Congratulations to Jorge Atencio, IT Department, recipient of "Employee of the Month Award", for April 2024.

Jorge Atencio has been a lead on the EDEN to INFOR conversion team and has dedicated significant hours of work time to extracting, reviewing and formatting data from EDEN that was critical to the INFOR transition process. He not only made himself available for all meeting, but also met in person w/ HR staff and INFOR consultants. He went above and beyond in ensuring the transfer process of personnel, benefits, and compensation information was done properly to preserve employee data and system integrity. He continues to assist following the transition and deserves recognition for his efforts.
