Lease Lot 24 with Doctor's Hospital	10/10/2017	Renegotiate disposition of Lot 24 with Doctor's Hospital, seek 99 year lease instead of sale *8/28/18 Commission Meeting: In relation to agenda item C-4: - Staff to move forward with Baptist on negotiations for sale of parking lot. - Traffic mitigation plan for parking lot. - Once negotiations are finalized this item is to be brought back to Commission as an ordinance on first reading.	Decision by the Commission not to go forward with a sale. As of the August 28, 2018 Commission meeting, the Mayor has requested the sale be put back unto the Commission agenda. The sale of the Lot will be put back onto the agenda. 9-5-18: At the 8-28-18 meeting, the Commission authorized the City to go forward with a sale and requested Baptist provide a parking study on the impact of increased parking on the leased Lot 10-19-18 : Baptist is reviewing the consideration for purchase and will keep us posted regarding a traffic study 11-5-18: No further update since the 10-19-18 update. 12-4-18: No further update since the 10-19-18 update 1-16-19: At the January 8, 2019 Commission meeting, the City has authorized the CM to negotiate a purchase and sales agreement with the Hospital. The agreement will require the restrictive covenant remain in place, maintainance/access requirements to the Canal, and require any modification to the Lot still require the proper City approval (e.g zoning, change of use, etc...). The Hospital will also assess pedestrian calming initiatives as a separate initiative to the Hospital's overall use of the Hospital. 2-4-19: The sale will be going to Commission on 2-12-19 for a sale of \$3 million due to the City for 1st reading. It will require a super majority vote.	Roberts, Leonard			Commission	6,#Economic Development	In Progress

RFP for Garages	1/23/2018	<p>Present the Commission with an update on the Andalusia Garages in Memorandum format.</p> <p>2/27/18 Commission in connection to item H-2: -Formulate staff recommendations over the next 2 months & come back to the Commission via a Workshop or during Commission Meeting.</p> <p>*11/13/18 Commission Meeting: In relation to agenda item J-5: - Item deferred to January 22, 2019, Commission Meeting. - Staff to review the possibility of City building a new garage at G1 while G4 stays in operation as well as the financial consequences to the City if this is done.</p>	<p>Commission presentation expected after review of the Parking update expected to be completed mid-April.</p> <p>5-4-17: The City received the parking study on May 1 which supports the City's request for 750 public parking spaces. The report was provided to the Developer who will review and integrate into their analysis for their proposal. 5-15-18: The City revised a revised parking study on May 1st which was provided to the developer. The report substantiated the parking director's request for 750 parking spaces. CGCC provided a review of the City's parking study by their Parking consultant, Walker Consultant on May 14th; the study concluded the City's parking study excluded certain factors and were incorrect with certain assumptions. The Parking director is reviewing those comments. 5-18-18: Presentation scheduled for June 12th to the City Commission. An extension of the May 5th to June 14 was provided to the Developer. See further comments in the "Request for RFP update"</p> <p>6-6-18: On Jun-4th the Staff updated the Commission on the status, an extension to Sept 1, 2018. 8-20-18: On 8-2-18, the City received a proposal for 5.28 FAR. Staff has reviewed and subsequently met with the proposer on 8.16.18. Staff reemphasized the proposer provide plans for a smaller scale project. Memo dated August 16 was provided to Commission on 8-20-18 on the status of the garages. A commission workshop is being held on 8-27-18 to provide discussion and review by the City and the proposer. The City anticipates receiving a revised proposal before the August 27, 2018 Garage Workshop.9-5-18: 8-27-18: At the 8-27-18 workshop commission requested a sunshine meeting to discuss the parking needs in the CBD before voting on the number of parking spaces. The sunshine meeting on parking is scheduled to occur on 9-17-18; another workshop on the garage proposals is scheduled to occur on 9-18-18 10-19-18: A new proposal was received from CGCC on 10-12-18; Staff reviewed the proposal and have provided comments to outside counsel to coordinate with the CGCC. A sunshine meeting is being held on Nov 9th to review and the proposal will be going to commission on Nov 13 for consideration. 11-5-18: Staff will present to Commission on 11-13-18 the latest proposal received on Oct 12 2018 from CGCC. Their will be a sunshine meeting Nov 9th at 3:30 pm to answer any questions from the Commission. 12-4-18: Per the Vice Mayor's request, the City is analysing a City built scenario that includes 520, 620 and 700 parking garage structure. The proposer will also be presenting the same including their development project to compare the financial benefit/(cost) to the City.1-16-19: The City held a sunshine meeting to update the Commissioners on the current proposal which includes 620 City owned parking spaces, developer to build at 4.375 within the allowed zoning code, City/Developer own the site and no annual payments due from the City. The deal terms are set to expire on January 23 and final proposal will be presented to the City Commission on January 22.</p> <p>2-4-19: The deal was deferred to the Feb 12 commission meeting, as of 2-4-19 no new deal proposals have been received.</p>	Roberts, Leonard		Kinney, Kevin	Commission	6,#Economic Development	In Progress
Betsy Adams Park	1/23/2018	<p>Item 1: Reach out to the neighborhood again to explain the difference in scope.</p> <p>Item 2: Provide Commission with simple design for a stone wall or other options such as fences around the park, along with price estimates.</p> <p>*4/10/18: Change the turf at Betsy Adams Park to non-static.</p>	<p>4/16/18 - Ribbon cutting completed. Fencing proceeding - the plan is to have block and picket fence design. Change in playground turf approved at Board of Architect meeting on April 5.</p> <p>5/15/18 - Funds have been made available for the turf and the fencing. Awaiting permitting and design process.</p> <p>6/5/18: Public Works' Capital Improvements Office currently working on design specification for remaining items to be completed for permitting. Procurement process and premitting will follow.</p> <p>8/20/18: Public Works Capital Improvements office is continuing the process for the installation of the fence and new surfacing. Additional picnic table purchased for installation at park. Installation will be coupled with installation of new park benches City-wide.</p> <p>9/4/18: No further updates at this time.</p> <p>9/14/18: Awaiting completion of permit and design review of plan for fencing.</p> <p>10/1/18: Permit and design review of fencing has been completed. Project is now in the procurement process. Bid submittals are first step and should conclude by October 12. Procurement schedule includes award recommendation on Octboer 22, with contract effective date taking place in early November.</p> <p>10/15/18: Process is on track. Submittals completed.</p> <p>12/31/18: Notice to proceed has been issued to contractor. Project slated to begin in January.</p> <p>1/14/19: Project still on schedule to begin this month.</p> <p>2/4/19: Contractor has begun preparations and initiated mobilization for construction. Project anticipated to be completed by the end of March.</p>	Couceyro, Fred	Vester, Carolina	Santamaria, Eduardo	Commission	5,#Community Recreation	In Progress
Trash Pit Plan	1/23/2018	<p>Item 1: Training programs for drivers so that they don't create pits.</p> <p>Item 2: Plan to fill and sod all existing pits throughout the City.</p> <p>Item 3: Update on new Software.</p> <p>Request from 3/20/18 Commission Meeting: - In relation to agenda item H-1: Discussion regarding Pilot Program to be presented during the May 22nd Commission Meeting in 2 months. This presentation should include an answer to Commissioner Lago's Memo regarding cardboard recycling as well as Commissioner Quesada's request for trash pits.</p>	<p>2/4/19 - Follow-up community meetings are schedule this week, February 7th and February 9th.</p> <p>1/3/19 - The first round of community meetings for the Comprehensive Sanitation Plan were held on Thursday, November 15th at the Youth Center at 6pm and Saturday, November 17th at the City Hall courtyard at 11am (during the last hour of the household hazardous waste event in the City Hall parking lot). Follow-up community meetings are schedule for February 7th and February 9th. The purpose of these meetings are to further evaluate the results of the input from both the first set of meetings and survey results. Subsequent community meetings are scheduled for March 14th and March 16th.The online survey for single-family residential sanitation services is available for residents to complete until January 27, 2019, in order to obtain valuable resident feedback on the City's sanitation services. Plastic Straws	5/8/2018	City Staff is working on the creation of a Green Business Certification Program that will discourage rather than outright ban the use of pladtic straws.	Staff will be presenting the Coral Gables Green Business Certification Program to Commission. Rather than ban the distribution and use of plastic straws, Staff will recommend incentives for voluntary compliance. 09/17/2018 Staff presented Green Business Certification Program to City Commission on 07/10/2018 (Item J2). Staff is working with the Chamber of Commerce and Sustainability Board on creating an implementation plan and launch date for the Program. 10/3/18 - No update to provide 12/5/2018: Staff is working on an ordinance that prohibits the use of plastic straws and stirrers in City Facilities and Parks and by Special Event Permittees. Staff is presenting the draft ordinance for input to the Disability Affairs and Sustainability Advisory Boards for input and approval. Ordinance to be brought to Commission for first reading at the December 11th Commission Meeting. The City will also be doing a Skip the Straw Campaign jointly with the launch of the City's Green Business Program in January 2019 to incentive businesses to switch from plastic straws.	Diaz, Hermes	Anderson, Matthew		Commission	22;#Sustainability	In Progress
Electronic Screens on Miracle Mile & Giralda	5/22/2018	- Follow up on the piggy-back contract that had been previously discussed for electronic screens on Miracle Mile and Giralda. - Update to be brought to the Commission.	9/5/2018: IT followed up with Public Works. Mr. Ernesto Pino and ACM Iglesias met with the vendor and provided design specifications and sketches for the Streetscape kiosks (3 at Miracle Mile and 1 at Giralda). The vendor is working on a redesign based on those guidelines. The vendor is expected to provide a new design this month (September) for the City to review and approve before moving forward with construction/permits/installation.	Rodulfo, Raimundo	Gonzalez, Nelson		Commission	2;#Information Technology	In Progress
