File #: 19-8531, **Version:** 1

A Resolution authorizing the City Manager to enter into a Five Year Maintenance and Service Agreement with WPS USA CORP to provide maintenance and service for the Parking and Revenue Control Equipment in City Parking Garage 2 and Parking Garage 6.

The City purchased and installed a new parking and revenue control system (PARCs) in Garage 2 and Garage 6 in 2014 from WPS. The PARCs system is used to manage traffic and more than 1,000,000 transactions annually in the City's four public parking garages with a total value of nearly \$4,000,000. The initial maintenance and service agreement is set to expire and City of Coral Gables is interested in continuing the maintenance and service agreement with WPS for an additional five-year period. The maintenance and service agreement with WPS will be in a form substantially similar to the draft agreement attached that is mutually acceptable to the City Manager and City Attorney. This maintenance and service agreement will be in the amount of Two-Hundred Forty-Four Thousand Eight-Hundred Dollars (\$244,800).
