7 8 9 10 11 12	Zoning Code, so MR. BEHAR: Ramon, this is not over and beyond what is required by LEED, right, because if you're going to do a LEED building, you know, chances are you would incorporate this. This is not over and beyond those? MR. TRIAS: No. MS. MENENDEZ: No, it's not. MR. BEHAR: Okay. And I think, if you're going to do this, two percent, for example, of twenty spaces, you're not providing any space. MR. TRIAS: Well, you have to provide one.
2 3 4 5 6 7 8 9 10 11 12 13	MR. TRIAS: We added some of that information in this Staff Report. So this seems to be the state of the art in terms of best practices. CHAIRMAN AIZENSTAT: Before we continue, is there anybody from the public, Jill, for this? THE SECRETARY: No, there's not. CHAIRMAN AIZENSTAT: Okay. I just want to make sure. MS. BALIDO-HART: Sorry. CHAIRMAN AIZENSTAT: No, that's okay. Not a problem at all. Go ahead, Jolie. MS. BALIDO-HART: Okay. No. No. So can	2 3 4 5 6 7 8 9 10 11 12 13	Zoning Code, so MR. BEHAR: Ramon, this is not over and beyond what is required by LEED, right, because if you're going to do a LEED building, you know, chances are you would incorporate this. This is not over and beyond those? MR. TRIAS: No. MS. MENENDEZ: No, it's not. MR. BEHAR: Okay. And I think, if you're going to do this, two percent, for example, of twenty spaces, you're not providing any space. MR. TRIAS: Well, you have to provide one. MR. BEHAR: Okay. And maybe you should do
2 3 4 5 6 7 8 9 10 11 12 13 14	MR. TRIAS: We added some of that information in this Staff Report. So this seems to be the state of the art in terms of best practices. CHAIRMAN AIZENSTAT: Before we continue, is there anybody from the public, Jill, for this? THE SECRETARY: No, there's not. CHAIRMAN AIZENSTAT: Okay. I just want to make sure. MS. BALIDO-HART: Sorry. CHAIRMAN AIZENSTAT: No, that's okay. Not a problem at all. Go ahead, Jolie. MS. BALIDO-HART: Okay. No. No. So can you just clarify, then, how would how would	2 3 4 5 6 7 8 9 10 11 12 13 14	Zoning Code, so MR. BEHAR: Ramon, this is not over and beyond what is required by LEED, right, because if you're going to do a LEED building, you know, chances are you would incorporate this. This is not over and beyond those? MR. TRIAS: No. MS. MENENDEZ: No, it's not. MR. BEHAR: Okay. And I think, if you're going to do this, two percent, for example, of twenty spaces, you're not providing any space. MR. TRIAS: Well, you have to provide one. MR. BEHAR: Okay. And maybe you should do it, you know, from zero to twenty, one; and
2 3 4 5 6 7 8 9 10 11 12 13 14 15	MR. TRIAS: We added some of that information in this Staff Report. So this seems to be the state of the art in terms of best practices. CHAIRMAN AIZENSTAT: Before we continue, is there anybody from the public, Jill, for this? THE SECRETARY: No, there's not. CHAIRMAN AIZENSTAT: Okay. I just want to make sure. MS. BALIDO-HART: Sorry. CHAIRMAN AIZENSTAT: No, that's okay. Not a problem at all. Go ahead, Jolie. MS. BALIDO-HART: Okay. No. No. So can you just clarify, then, how would how would the available I mean, we all have challenges	2 3 4 5 6 7 8 9 10 11 12 13 14 15	Zoning Code, so MR. BEHAR: Ramon, this is not over and beyond what is required by LEED, right, because if you're going to do a LEED building, you know, chances are you would incorporate this. This is not over and beyond those? MR. TRIAS: No. MS. MENENDEZ: No, it's not. MR. BEHAR: Okay. And I think, if you're going to do this, two percent, for example, of twenty spaces, you're not providing any space. MR. TRIAS: Well, you have to provide one. MR. BEHAR: Okay. And maybe you should do it, you know, from zero to twenty, one; and you know, like they used to do handicap spaces
