COLLER: Item E-6, an Ordinance of the City Commission of Coral Gables, Florida providing for text amendments to the City of Coral Gables Official Zoning Code, by amending Article 4, "Zoning Districts," Section 4-402, "Prohibited uses, certain streets;" Article 5, "Development Standards," Division 7, "Distance Requirements;" and Article 8, "Definitions," to create provisions and clarity for retail vape shops; providing for repealer provision, severability clause, codification, and

	Page 9		Page 10
1	Mr. Trias.	1	discussion about hookah or anything like that,
2	MR. TRIAS: Mr. Chairman, this is an	2	because that is as much, if not more, of a
3	amendment to the Zoning Code on a topic that is	3	health issue than these cigarettes?
4	not covered by the Code. So it's brand new	4	MR. TRIAS: Yeah. You're right. That's
5	information. It deals with regulations for	5	also an issue, and I think that we tried to
6	vape shops. And, basically, there are several	6	keep it just to vape shops for legal reasons
7	aspects of this. One, there's a definition of	7	I believe that the attorney could explain that
8	what a vape shop should be. Then there's also	8	further just to, in a very narrow sense,
9	a prohibition of vape shops on Miracle Mile,	9	deal with this topic, but if you have some
10	Giralda Plaza and Ponce de Leon, and then	10	other suggestions, certainly we could forward
11	there's also some minimum distance requirements	11	that to the Commission.
12	for other vape shops in other places in the	12	MR. WITHERS: Well, I mean, if it's the
13	City.	13	health issue, cigarette smoking in general is a
14	So that's a request of the City Commission	14	health issue.
15	and it was prepared and I'll be happy to answer	15	MR. COLLER: I think the issue, and the
16	any questions.	16	reason why it was a concern, was that, and the
17	MR. WITHERS: Can I ask a question?	17	whereas clauses do provide some information
18	MR. TRIAS: Please.	18	about it, that, in fact, it's been found that
19	MR. WITHERS: What was the reasoning behind	19	these cigarettes, specifically these electronic
20	it? Is it a health issue or is it an image	20	cigarettes that have flavors, are specifically
21	issue? Or what is the issue behind it?	21	targeting young people, teenagers. And,
22	MR. TRIAS: I think it's health mostly, and	22	actually, the smoking age was increased, as I'm
23	probably there's some branding component to it	23	sure you all may be aware, to 21 now. And, in
24	also, in terms of Miracle Mile and Giralda.	24	fact, there's already existing State Statute
25	MR. WITHERS: So has there been any	25	restrictions on distances, but it allows
	Page 11		Page 12

	Page II		Page 12
1	municipalities to be more restrictive, which is	1	certainly appropriate for this Board, in making
2	being proposed in this particular legislation.	2	a recommendation on this item, that you
3	So I believe that the reason that they were	3	should that it should be expanded to any
4	singling out vape shops, because of the concern	4	smoking products, whether they be e-cigarretes
5	that youth are being targeted with these	5	or traditional cigarettes. I think that's an
6	different flavors. Not that hookah is	6	appropriate jurisdiction for this Board to make
7	necessarily any better. I believe that this	7	a recommendation.
8	was the issue that was before the City	8	CHAIRMAN AIZENSTAT: What I'd like to do
9	Commission, and this is what they were	9	is, before we go on, I'd like to find out, is
10	interested in addressing. I think hookah is	10	there anybody from the public that would like
11	something that may be worth looking into, as	11	to comment on this? No?
12	well, but this is what the City Commission	12	Let's go ahead and close it, and that way
13	wanted.	13	we can go ahead and continue.
14	MR. WITHERS: Well, I would encourage the	14	Go ahead, please. Chip.
15	Commission to also look at if you're worried	15	MR. WITHERS: I don't know that I would
16	about targeting youth with tobacco products,	16	want to encompass all tobacco products, because
17	and, as you know, cigars and shorts are not	17	then you really get into bigger issues, but it
18	regulated, and they're flavored. I mean,	18	seems, if you can concentrate on those that do
19	they're much like e-cigarretes anyway, so you	19	target teens and young people, where the CDC
20	have flavored tobacco products. They're sold	20	actually has data showing that Camel Joe and
21	in food stores and in, you know, convenient	21	flavored shisha sweets and colors of packaging
22	stores in Coral Gables, that I think have as	22	that look like candy entice kids to smoke, then
23	much of an issue in getting youth to smoke as	23	I certainly would encourage the Commission to
24	vape.	24	go after tobacco products that do attract kids.
25	MR. COLLER: And I think that it's	25	MR. COLLER: Well, I think that's an

Page	13
Laye	тЭ

	Page 13		Page 14
1	entirely appropriate recommendation, if you	1	talking about these small cigars, the
2	want to make it. The Ordinance does cite to,	2	cigarillos, things of that nature, are the next
3	in the whereas clauses, the Departmental of	3	ones where the FDA has moved forward with
4	Health and Human Services issued a report on	4	removing having a flavor ban. There has been
5	specifically on e-cigarettes, that found that	5	flavor bans that have been passed in various
6	indeed youths were being targeted for	6	states, and that just prohibits those products
7	e-cigarettes.	7	from being sold altogether. Florida is not one
8	But it's certainly within your purview to	8	of them.
9	suggest to the Board (sic) other tobacco uses	9	When you move into what they call ENDS,
10	you feel that this should be expanded to.	10	Electronic Nicotine Delivery Systems, like the
11	MS. ANDERSON: Well, I can give you a	11	juice product that's been predominantly
12	little more background, because I've dealt with	12	marketed through all of those apps that the
13	FDA regulations on this issue, and when you're	13	kids use and Twitter and things of that nature,
14	dealing with products that contain tobacco,	14	the FDA has been a lot slower on the
15	traditional cigarettes, where they're being	15	enforcement there, and the nicotine levels on
16	regulated, and the State Statute prohibits, you	16	some of those far exceeds what exists in your
17	know, putting them in the machines anymore or	17	traditional tobacco product. So I can see why
18	where you have a counter access available for	18	that's a much heightened reason, because you
19	youth and children to be easily accessible to	19	can basically have something that looks like a
20	those things.	20	USB device, that teachers and parents can't
21	The next thing that they recently deemed as	21	identified as being a tobacco product, getting
22	being a tobacco product is the flavored	22	into the schools.
23	products that you're talking about. We're not	23	So there is a heightened need that I see
24	talking about cigarettes, because they're not	24	for discouraging youth from engaging in easy
25	allowed to be flavored anymore, but when you're	25	access to these things. They can stick them in

Anything we can do at this level, I guarantee you would be embraced wholeheartedly by the coalition. MS. ANDERSON: Right. Right. No, anything that we can do and I had some questions regarding point-of-sale material being put in the windows. I understand our hands are a little tied on that. I'd like some more information on that, for us to be able to within a thousand feet of a school, where the 	2 3 4 5 6 7 8 9 10 11 12 13 14 15 16 17 18 19 20 21 22 23 24	point-of-sale material up. Why are we only restricting sale if there's more than 51 percent of the store occupied by vape products? It can be occupied by other tobacco products and make a complete store just dealing with tobacco or a combination of food and the vape products and get around the intent of the Ordinance itself, which is discourage the youth from having easy access to these items. And I'd like to expand the definition, as well, into not just the electronic delivery systems, as included here, but also talking about the juice, because the bottles of juice are being sold, as well, and that doesn't require any electronic delivery system. You can put it in a pipe. You can put it in other things. MR. WITHERS: You know, there's even products where nicotine can be like a Listerine tablet on your tongue that MS. ANDERSON: Yeah. MR. WITHERS: or even like a Tic Tac now. Nicotine is delivered in that, as well. MS. ANDERSON: Like a Tic Tac, yes. It
2 3 4 5 6 7 8 9 10 11 12 13 14 15 16 17 18 19 20 21 22 23	 their pocket and you'll never know. There are some that don't even smell a bit like a tobacco product. So, I mean, I have some points I want to bring up. I didn't want to take over MR. WITHERS: No. No. Listen, I had the opportunity to serve on the Tobacco Advisory Council as part of a trustee for the Tobacco Fund MS. ANDERSON: Right. MR. WITHERS: and every quarter, ad nauseam, we had reports on big tobacco spending billions of dollars, and the State of Florida spends 50 million in preventing tobacco programs. Anything we can do at this level, I guarantee you would be embraced wholeheartedly by the coalition. MS. ANDERSON: Right. Right. No, anything that we can do and I had some questions regarding point-of-sale material being put in the windows. I understand our hands are a little tied on that. I'd like some more information on that, for us to be able to 	2 3 4 5 6 7 8 9 10 11 12 13 14 15 16 17 18 19 20 21 22 23	point-of-sale material up. Why are we only restricting sale if there's more than 51 percent of the store occupied by vape products? It can be occupied by other tobacco products and make a complete store just dealing with tobacco or a combination of food and the vape products and get around the intent of the Ordinance itself, which is discourage the youth from having easy access to these items. And I'd like to expand the definition, as well, into not just the electronic delivery systems, as included here, but also talking about the juice, because the bottles of juice are being sold, as well, and that doesn't require any electronic delivery system. You can put it in a pipe. You can put it in other things. MR. WITHERS: You know, there's even products where nicotine can be like a Listerine tablet on your tongue that MS. ANDERSON: Yeah. MR. WITHERS: or even like a Tic Tac now. Nicotine is delivered in that, as well.

Page 17	Page 18
1 MR. WITHERS: So, yeah, I'm all for	1 be able to get their sales records. That may
2 expanding that.	2 be very difficult, very cumbersome, and while
3 MS. ANDERSON: And we don't have any	3 games can be played with floor area, I agree,
4 mention about parks in here. Is there any	4 but it will be maybe much more difficult to be
5 thoughts or reasoning as to why we have the	5 able to figure out from sales records exactly
6 limited scope that we're dealing with here on a	6 what they are.
7 number of areas, such as parks where children	7 I think that it is an enforcement issue. I
8 play, teens hang out?	8 don't think it's necessarily a legal problem to
9 MR. TRIAS: Certainly you could add parks	9 include 51 percent of sales. I just think it's
10 on Section B, which has religious institution	10 going to be very difficult for an enforcement
11 or school right now. Those are the only two	11 officer to go in, ask for those sales records,
12 that we have. So we could add more.	12 and try to produce them, but that doesn't mean
13 MS. ANDERSON: And	13 you can't do it. I'm just saying that that's
14 MR. TRIAS: As far as the 51 percent, that	14 one of the practical issues of it.
15 was at the recommendation of our City Attorney.	15 I think, certainly the Board can recommend
16 It's a standard way to regulate uses; however,	16 that parks – the point of the Ordinance is to
17 Staff was wondering whether or not to include	17 not have these things near where children or
18 also some amount of sales being a part of the	18 children and families congregate. So I think
19 review. So I think, even Staff, was	19 certainly parks is a very reasonable addition.
20 recommending to expand that definition beyond	20 CHAIRMAN AIZENSTAT: But are these sales at
21 the 51 percent.	21 parks or are you trying to say within a
22 MS. ANDERSON: Yeah.	22 MR. TRIAS: Within a thousand feet. It
23 MR. COLLER: The problem with sales, and	23 wouldn't be allowed within a thousand feet.
24 the reason why I raised the concern about sales	24 MR. COLLER: Right, that a store wouldn't
is, you have to be able to in enforcement,	25 be within a thousand
Page 19	Page 20
1 MR. TRIAS: I mean, I assume that's the	1 exposed legally to any
2 recommendation.	2 MR. COLLER: Well, first, we're not
3 MS. ANDERSON: That would be my	3 addressing cigar shops in this regulation.
4 recommendation, and I would lower the amount of	4 This is specifically electronic cigarettes.
5 floor space. I mean, if it's 25 percent or	5 Secondly, if there were an electronic cigarette
6 more, to me, that it would be dealing with	6 store, and I don't believe that there is one,
7 electronic juice materials, because they can be	7 then it would become what's called a
8 filling it up with other stuff, with hookah,	8 non-conforming use. By being a non-conforming
9 for instance, or other tobacco products,	9 use, it's legal, but it cannot be expanded.
10 cigars, food, and easily get around the intent	10 But in this particular case, the streets
11 of this Ordinance.	11 that were singled out were areas where the
12 MR. BEHAR: I'm not an attorney, and that's	12 belief was that families tend to congregate and
13 up to you guys and our City Attorney, but are	13 that's why they were specifically excluded from
14 we getting into any legal predicament that we	14 those streets, but, legally, I don't think it's
15 could be at risk, the City, by limiting	15 an issue, because, One, my understanding is,
16 specifically, not City wide, just those	16 there are no electronic cigarettes at this
17 locations, like Miracle Mile, Giralda, where	17 point, but even if there were, they would be

Ponce has been there for 30 years. If we

but I know that on Miracle Mile there's a cigar

considered non-conforming and would be

MR. BEHAR: Legal, non-conforming?

MR. COLLER: Legal, non-conforming.

rationally, why would you prohibit vaping

stores on these streets and not prohibit

tobacco stores? I mean, that, logically --

MR. MURAI: But I think your point is that,

	Page 21		Page 22
1	unless you want to say that vaping stores are	1	by the way, that's very common in alcoholic
2	worse than tobacco stores, and I don't know how	2	beverage stores, package stores, the thousand
3	you can possibly make the determination based	3	feet. It's not to limit competition. It's to
4	on what we know about it.	4	avoid a concentration of these types of uses.
5	MS. ANDERSON: Well, based upon	5	So you don't have vape shop, vape shop, vape
6	MR. MURAI: I haven't finished.	6	pop, vape shop, and that's why you have those
7	MS. ANDERSON: Go ahead.	7	distance requirements for different types of
8	MR. MURAI: I haven't finished.	8	Zoning regulations.
9	So I don't know that that distinction can	9	MR. MURAI: That one doesn't make a lot of
10	be supported legally, that's Number One. And	10	sense, despite what you have just said, you
11	let me just, my other comments are, why	11	know.
12	restrict the number of vaping stores within a	12	MR. COLLER: Well, that's why there are
13	thousand square feet? I mean, are we trying to	13	100,000 lawyers in Florida.
14	restrict competition? What are we trying to	14	MR. MURAI: I think the limitations in the
15	do?	15	number of package stores within each other, you
16	MR. TRIAS: Within a thousand feet of each	16	know, go back to the laws of a long, long time
17	other, yes.	17	ago. But that's it.
18	MR. MURAI: Of each other?	18	I mean, I also question why you couldn't
19	MR. TRIAS: Yeah.	19	have a vaping store near a religious
20	MR. MURAI: Just to limit competition or	20	institution, you know, I don't know other
21	what?	21	than you said that that's where families
22	MR. TRIAS: I'm sorry, within a thousand	22	congregate. You know, maybe you should limit
23	feet of the religious institution.	23	it from a movie theater, maybe, you know.
24	MR. MURAI: No. No. Of each other.	24	MR. TRIAS: The language has been used in
25	MR. COLLER: The rationale for that and	25	Zoning for a long, long time, and you may be
	Page 23		Page 24
1	right, it may be from another age and so on,	1	aspect of it and not being part of it, I mean,
2	but this is not unusual ways of regulating uses	2	not being part of I'm a little confused
3	like this.	3	about the specific of just having maybe not
4	The whereas clause explained the reasoning,	4	City-wide, why not just make it all City-wide?
5	and they talk about health and the fact that	5	Is there a reason why, just vape across the
6	they are targeted to youth mostly and so on.	6	City, City-wide?
7	So that's the logic.	7	MR. TRIAS: Not allow it anywhere in the
8	CHAIRMAN AIZENSTAT: Venny.	8	City?
9	MR. TORRE: Yeah. I think some of my	9	MR. TORRE: I'm just wondering whether that
10	comments were already made, but regarding the	10	was even discussed.
11	specific areas that you've chosen, so you	11	MR. TRIAS: I don't think that's possible,
12	started the conversation saying, this may be a	12	from a legal point of view. I think you need
13	little bit of branding, as well?	13	to allow it somewhere. I mean, maybe the City
14	MR. TRIAS: I think so, yeah.	14	Attorney can explain that further.
15	MR. TORRE: And it's not stated in the	15	MR. COLLER: Well, I think, obviously, the
16	whereas, where this is mostly health, health,	16	more you know, it's like a continuum basis,
		l

prohibited, but I think that this is a

but it allows it in a restrictive way.

