They were advised that a reception for opening exhibitions at the Coral Gables Museum will follow from 10:00 a.m. to 11:30 a.m.

b. Public Safety Building

Staff reported that the desired artist for the Public Safety Building has been unresponsive; since the allocated amount has increased, a new RFQ will be issued. It was further stated that a companion piece at City Hall is a possibility, which may entice more established artists to consider responding. Ms. Cathers stated that this year's budget includes funding a professional on-line call for art and it would be beneficial to have this in place prior to releasing the call.

c. Segovia Street Sculptures

The Board was informed of upcoming maintenance for the Alice Aycock sculptures, including general surface cleaning and treatment of the misting mechanism. The Board acknowledged the artist's response regarding the color and briefly discussed.
