A Resolution of the City Commission of Coral Gables, Florida, adopting a Downtown Sidewalk Café Plan, that includes amongst other things City pre-approved sidewalk café locations and furniture, a sidewalk café fee based on square footage; authorizing the City Manager to make administrative changes to the plan as deemed necessary to implement the Business Improvement Overlay District; updating the sidewalk café application fee citywide; providing severability, and providing for an effective date. [Both the sidewalk café fee of \$15/\$10 per square foot, applicable only to areas within the right-of-way, and application fee of \$250 will be suspended for those restaurants that have been operational during the Streetscape Project for a period of 12 months from the date that the City declares “substantially complete” that portion of the Streetscape Project. This fee suspension is contingent upon a voluntary enforcement of a “No Outdoor Smoking” policy in the city right-of-way.]
