(F) No Fire Protection Assessment shall be imposed upon a parcel of Government Property. Additionally, no Fire Protection Assessment shall be imposed upon a Building categorized as Institutional Property whose Building use is wholly exempt from ad valorem taxation under Florida law or a Government Leasehold whose Building use is wholly exempt from ad valorem taxation under Florida law. However, the exemption provided herein does not include Government Leaseholds that are not wholly exempt from ad valorem taxation nor does it apply to any Government Property that is owned by federal mortgage entities, such as the VA and HUD. In accordance with Section 170.01(4), Florida Statutes, no Fire Protection Assessment shall be imposed against any Building of Non-Residential Property located on a Tax Parcel that is classified by the Property Appraiser as agricultural lands pursuant to Section 193.461, Florida Statutes, unless that Building exceeds a just value of \$10,000 as determined by the Property Appraiser and is not an "agricultural pole barn" as defined in Section 170.01(4), Florida Statutes.

(H) As authorized in Section 14-188 of the Ordinance, interim Fire Protection Assessments are also levied and imposed against all property for which a Certificate of Occupancy is issued after adoption of this Annual Assessment Resolution based upon the rates of assessment approved herein.

(I) Fire Protection Assessments shall constitute a lien upon the Assessed Property so assessed equal in rank and dignity with the liens of all state, county, district or municipal taxes and other non-ad valorem assessments. Except as otherwise provided by law, such lien shall be superior in dignity to all other liens, titles and claims, until paid.

(J) The Fire Protection Assessments imposed against non-Government Property shall be billed, collected, and enforced pursuant to the Uniform Assessment Collection Act as described in Section 14-191 of the Ordinance. The Fire Protection Assessments imposed against Government Property that is not otherwise exempted from the Fire Protection Assessments shall be billed, collected, and enforced pursuant to the alternative method of collection described in Section 14-193 of the Ordinance, including applicable discounts for early payments. The City Commission hereby directs the Finance Director to mail said bills no later than November 1, 2017 in substantially the form attached hereto as Appendix C.

(K) The Fire Protection Assessment Roll, as herein approved, together with the correction of any errors or omissions as provided for in the Ordinance, shall be delivered to the Tax Collector for collection using the tax bill collection method in the manner prescribed
