NEW BUSINESS:

Introduction of Guest Ms. Vivian Levy - Ms. Palacio

Ms. Palacio introduced Ms. Vivian Levy, Miami Lakes Special Needs Advisory Board member.
Ms. Palacio stated Ms. Levy joined meeting this morning to observe what the Coral Gables Advisory on Disability Affairs is doing and to share information regarding their board.

Low-income Housing for those with IDD - Ms. Philippa Milne

Ms. Elejabarrieta advised board staff members Douglas Ramirez - Deputy Development Services Director and Arceli Redila - Principal Planner were present and available to address any questions regarding item to be discussed at today's meeting in reference to housing for individuals with disabilities.

Ms. Milne addressed board regarding housing for individuals with disabilities. Ms. Milne spoke of article she had read regarding ADU's (Accessory Dwelling Units) and would like to know if City of Coral Gables can provide any type of assistance with this type of program. Ms. Milne provided board with various current options available to persons with disabilities. Ms. Milne spoke regarding barriers in place currently in City of Coral Gables, such as the one which states no more than three unrelated persons can live in a dwelling. Ms. Milne stated in their case, there are currently three unrelated young men and a staff member. Ms. Milne stated this makes it impossible for someone like her son to live in a home in Coral Gables. Ms. Milne spoke regarding Section 8 vouchers and explained process when awarded to someone with disabilities.

Ms. Milne asked what City of Coral Gables can do to help people with IDD which do not have family support, live only on supplement security income and food stamps.

Ms. Elejabarrieta advised staff from Development Services present can provide information which is currently allowed under the code reference ADUs (Accessory Dwelling Units) and then board can continue with an open discussion. Ms. Redila advised currently there are two options in place. Ms. Redila stated one option is accessory dwelling located above a garage and second option if you are a residential estate which is an acre and half you can then have a stand-alone guest house 600ft. Ms. Redila provided definition of "Family" under the current code. Discussion undertaken regarding wording in place in code and clarification was made regarding same. Ms. Redila stated current code provides for exclusion regarding staff which are not family related.

Ms. Liebl asked regarding roadblocks which someone with the need to build an ADU may run into. Ms. Liebl asked if there was anything possible the city could do to assist, perhaps financially. Mr. Ramirez explained that the process is the same for all type of structural permits and the city already does aid during the process. Ms. Redila stated the city currently has boards in place to assure Coral Gables maintains its history and looks. Ms. Redila stated staff could look for perhaps grants or other programs which may be available. Ms. Elejabarrieta will provide contact information for Mr. Ramirez and Ms. Redila to board.

Ms. Palacio spoke regarding perhaps city offering developers incentives when building within the city. Ms. Milne stated it would be great to continue conversation regarding ADUs housings.

Ms. Elejabarrieta advised if board would like, perhaps staff can start research as to what other cities are doing regarding incentives, percentages, etc. and return to board with more information and encourage board to also conduct research.

OLD BUSINESS:
