

## CITY OF CORAL GABLES

### -MEMORANDUM-

**TO:** Honorable Mayor, Vice-Mayor,  
and members of the City Commission

**Date:** March 12 2020

**FROM:** Peter J. Iglesias, P.E.  
City Manager

**SUBJECT:** Award Recommendation  
IFB 2019-051 Office Furniture –  
Public Safety Building

At the March 31, 2020 City Commission meeting an award recommendation for IFB 2019-051 Office Furniture – Public Safety Building, for the purchase, delivery and installation of new office furniture (Groups A- I) will be included on the agenda. This memorandum serves to notify you that in accordance with Section 2-763 of the City Code entitled "Contract Award", my recommendation for award of the subject IFB is as follows:

- 1) Accept the Procurement Officer's recommendation to award JC White Architectural Interior Products, the lowest responsive and responsible bidder for Groups A – I for Office Furniture for the new Public Safety Building.
- 2) Execute a contract with JC White Architectural Interior Products for the total amount of \$181,994.46.
- 3) Reaffirm the city's right to pursue alternative courses of action.

On February 11, 2020 a total of six (6) responses to the IFB were received by the following bidders: Compass Office Solutions LLC, Creative Office Solutions & More, Inc., HCone International Impex LLC., JC White Architectural Interior Products, Pradere Office Products and Wrk Lab, Inc.

The responses were reviewed by the Procurement Division in order to determine responsiveness to the requirements of the IFB and to identify the lowest responsive responsible bidder. During the review, it was determined that the following contractors would be deemed non-responsive and would receive no further consideration for award: Creative Office Solutions & More, Inc ( *original bid pricing sheet was altered to add additional pricing*), HCone International Impex LLC.(*failure to meet minimum qualifications*) and Wrk Lab, Inc.(*qualified their bid by indicated pricing expiration dates*).

The lowest responsive responsible bidder that could be considered for award was determined to be JC White Architectural Interior Products. Public Works conducted their evaluation along with the outside consultant (AECOM) and found their bid to be in conformance with the City's bid requirements. The Procurement Division finalized its due diligence process and confirmed that JC White Architectural Interior Products. is both responsive to the requirements of the IFB and a responsible bidder.

A copy of the IFB, bid response, and bid tabulation will be provided to you as part of the Agenda package.

Please contact me should you have any questions.