it up right now, there is actually, in the

	Page 25		Page 26
1	Florida Statutes, a distance requirement for a	1	CHAIRMAN AIZENSTAT: based on that, but
2	thousand feet. It may be schools. I'm in the	2	how do we look at that? Because your
3	midst of trying to look that up on the fly	3	definition is talking about vaping.
4	while I'm talking to you. But even the Florida	4	MR. TRIAS: Medical marijuana is addressed
5	Legislature recognizes the need for a distance	5	in a separate section of the Code that was
6	requirement.	6	drafted some time ago.
7	MR. TORRE: One last point. I think it's	7	CHAIRMAN AIZENSTAT: Right. I was present
8	much harder for a vape shop to be paying 55, 60	8	at the time when that was done.
9	dollars for Miracle Mile than it is paying 25	9	MR. TRIAS: I figured you would remember.
10	dollars on 8th Street. So if I was going to do	10	And I think that's the way that it's addressed,
11	a vape shop, the lower rent places are the ones	11	and this is something separate, that deals with
12	that usually get them, and they all likely to	12	vaping. However, it's possible that there
13	be places that are not restrictive.	13	could be some overlap. You may be right on
14	MR. COLLER: Right.	14	this.
15	CHAIRMAN AIZENSTAT: When I looked through	15	CHAIRMAN AIZENSTAT: My concern is the
16	and I was looking through the whereases,	16	definition, the way you've laid it out.
17	everywhere where I see whereas, it talks about	17	MR. TRIAS: Yeah.
18	e-cigarette use among the youth, but when I	18	CHAIRMAN AIZENSTAT: You know, your
19	look at your definition, your definition talks	19	definition does not speak about does not
20	about vaper generated electronic devices, it's	20	talk about e-cigarettes. Your definition is
21	the way it's structured.	21	strictly vaper generated electronic devices.
22	How do you handle medical marijuana, for	22	MR. BEHAR: Hookah would fall into that?
23	example, that dispenses through do you limit	23	CHAIRMAN AIZENSTAT: No, because it's not
24	those? I mean, there's other restrictions	24	an electronic device.
25	MR. TRIAS: That's a good point.	25	MR. WITHERS: It's fire.
	Page 27		Page 28
1	CHAIRMAN AIZENSTAT: Chip?	1	the definition, because I'm looking in the
2	MR. WITHERS: No. No. I mean, I think we	2	Florida Statutes on how they define it, and
3	have a huge opportunity, if this door is open,	3	it's a little bit more robust, the definition,
4	and, you know, we really I remember the City	4	because I'm going to suggest to the City that
5	banned plastic bags for health I don't know,	5	they take a look at some of how the Florida
6	an environment issue. I mean, here's an	6	Statutes has defined it, to see if we can
7	opportunity to really have this Commission look	7	CHAIRMAN AIZENSTAT: Tweak it.
8	at how big tobacco encourages youth smoking,	8	MR. COLLER: tweak the definition. So
9	and whether it's through e-cigarette, whether	9	we'll take a look at that.
10	it's through hookah, whether it's through, you	10	MR. TRIAS: I think, for tonight's meeting,
1 1		1 1 1	

MR. WITHERS: No. No. I mean, I think we	2	Florida Statutes on now they define it, and
have a huge opportunity, if this door is open,	3	it's a little bit more robust, the definition,
and, you know, we really I remember the City	4	because I'm going to suggest to the City that
banned plastic bags for health I don't know,	5	they take a look at some of how the Florida
an environment issue. I mean, here's an	6	Statutes has defined it, to see if we can
opportunity to really have this Commission look	7	CHAIRMAN AIZENSTAT: Tweak it.
at how big tobacco encourages youth smoking,	8	MR. COLLER: tweak the definition. So
and whether it's through e-cigarette, whether	9	we'll take a look at that.
it's through hookah, whether it's through, you	10	MR. TRIAS: I think, for tonight's meeting,
know, colored packages of cigars that look like	11	the best thing to do is to provide some policy
Nerds and Airheads or whatever candy is that	12	direction, and then we can work closer with the
they anything the Commission can do to help	13	City Attorney, which has crafted most of the
stem the tide of that, I think we should	14	language, because we have to stay within the
encourage them to do so.	15	law, but if you give us some direction of the
So I think a comprehensive look this is	16	things that you would like to see, that's
good. I think we can encourage the Commission	17	probably the most useful way to proceed.
to go a lot further in expanding it. And,	18	CHAIRMAN AIZENSTAT: Maria, do you have any
look, CVS got enough pressure that they removed	19	comments?
all tobacco products from all of their	20	MS. VELEZ: Both of them have been covered.
pharmacies, and if Walgreens did that, you know	21	I think I'm concerned also about the 51
but that's half the battle. So I would	22	percent.
encourage the Commission to move forward and	23	CHAIRMAN AIZENSTAT: Okay.
expand it.	24	MS. VELEZ: I think it's a little too
MR. COLLER: I think we'll take a look at	25	generous.

