CITY OF CORAL GABLES PROHIBITION ON **EXPANDED POLYSTYRENE**

What is Expanded Polystyrene and Why is the City Prohibiting the Use of It?

Expanded polystyrene, most commonly known as Styrofoam, is a petroleum by-product that is neither readily recyclable nor biodegradable and takes hundreds to thousands of years to degrade in the environment. Products that are made from expanded polystyrene can include, but are not limited to, plates, bowls, cups, containers lids, trays, coolers, ice chests, food containers, etc. It can fragment into smaller pieces that can be ingested by marine life and other wildlife, thus harming and killing them and constitutes a portion of the litter in the City's streets, parks, public places, and waterways.

The City Commission of the City of Coral Gables declares that it is in the best interest of the public health, safety, and welfare of its residents and visitors to reduce litter and pollutants on the land and in the waters of the City. The goal of the ordinance is promote replacing expanded polystyrene items with reusable, recyclable, or compostable alternatives whenever possible thus helping remove it from the waste stream. To help lead by example, the City has ceased purchasing products that are made of expanded polystyrene.

Who Does the Prohibition Apply To?

- City Vendors or Contractors in City Facilities, which include but is not limited to, any building, structure, park, or golf course owned, operated or managed by the City.
- Special Event Permittees and their subcontractors which include any person or entity issued a special events permit by the City for a special event on City property, in a City facility or in the City's right-of-way.
- Food service providers and stores located within the City which includes a person or entity that provides food directly to the consumer, regardless of whether such food is provided free of charge or sold, or whether consumption occurs on or off premises, or whether the food is provided from a pushcart, stand or vehicle. Food service providers and stores shall not sell, use, offer for sale or use, or provide food in expanded polystyrene food service articles. Food service providers shall include, but are not limited to, chain food service providers, restaurants, fast food restaurants, cafes, sidewalk cafes, delicatessens, coffee shops, grocery stores, markets, supermarkets, drug stores, pharmacies, bakeries, caterers, gas stations, vending trucks or carts and cafeterias.

- Expanded polystyrene food service articles used for prepackaged food that have been filled and sealed prior to receipt by the food service provider or store;
- Expanded polystyrene food service articles used to store raw meat, pork, fish, seafood or poultry sold from a butcher case or similar refrigerated retailed display or storage case;
- Not-for-profit corporations, the school district, and county, state and federal governmental entities.

Continues on other side...

When is the Prohibition Being Implemented?

Until August 9, 2016, the City will engage in an educational campaign to allow contractors, business owners, etc. to transition away from expanded polystyrene (Styrofoam) to reusable, recyclable, or compostable alternatives. From August 9 through December 31, 2016, the City will only issue warnings for violations of the Ordinance. On January 1, 2017, Code Enforcement will begin issuing tickets for violations of the Ordinance.

How is the Prohibition Being Enforced?

After January 1, 2017, if a code enforcement officer finds a violation of section 34-188, the code enforcement officer shall issue a ticket.

The financial hardship waiver request may apply to one or more expanded polystyrene food service articles sold, used or offered for sale or use by any such food service provider or store.

The City Commission may grant a waiver if the food service provider or store proves the following:

Our Purpose

Together, we create life-changing wishes for children with critical illnesses. This one belief guides us in everything we do at Make-A-Wish. It inspires us to grant wishes that change the lives of the kids we serve. It compels us to be creative in exceeding the expectations of every wish kid. It drives us to make our donated resources go as far as possible. Most of all, it's the founding principle of our vision to grant the wish of every eligible child.

Make-A-Wish Champions provides a platform for like-minded successful business people to help make miracles happen while enhancing their professional network. Throughout the year, Make-A-Wish Champions will host a variety of events and initiatives focused on championing the Make-A-Wish mission, strategic fundraising and increasing the professional networks of its members. You have the opportunity to forever impact a wish child's life.

Two of Make-A-Wish Champions' avid members, Brian Exelbert and Gal Bensaadon, founded Wings For Wishes in 2015. Their goal was to develop a fun and family-friendly event that could raise awareness and funds to grant wishes. To date, their efforts have helped grant 66 wishes.

Funds Raised

Since its inception, Wings For Wishes has raised over \$333K. With your help we'll meet our 2019 goal.
