To Whom It May Concern:

As a global leader in parking technology, T2 Systems (T2) offers high quality and reliable proprietary hardware and software products consisting of our LUKE, LUKE II and SHELBY pay stations, BOSS software, and Digital Iris management system. This letter is to inform you that the LUKE, LUKE II and SHELBY hardware, BOSS software, and Digital Iris management system are exclusive and proprietary of T2. T2 is the sole owner and manufacturer of the LUKE, LUKE II and SHELBY hardware, BOSS software, and EMS/Digital Iris management system. No other software or management system will support this hardware.

In addition, this letter is to confirm Harrington Resources Inc. dba Parker Systems is the exclusive Reseller channel for sale and support of these products and services in the state of Florida. If you have any further questions, please feel free to inquire with your sales representative or contact me directly. If you have any further questions, please feel free to inquire with your sales representative or contact me directly.

Yours truly,

*Joe Weiler*
