A Resolution of the City Commission approving the City’s 2023 Legislative Priorities in substantially the attached form.

The City Commission annually adopts both policy and funding priorities to guide the City’s lobbying efforts during the State legislative session. These priorities are collectively referred to as the City’s “Legislative Agenda”. The Legislative Agenda is an evolving document and often requires updating as the legislative session progresses. The City Commission supports additions and modifications to the Legislative Agenda that are consistent with this Resolution and further the City’s best interests and the Commission’s priorities.