2 3 4 5 6 7 8 9 10 11 12 13 14 15 16	MR. TRIAS: We added some of that information in this Staff Report. So this seems to be the state of the art in terms of best practices. CHAIRMAN AIZENSTAT: Before we continue, is there anybody from the public, Jill, for this? THE SECRETARY: No, there's not. CHAIRMAN AIZENSTAT: Okay. I just want to make sure. MS. BALIDO-HART: Sorry. CHAIRMAN AIZENSTAT: No, that's okay. Not a problem at all. Go ahead, Jolie. MS. BALIDO-HART: Okay. No. No. So can you just clarify, then, how would how would the available I mean, we all have challenges with parking. That's an issue.	2 3 4 5 6 7 8 9 10 11 12 13 14 15 16	Zoning Code, so MR. BEHAR: Ramon, this is not over and beyond what is required by LEED, right, because if you're going to do a LEED building, you know, chances are you would incorporate this. This is not over and beyond those? MR. TRIAS: No. MS. MENENDEZ: No, it's not. MR. BEHAR: Okay. And I think, if you're going to do this, two percent, for example, of twenty spaces, you're not providing any space. MR. TRIAS: Well, you have to provide one. MR. BEHAR: Okay. And maybe you should do it, you know, from zero to twenty, one; and you know, like they used to do handicap spaces before. Now
2 3 4 5 6 7 8 9 10 11 12 13 14 15 16 17	MR. TRIAS: We added some of that information in this Staff Report. So this seems to be the state of the art in terms of best practices. CHAIRMAN AIZENSTAT: Before we continue, is there anybody from the public, Jill, for this? THE SECRETARY: No, there's not. CHAIRMAN AIZENSTAT: Okay. I just want to make sure. MS. BALIDO-HART: Sorry. CHAIRMAN AIZENSTAT: No, that's okay. Not a problem at all. Go ahead, Jolie. MS. BALIDO-HART: Okay. No. No. So can you just clarify, then, how would how would the available I mean, we all have challenges with parking. That's an issue. MR. TRIAS: Yes.	2 3 4 5 6 7 8 9 10 11 12 13 14 15 16 17	Zoning Code, so MR. BEHAR: Ramon, this is not over and beyond what is required by LEED, right, because if you're going to do a LEED building, you know, chances are you would incorporate this. This is not over and beyond those? MR. TRIAS: No. MS. MENENDEZ: No, it's not. MR. BEHAR: Okay. And I think, if you're going to do this, two percent, for example, of twenty spaces, you're not providing any space. MR. TRIAS: Well, you have to provide one. MR. BEHAR: Okay. And maybe you should do it, you know, from zero to twenty, one; and you know, like they used to do handicap spaces before. Now MR. TRIAS: I mean, what the Code says, you
2 3 4 5 6 7 8 9 10 11 12 13 14 15 16 17 18	MR. TRIAS: We added some of that information in this Staff Report. So this seems to be the state of the art in terms of best practices. CHAIRMAN AIZENSTAT: Before we continue, is there anybody from the public, Jill, for this? THE SECRETARY: No, there's not. CHAIRMAN AIZENSTAT: Okay. I just want to make sure. MS. BALIDO-HART: Sorry. CHAIRMAN AIZENSTAT: No, that's okay. Not a problem at all. Go ahead, Jolie. MS. BALIDO-HART: Okay. No. No. So can you just clarify, then, how would how would the available I mean, we all have challenges with parking. That's an issue. MR. TRIAS: Yes. MS. BALIDO-HART: So how would this impact	2 3 4 5 6 7 8 9 10 11 12 13 14 15 16 17 18	Zoning Code, so MR. BEHAR: Ramon, this is not over and beyond what is required by LEED, right, because if you're going to do a LEED building, you know, chances are you would incorporate this. This is not over and beyond those? MR. TRIAS: No. MS. MENENDEZ: No, it's not. MR. BEHAR: Okay. And I think, if you're going to do this, two percent, for example, of twenty spaces, you're not providing any space. MR. TRIAS: Well, you have to provide one. MR. BEHAR: Okay. And maybe you should do it, you know, from zero to twenty, one; and you know, like they used to do handicap spaces before. Now MR. TRIAS: I mean, what the Code says, you have to have one if you have at least twenty
2 3 4 5 6 7 8 9 10 11 12 13 14 15 16 17 18	MR. TRIAS: We added some of that information in this Staff Report. So this seems to be the state of the art in terms of best practices. CHAIRMAN AIZENSTAT: Before we continue, is there anybody from the public, Jill, for this? THE SECRETARY: No, there's not. CHAIRMAN AIZENSTAT: Okay. I just want to make sure. MS. BALIDO-HART: Sorry. CHAIRMAN AIZENSTAT: No, that's okay. Not a problem at all. Go ahead, Jolie. MS. BALIDO-HART: Okay. No. No. So can you just clarify, then, how would how would the available I mean, we all have challenges with parking. That's an issue. MR. TRIAS: Yes. MS. BALIDO-HART: So how would this impact the availability of parking spaces? I'm still	2 3 4 5 6 7 8 9 10 11 12 13 14 15 16 17 18	Zoning Code, so MR. BEHAR: Ramon, this is not over and beyond what is required by LEED, right, because if you're going to do a LEED building, you know, chances are you would incorporate this. This is not over and beyond those? MR. TRIAS: No. MS. MENENDEZ: No, it's not. MR. BEHAR: Okay. And I think, if you're going to do this, two percent, for example, of twenty spaces, you're not providing any space. MR. TRIAS: Well, you have to provide one. MR. BEHAR: Okay. And maybe you should do it, you know, from zero to twenty, one; and you know, like they used to do handicap spaces before. Now MR. TRIAS: I mean, what the Code says, you have to have one if you have at least twenty required spaces
2 3 4 5 6 7 8 9 10 11 12 13 14 15 16 17 18 19 20	MR. TRIAS: We added some of that information in this Staff Report. So this seems to be the state of the art in terms of best practices. CHAIRMAN AIZENSTAT: Before we continue, is there anybody from the public, Jill, for this? THE SECRETARY: No, there's not. CHAIRMAN AIZENSTAT: Okay. I just want to make sure. MS. BALIDO-HART: Sorry. CHAIRMAN AIZENSTAT: No, that's okay. Not a problem at all. Go ahead, Jolie. MS. BALIDO-HART: Okay. No. No. So can you just clarify, then, how would how would the available I mean, we all have challenges with parking. That's an issue. MR. TRIAS: Yes. MS. BALIDO-HART: So how would this impact the availability of parking spaces? I'm still not clear on that.	2 3 4 5 6 7 8 9 10 11 12 13 14 15 16 17 18 19 20	Zoning Code, so MR. BEHAR: Ramon, this is not over and beyond what is required by LEED, right, because if you're going to do a LEED building, you know, chances are you would incorporate this. This is not over and beyond those? MR. TRIAS: No. MS. MENENDEZ: No, it's not. MR. BEHAR: Okay. And I think, if you're going to do this, two percent, for example, of twenty spaces, you're not providing any space. MR. TRIAS: Well, you have to provide one. MR. BEHAR: Okay. And maybe you should do it, you know, from zero to twenty, one; and you know, like they used to do handicap spaces before. Now MR. TRIAS: I mean, what the Code says, you have to have one if you have at least twenty required spaces MR. BEHAR: Up to fifty, it's one.
