1	Fund, it would go directly to that crosswalk	1	construction is going to have on their
2	that would benefit the high school there,	2	
3	which, by the way, I live near there, and the	3	
4	high school has a great deal of positives and a	4	
5	great deal of negatives and a great deal of	5	
6	impact on the neighborhood, and so an improved	6	
7	sidewalk will help. If we have that from the	7	
8	other file, if Staff can identify that.	8	
9	And then, lastly, on the alley, which I		
9 10	guess we're using the wrong nomenclature, the	9

11	passage way that belongs to the City, I just	11	1
12	would like the applicant to emphasize and I	12	
13	heard it several times, maybe they have a slide	13	
14	they can show us, that there will be pedestrian	14	
15	areas there, that it will be lighted and	15	± ,
16	improved. If they could just emphasize that,	16	
17	because, after all, it is City property, and	17	
18	we'd like to continue to be able to use it.	18	
19	And that concludes my remarks. Thank you so	19
