[The Cultural Development Board historically recommends city participation in Miami’s Art Week and, more specifically, an affiliation with Art Basel.

Since 2016, the city has received recognition support from Art Basel for an annual exhibition.

On March 8, 2022, the Commission approved the purchase and installation of the sculpture “Concepto I” by Zilia Sanchez, who is a celebrated artist of world renown and meets the qualifications for recognition consideration by Art Basel.

The installation site at 427 Biltmore Way is currently being prepared for installation of the sculpture.

On July 18, 2023, the Cultural Development Board discussed options for celebrating Miami Art Week and Art Basel 2023 and made a motion unanimously recommending recognition of “Concepto I” by Zilia Sanchez for application as this year’s Miami Art Week and Art Basel project.

Building on the established relationship with Art Basel, the City proposes to submit an Art Basel VIP event application to celebrate the artwork.

Funding of \$35,000 for the proposed recommendation, related expenses, and marketing is proposed through the art fund.