2 3 4 5 6 7 8 9 10 11 12 13 14 15 16 17 18 19 20 21	MR. TRIAS: We added some of that information in this Staff Report. So this seems to be the state of the art in terms of best practices. CHAIRMAN AIZENSTAT: Before we continue, is there anybody from the public, Jill, for this? THE SECRETARY: No, there's not. CHAIRMAN AIZENSTAT: Okay. I just want to make sure. MS. BALIDO-HART: Sorry. CHAIRMAN AIZENSTAT: No, that's okay. Not a problem at all. Go ahead, Jolie. MS. BALIDO-HART: Okay. No. No. So can you just clarify, then, how would how would the available I mean, we all have challenges with parking. That's an issue. MR. TRIAS: Yes. MS. BALIDO-HART: So how would this impact the availability of parking spaces? I'm still not clear on that. MR. TRIAS: It doesn't. It's the same	2 3 4 5 6 7 8 9 10 11 12 13 14 15 16 17 18 19 20 21	Zoning Code, so MR. BEHAR: Ramon, this is not over and beyond what is required by LEED, right, because if you're going to do a LEED building, you know, chances are you would incorporate this. This is not over and beyond those? MR. TRIAS: No. MS. MENENDEZ: No, it's not. MR. BEHAR: Okay. And I think, if you're going to do this, two percent, for example, of twenty spaces, you're not providing any space. MR. TRIAS: Well, you have to provide one. MR. BEHAR: Okay. And maybe you should do it, you know, from zero to twenty, one; and you know, like they used to do handicap spaces before. Now MR. TRIAS: I mean, what the Code says, you have to have one if you have at least twenty required spaces MR. BEHAR: Up to fifty, it's one. MR. TRIAS: or two percent, yeah.
2 3 4 5 6 7 8 9 10 11 12 13 14 15 16 17 18 19 20 21 22	MR. TRIAS: We added some of that information in this Staff Report. So this seems to be the state of the art in terms of best practices. CHAIRMAN AIZENSTAT: Before we continue, is there anybody from the public, Jill, for this? THE SECRETARY: No, there's not. CHAIRMAN AIZENSTAT: Okay. I just want to make sure. MS. BALIDO-HART: Sorry. CHAIRMAN AIZENSTAT: No, that's okay. Not a problem at all. Go ahead, Jolie. MS. BALIDO-HART: Okay. No. No. So can you just clarify, then, how would how would the available I mean, we all have challenges with parking. That's an issue. MR. TRIAS: Yes. MS. BALIDO-HART: So how would this impact the availability of parking spaces? I'm still not clear on that. MR. TRIAS: It doesn't. It's the same number. The required parking is a hundred, for	2 3 4 5 6 7 8 9 10 11 12 13 14 15 16 17 18 19 20 21 22	Zoning Code, so MR. BEHAR: Ramon, this is not over and beyond what is required by LEED, right, because if you're going to do a LEED building, you know, chances are you would incorporate this. This is not over and beyond those? MR. TRIAS: No. MS. MENENDEZ: No, it's not. MR. BEHAR: Okay. And I think, if you're going to do this, two percent, for example, of twenty spaces, you're not providing any space. MR. TRIAS: Well, you have to provide one. MR. BEHAR: Okay. And maybe you should do it, you know, from zero to twenty, one; and you know, like they used to do handicap spaces before. Now MR. TRIAS: I mean, what the Code says, you have to have one if you have at least twenty required spaces MR. BEHAR: Up to fifty, it's one. MR. TRIAS: or two percent, yeah. MR. BEHAR: Up to fifty is one space.
