Mayor Valdes-Fauli: J-3.

City Attorney Ramos: J-3 is a Resolution recommending approval of additional design services to AECOM Technical Services, Inc. in the amount of \$290,000 for increased square footage, construction cost, and design schedule duration to the new Public Safety Building.

City Manager Iglesias: These additional fees are for just the additional work from the initial concept of the building. They are not for any fees, for anything that was done prior. We have increased the scope of the building, added a fifth floor and certain issues like that, but not for anything that was done prior.

Vice Mayor Lago: Do you feel comfortable with these fees?
