

CITY OF CORAL GABLES**- MEMORANDUM -**

TO: HONORABLE CITY COMMISSION MEMBERS **DATE:** SEPTEMBER 15, 2020

FROM: STAFF **SUBJECT:** MAJOR AND MINOR UPDATES TO ZONING CODE

To facilitate discussion, Staff has prepared this memorandum of proposed text amendments to the Coral Gables Zoning Code that are included in the second Ordinance of the Zoning Code Update (Exhibit B of the Commission Memo) that is being considered by the City Commission. The proposed text amendments as reviewed by Staff are summarized into two categories: Major and Minor.

The reorganized Zoning Code is proposed to have a series of updates that are recommended by the consultants, DPZ CoDesign. The updated Zoning Code is to be adopted with two Ordinances. The first Ordinance reorganizes all the existing sections of the Zoning Code, as well as transferring a few sections to the City Code and updating certain City Department names. No substantive changes are being made.

The second Ordinance amends the Zoning Map with new Zoning Districts, and makes a number of text amendments to the Zoning Code. The text amendments are the result of numerous meetings with the Working Group, Planning & Zoning Board, City Commission, and Staff. These meetings provided the consultants with feedback and direction to propose updates of various provisions related to open space, mixed-use development, multi-family redevelopment, small site / incremental development, and other miscellaneous changes.