	Page 29		Page 30
1	MS. ANDERSON: A little too, what?	1	MR. TRIAS: Yeah. And I'm not ready to
2	CHAIRMAN AIZENSTAT: A little too broad.	2	amend the Ordinance right now in detail, but
3	MS. VELEZ: Too generous. 51 percent is	3	certainly I'm ready to take your input and work
4	too generous.	4	with the City Attorney.
5	MS. ANDERSON: Right. I agree.	5	MR. MURAI: My last comment is, as I said
6	CHAIRMAN AIZENSTAT: Basically, Ramon, what	6	before, it doesn't make a lot of sense to me to
7	is it that you need from us now going forward?	7	limit or prohibit vaping stores on these
8	You've heard our comments?	8	particular streets and not prohibit cigar
9	MR. TRIAS: I think that the comments are	9	stores. I just don't see that that's
10	great, and I think that we are able to work	10	defensible legally, but
11	with the City Attorney, again, to refine some	11	CHAIRMAN AIZENSTAT: Craig, how do you
12	of the expanded views that you have suggested.	12	suggest we proceed with this from the
13	I think that's very useful. And if you could	13	MR. COLLER: Well, I think you have a
14	pass it, then we can take it to the Commission,	14	series of suggestions, I think, that you could
15	on First Reading, with the revised language	15	recommend approval with the following suggested
16	that uses some of the ideas that you provided.	16	amendments, review the definition, consider
17	CHAIRMAN AIZENSTAT: So you're asking us to	17	expanding it to parks, consider reducing the
18	pass it with	18	definition from 51 percent to, as suggested, 25
19	MR. TRIAS: With comments.	19	percent. I think that could be part of the
20	MR. BEHAR: And if we can add locations,	20	motion.
21	like this, I would consider, you know, Merrick	21	And did we talk about and look at other
22	Park, which there's a lot of families that go	22	areas of the City where families and
23	there. So you really need to think of a bigger	23	children and families congregate, and, of
24	area, you know. And if we're going to do it,	24	course, definitively add parks to that, and I
25	let's do it correctly.	25	think that would be a reasonable motion and it
	Page 31		Page 32
1	would give the Commission some direction as to	1	which are problematic. You can regulate the
2	how the Board feels.	2	size of the sign
3	CHAIRMAN AIZENSTAT: Is there a motion?	3	MR. MURAI: Location.
4	MS. ANDERSON: I just wanted to just rattle	4	MR. COLLER: location, but when you get
5	off the list of liquid products. You've got	5	into saying, well, signs that advertise
6	liquid nicotine products, you've got ENDS,	6	tobacco, that is the problem.
7	E-N-D-S, that could be added. It's defined by	7	Now, if you want to look at signs from a
8	the FDA. E-juice, vape juice and e-liquid are	8	general basis, that we don't want signs in
9	all words that are used to advertise these	9	windows, for example, that's that you could
10	products, and there are some slang terms that	10	look at, but that would apply to everyone. It
11	are being used now that perhaps they would want	11	wouldn't just apply to
12	to look at, as well. Fog is one of them that's	12	CHAIRMAN AIZENSTAT: It has to be uniform.
13	being commonly used. I'd just invite the City	13	MR. COLLER: It has to be uniform and it
14	Attorney to take a look at that.	14	has to not be content based, but we'll take a
15	And, you know, I had some thoughts and	15	look at that, too. We can certainly put that in there.
16	perhaps they can look into, to what extent we	16	in there. MS. ANDERSON: I asked for it to be looked
17	can limit the POS, point-of-sale posters from	17	at.
18	being plastered in windows facing the schools	18	al.
