A Resolution extending resolution number 2014-178, which grants permission to Miami-Dade Public Schools non-exclusive use of Phillips Park by Coral Gables Preparatory Academy, Monday-Friday from 9:00am-3:00pm, for physical education activities from the 2014-2015 school year to the 2019-2020 school year, in accordance with the Education Compact, as specified in Resolution 2006-57, for an additional three school years.

In 2014 the City Commission passed resolution number 2014-178 granting permission to Miami-Dade Public Schools for non-exclusive use of Phillips Park by Coral Gables Preparatory Academy, Monday-Friday from 9:00am-3:00pm, for physical education activities from the 2014-2015 school year to the 2019-2020 school year, in accordance with the Education Compact, as specified in Resolution 2006-57.

Miami-Dade Public Schools has requested this permission to be extended for an additional three school years starting from 2020-2021 school year to the 2022-2023 school year.

The City expressly reserves the right to contract with an outside company to renovate the fields at any time, as well as to operate at times other than Monday-Friday from 9:00am-3:00pm. As in years past, the activities enjoyed at the park will include athletic activities, sports and games. The Academy's use of the park will be nonexclusive and does not require the use of the playground or bathroom facilities.
