Agenda Item H-7 [11:53 a.m.]

A Resolution authorizing the City Manager to execute an Intergovernmental Agreement with Miami-Dade County allowing the City of Coral Gables to install and maintain the aesthetic colored pavement within existing pedestrian crosswalks for the Induction Chromatique Coral Gables artwork proposed on the crosswalks on the west legs of the Le Jeune Road / Coral Way and Le Jeune Road / Biltmore Way intersections.

Mayor Valdes-Fauli: H-7.

City Attorney Ramos: H-7 is a resolution authorizing the City Manager to execute an interlocal agreement with Miami-Dade County allowing for the City to install and maintain the aesthetic colored pavement within existing pedestrian crosswalks for the Induction Chromatique Coral Gables artwork proposed on the crosswalks of the west legs of Le Jeune Road/Coral Way and Le Jeune Road/Biltmore Way intersection.

Mayor Valdes-Fauli: Thank you. And the reason for this is that when we entered into an agreement with Carlos Cruz Diez, it was for the north and south of City Hall, and due to an interlocal agreement with the County, the north side of Coral Way was not executed, and this is the completion of that project. I had received many, many -- as many of you may have -- comments on what a good project, what good taste, what great art we have, public art, and this is the completion of that project, which we have already paid for. Do I hear a motion? Motion...

Vice Mayor Lago: So moved.

Mayor Valdes-Fauli: Second?

Commissioner Mena: Second.

Mayor Valdes-Fauli: Will you call the roll, please?

Commissioner Fors: Yes.

Commissioner Keon: Yes.

Vice Mayor Lago: Yes.

Commissioner Mena: Yes.

Mayor Valdes-Fauli: Yes.
