A Resolution of the City Commission approving an extension to the submission deadline of the University of Miami's Campus Art Master Plan.

Article 9, Section 3-2103.C.4 of the Zoning Code states that construction projects at an accredited college and/or university that maintains at its campus a publicly accessible permanent collection of art of at least thirty (30) sculptures and/or other Public Art in accordance with a Campus Art Master Plan is exempt from paying into the (Art Acquisition) Fund. The section further states that a report of the Campus Art Master Plan, demonstrating changes to the collection of Public Art on the campus shall be made to the City Commission in December 2010, and every third year thereafter. December 2022 is the third year after the last Campus Art Master Plan was submitted for 2019.

Due to construction on campus, the past years have seen the movement, storage, and relocation of sculptures throughout the campus. The program is stabilized and preparing an updated brochure.

An extension is respectfully requested for submission within the second quarter of 2023.