2 3 4 5 6 7 8 9 10 11 12 13 14 15 16 17 18 19 20 21 22 23	MR. TRIAS: We added some of that information in this Staff Report. So this seems to be the state of the art in terms of best practices. CHAIRMAN AIZENSTAT: Before we continue, is there anybody from the public, Jill, for this? THE SECRETARY: No, there's not. CHAIRMAN AIZENSTAT: Okay. I just want to make sure. MS. BALIDO-HART: Sorry. CHAIRMAN AIZENSTAT: No, that's okay. Not a problem at all. Go ahead, Jolie. MS. BALIDO-HART: Okay. No. No. So can you just clarify, then, how would how would the available I mean, we all have challenges with parking. That's an issue. MR. TRIAS: Yes. MS. BALIDO-HART: So how would this impact the availability of parking spaces? I'm still not clear on that. MR. TRIAS: It doesn't. It's the same number. The required parking is a hundred, for example, and then two of those have to be	2 3 4 5 6 7 8 9 10 11 12 13 14 15 16 17 18 19 20 21 22 23	Zoning Code, so MR. BEHAR: Ramon, this is not over and beyond what is required by LEED, right, because if you're going to do a LEED building, you know, chances are you would incorporate this. This is not over and beyond those? MR. TRIAS: No. MS. MENENDEZ: No, it's not. MR. BEHAR: Okay. And I think, if you're going to do this, two percent, for example, of twenty spaces, you're not providing any space. MR. TRIAS: Well, you have to provide one. MR. BEHAR: Okay. And maybe you should do it, you know, from zero to twenty, one; and you know, like they used to do handicap spaces before. Now MR. TRIAS: I mean, what the Code says, you have to have one if you have at least twenty required spaces MR. BEHAR: Up to fifty, it's one. MR. TRIAS: or two percent, yeah. MR. BEHAR: Up to fifty is one space. MR. TRIAS: Right. That's what it says,
2 3 4 5 6 7 8 9 10 11 12 13 14 15 16 17 18 19 20 21 22	MR. TRIAS: We added some of that information in this Staff Report. So this seems to be the state of the art in terms of best practices. CHAIRMAN AIZENSTAT: Before we continue, is there anybody from the public, Jill, for this? THE SECRETARY: No, there's not. CHAIRMAN AIZENSTAT: Okay. I just want to make sure. MS. BALIDO-HART: Sorry. CHAIRMAN AIZENSTAT: No, that's okay. Not a problem at all. Go ahead, Jolie. MS. BALIDO-HART: Okay. No. No. So can you just clarify, then, how would how would the available I mean, we all have challenges with parking. That's an issue. MR. TRIAS: Yes. MS. BALIDO-HART: So how would this impact the availability of parking spaces? I'm still not clear on that. MR. TRIAS: It doesn't. It's the same number. The required parking is a hundred, for	2 3 4 5 6 7 8 9 10 11 12 13 14 15 16 17 18 19 20 21 22	Zoning Code, so MR. BEHAR: Ramon, this is not over and beyond what is required by LEED, right, because if you're going to do a LEED building, you know, chances are you would incorporate this. This is not over and beyond those? MR. TRIAS: No. MS. MENENDEZ: No, it's not. MR. BEHAR: Okay. And I think, if you're going to do this, two percent, for example, of twenty spaces, you're not providing any space. MR. TRIAS: Well, you have to provide one. MR. BEHAR: Okay. And maybe you should do it, you know, from zero to twenty, one; and you know, like they used to do handicap spaces before. Now MR. TRIAS: I mean, what the Code says, you have to have one if you have at least twenty required spaces MR. BEHAR: Up to fifty, it's one. MR. TRIAS: or two percent, yeah. MR. BEHAR: Up to fifty is one space.

	Page 97		Page 99
1	MR. BELLIN: Ramon, why not make it in	1	motion?
2	addition to the required parking? Two percent	2	MS. MENENDEZ: My motion is to accept it.
3	is such a small amount. If you've got a	3	CHAIRMAN AIZENSTAT: Okay. Second it?
4	hundred cars, you've got to provide two	4	MS. VELEZ: And I'll second it, uh-huh.
5	additional parking spaces and that's it.	5	CHAIRMAN AIZENSTAT: Any other comments?
6	MR. TRIAS: Certainly that could be done,	6	Questions?
7	too.	7	Call the roll, please.
