A Resolution of the City Commission authorizing the execution of a joint participation agreement (JPA) between the Florida Department of Transportation (FDOT) and the City of Coral Gables for disbursement of FDOT funds in the amount of \$60,340.00 for 12 months to the City, for the maintenance of turf and landscape areas within FDOT's right-of-way on State Road (S.R.) 5/South Dixie Highway, S.R. 976/Bird Road, and S.R.959/Red Road (East Side Only).

The City has had a series of agreements with the Florida Department of Transportation dating back to 1983 compensating the City for landscape maintenance that the City performs on State Road (S.R.) 5/South Dixie Highway, S.R. 976/Bird Road, and 959/Red Road within the City.

This resolution will authorize a new agreement for a period of (1) one year with an option to renew for two additional one year terms, in which the City will be paid \$60,342 for mowing, trimming and cleanup activities. Compensation is based on the average maintenance cost experience of the FDOT for similar work within its road system.