8	MS. BALIDO-HART: Why?	8	THE SECRETARY: Julio Grabiel?
9	MR. GRABIEL: Listen, there are so many	9	MR. GRABIEL: Yes.
10	people buying electrical cars nowadays. I know	10	THE SECRETARY: Maria Menendez?
11	everybody is looking at it. So I don't think	11	MS. MENENDEZ: Yes.
12	it will be a problem. I think, if anything, we	12	THE SECRETARY: Maria Velez?
13	might be short. Two percent might be short.	13	MS. VELEZ: Yes.
14	And probably buildings like that will require	14	THE SECRETARY: Jolie Balido-Hart?
15	more than one per twenty.	15	MS. BALIDO-HART: Yes.
16	MR. BEHAR: Because you're going to one for	16	THE SECRETARY: Robert Behar?
17	the first fifty, which you're probably right,	17	MR. BEHAR: Yes.
18	you're going to be short. But I think that's a	18	THE SECRETARY: Marshall Bellin?
19	minimum.	19	MR. BELLIN: Yes.
20	MR. GRABIEL: No, I agree.	20	THE SECRETARY: Eibi Aizenstat?
21	MR. BEHAR: And the market is going to	21	CHAIRMAN AIZENSTAT: Yes.
22	require that you do more.	22	MR. COLLER: I take that as a motion to
23	MR. GRABIEL: And the owners and the	23	approve in accordance with Staff
24	developers will realize that there is demand	24	recommendation, correct?
25	for that, and they will provide those.	25	MS. MENENDEZ: Always.
2 3	· · · · · · · · · · · · · · · · · · ·	23	,
	Page 98		Page 100
1	MR. BEHAR: And it becomes an amenity to	1	MS. BALIDO-HART: Yes.
2	the users of the building.	2	MS. MENENDEZ: Unless we say otherwise.
3	MR. GRABIEL: Absolutely.	3	MR. BEHAR: They do such a great job.
4	So I think this is just a minimum, just	4	MS. BALIDO-HART: A wonderful job.
5	to	5	CHAIRMAN AIZENSTAT: Let's go ahead and do
6	MR. TRIAS: Yeah.	6	the next item, and, then, afterwards, we'll
7	MS. BALIDO-HART: Is it clear that this is	7	take a little bathroom break, since 9 and 10
8	just a minimum? That was my question.	8	are together.
9	MR. TRIAS: Yes.	9	MR. COLLER: Sure.
10	MS. BALIDO-HART: Okay.	10	CHAIRMAN AIZENSTAT: That clock is one hour
11	MR. TRIAS: I think it's clear that it's a	11	ahead.
12	minimum, yes.	12	MR. COLLER: Yes, this clock is inaccurate.
13	CHAIRMAN AIZENSTAT: Maria?	13	MS. MENENDEZ: Oh, really? Oh, okay.
14	MS. MENENDEZ: No, I don't have anything.	14	CHAIRMAN AIZENSTAT: Yes.
15	MR. COLLER: It expressly states a minimum.	15	MR. COLLER: It's earlier than you think.
16	MR. TRIAS: And the next item is bicycle	16	CHAIRMAN AIZENSTAT: Craig, if you would
17	parking, so	17	please read it.
18	CHAIRMAN AIZENSTAT: Any	18	MR. COLLER: Okay. Sure.
19	MR. GRABIEL: Do we need a motion on this?	19	Item Number 8, an Ordinance of the City
20	CHAIRMAN AIZENSTAT: Any motion?	20	Commission of Coral Gables, Florida providing
21	MS. MENENDEZ: For the electrical? I'll	21	for text amendments to the City of Coral Gables
22	make a motion.	22	Official Zoning Code, by amending Article 4,
23	CHAIRMAN AIZENSTAT: For the electrical.	23	"Development Standards," Section 4-201, "Mixed
	MS. VELEZ: I'll second.	24	Use District (MXD);" Article 5, "Development
24 25	CHAIRMAN AIZENSTAT: Well, what's your	25	Standards," Section 5-604, "Coral Gables
